GRAND MASTER'S ADDRESS

To the Officers and Members of the Most Worshipful the
Grand Lodge A.F. and A.M. of Canada, in the
Province of Ontario.

My Brethren:

This is a most happy occasion for me to cordially welcome my brethren, other guests from sister jurisdictions of the United States of America and Canada, representatives from the Grand Chapter of Royal Arch Masons of Canada in the Province of Ontario, and the Supreme Council of the Ancient and Accepted Scottish Rite for the Dominion of Canada to the 116th Annual Communication of our Grand Lodge. On a personal note, this is my thirty-second appearance at Grand Lodge, and each year has brought me many new friends as well as increased knowledge and enthusiasm.

We are indebted to the Board of Education of the Borough of Scarborough for the use of this fine Cedarbrae Collegiate Institute building with its many rooms available for our use. It would be difficult to find equal accommodations in any other building with parking facilities close by. We thank the Board of Education most sincerely for permitting us to use it. We also appreciate the fine cooperation of Mr. J. E. Grabb, the Principal, and members of his staff, for their splendid assistance.

For many years the members of the Metropolitan Toronto Districts' Past Masters' Association have assumed the herculean task of looking after the many and varied details necessary for the comfort and convenience of the delegates and guests and I thank them most sincerely for their efforts on your behalf.

NECROLOGY

GEORGE JAMES McQUEEN

R.W. Bro. George James McQueen passed to the Grand Lodge Above on October 30, 1970. R.W. Bro.

McQueen was born in Hamilton and received his education there. He began his business career in 1920 in the Finance Department of the City of Hamilton. In 1943, he was appointed Office Manager and Accountant at the Hamilton Civic Hospitals. Later he assumed the duties of Supervisor of Purchasing for the hospitals. In 1953, he became Supervisor of Benevolence for Grand Lodge, succeeding R.W. Bro. Arthur E. MacGregor, who had succeeded M.W. Bro. R. B. Dargavel, P.G.M. In 1957, he was appointed Assistant to the Grand Secretary as well as Supervisor of Benevolence. His sympathetic nature fitted him well for the Supervisor of Benevolence position and he had the complete confidence of our dependents.

He was initiated in Doric Lodge, No. 382, in Hamilton, in February, 1925; installed as Worshipful Master in January, 1935; and served as President of the Masters' and Wardens' Association of Hamilton in the same year. Elected as D.D.G.M. of Hamilton District "B" in July 1954. Became a member of the Hamilton bodies of the A. & A.S.R. in which he served as Most Wise Sovereign, Hamilton Sovereign Chapter of Rose Croix, 1960-62. Coroneted Honorary Inspector-General, 33°, 1964.

He also took an active part in the life of MacNab Street Presbyterian Church, serving on the Kirk Session and the Board of Managers. He was Superintendent of the Sunday School for eight years.

His funeral took place from MacNab Street Presbyterian Church on November 2, 1970. Grand Lodge was represented at the funeral by your Grand Master, the D.G.M., R.W. Bro. W. K. Bailey, other members of the Grand East, together with many members of the Board of General Purposes and individual Masons. We extend our sympathy to Mrs. McQueen and family.

JOHN A. WALKER

Bro. John A. Walker, our oldest member, passed away on February 22, 1971, in Kelowna B.C. Bro. Walker

was born in Ashburn, Ontario, in 1865. He retired from the Canadian Pacific Railway after forty-nine years, serving forty-three of them as a locomotive engineer. He was initiated in Shuniah Lodge, No. 287, Thunder Bay, on December 16, 1889. He therefore had been a Mason for over eighty-one years. He joined Fort William Chapter, No. 140, R.A.M., in 1907. His funeral was held on February 27, 1971, the day he would have been one hundred and six years old, in Thunder Bay, and was attended by R.W. Bro. R. W. Faithfull, Member of the Board of General Purposes, R.W. Bro. Weppner, D.D.G.M. of Algoma District, and many Masons of the area. I extend to his family our deepest sympathy.

MEMORIAL SERVICE

The Grand Master invited the Grand Chaplain, R.W. Bro. Rev. J. E. G. Houghton, to the dais. Under the Grand Chaplain's direction the following Memorial Service was held:

GRAND CHAPLAIN:

"God is our hope and strength, a very present help in trouble. Therefore will we not fear, though the earth be moved and though the hill be carried into the midst of the sea" (Psalm 46:1, 2).

"Lord thou hast been our dwelling place in all generations, before the mountains were brought forth, or ever thou hadst formed the earth and the world, from everlasting to everlasting thou art God" (Psalm 90:1, 2).

"The days of our years are threescore and ten; and if by reason of strength they be fourscore years, yet is their strength labour and sorrow; for it is soon cut off and we fly away. So teach us to number our days, that we may apply our hearts unto wisdom" (Psalm 90: 10-12).

(A brief period of silence will be observed.)

PSALM 27 (Reading responsively.)

The Lord is my light and my salvation; whom then shall I fear? the Lord is the strength of my life; of whom then shall I be afraid?

One thing have I desired of the Lord, which I will require; even that I may dwell in the house of the Lord all the days of my life, to behold the fair beauty of the Lord, and to visit his temple.

For in the time of trouble he shall hide me in his tabernacle; yea, in the secret place of his dwelling shall he hide me, and set me up upon a rock of stone.

And now shall he lift up mine head above mine enemies round about me.

Therefore will I offer in his dwelling an oblation, with great gladness: I will sing and speak praises unto the Lord.

Hearken unto my voice, O Lord, when I cry unto thee; have mercy upon me, and hear me.

My heart hath talked of thee, Seek ye my face: Thy face, Lord, will I seek.

O hide not thou thy face from me, nor cast thy servant away in displeasure.

Thou hast been my succour; leave me not, neither forsake me, O God of my salvation.

Teach me thy way, O Lord, and lead me in the right way.

I should utterly have fainted, but that I believe verily to see the goodness of the Lord in the land of the living.

O tarry thou the Lord's leisure; be strong, and he shall comfort thine heart; and put thou thy trust in the Lord.

HYMN: Pleasant Are Thy Courts Above.

LET US PRAY:

O Lord our God, we render unto Thee our thanksgiving, by all means, at all times, in all places, for Thou hast sheltered, assisted and led us on through the time

past of our life and brought us to this hour. And we pray and beseech Thee, O God and loving Lord, grant us to pass this day and all the time of our life unstained by vice and unspotted by sin, with all joy, health and salvation. But all envy, all fear, all temptation, all the working of Satan, do Thou drive away from us.

Supply us with things good and profitable. Whereinsoever we have sinned against Thee in word, or deed, or thought be Thou pleased in Thy love and goodness to forgive and to forsake us not, O God, who hope in Thee. O Lord, God and Father, Thou knowest how blind we are to Thy presence, how dead to Thy purpose, and deaf to Thy call, grant us to feel Thy guiding hand through all the scattered details of our daily life, in all the tumult to hear Thy still small voice and in all dimness of our spirits have a sense of Thine everlasting arms upbearing us, so that being willing to spend and be spent, in Thy service, we may accomplish all that Thou wouldst have us to do and at the last find perfect freedom in Thy sole sovereignty.

O Maker of us men who hast set us in no strange land, but surrounded our life with familiar things and well-known faces, we pray for all those amongst whom we live, our families, our neighbours and acquaintances, and those amongst whom we work—bless, comfort and strengthen each one of them. We commit them all to Thy favour and care; preserve them from all dangers of body and soul, pardon all their sins, and grant that we and they may dwell with Thee.

Our Father, God, as we come to this hour of remembrance, in which we honour those who have been called to the Grand Lodge Above, we praise and magnify Thy holy Name for all Thy servants who have finished their course in Thy faith and fear, and we beseech Thee that, encouraged by their example, strengthened by their fellowship, and aided by their prayers, we may attain unto everlasting life.

Grant, O Lord, to all who are bereaved the spirit of faith and courage, that they may have strength to meet the days to come with steadfastness and patience; not

sorrowing as those without hope, but in thankful remembrance of Thy great goodness in past years, and in a sure expectation of a joyful reunion with those we love. Guide us in continuing the Work of the Craft which they so nobly began.

O God who hast ordained that whatsoever is to be desired, should be sought by labour; and who by Thy blessing bringest honest labour to good effect, look with mercy on the work of this Grand Lodge and all its endeavours. Grant us, O Lord to design only what is lawful and right; afford us calmness of mind, and steadiness of purpose, that we may so do Thy will in this short life, as to obtain happiness in the world to come.

And now may the Almighty fill you with all spiritual joy. May His spirit make you strong and tranquil in the truths of His promises; and may the blessing of the Lord come upon you abundantly. Amen.

PROMOTION

Following the death of R.W. Bro. G. J. McQueen, we were forced to find a replacement to fill the office of Supervisor of Benevolence. I, therefore, appointed a committee under the Chairmanship of the Deputy Grand Master, R.W. Bro. W. K. Bailey, to consider possible candidates for the position and report to the Grand East. From the suggested names we selected V.W. Bro. J. C. Guy, who had been filling the post of Chief Clerk in the Grand Lodge office. I am sure that his happy personality and his dedication to duty will enable him to fulfil the office of Supervisor of Benevolence most competently. The position of Chief Clerk is presently occupied very satisfactorily by Bro. Douglas Bliss.

APPOINTMENTS

On January 20, 1971, R.W. Bro. A. Vance Chapman resigned from the Board of General Purposes after twelve years of service to Grand Lodge. I regretfully accepted his resignation. We shall miss Bro. Chapman and his happy smile, but I am sure that Masonry in Western District will continue to receive his undivided attention. I appointed R.W. Bro. Robert W. Faithfull of Thunder Bay to complete the term. I request from Grand Lodge the approval of this appointment.

I attended a combined Centennial Celebration of Macoy Lodge, No. 242, and a Reception by St. Lawrence District on April 10, 1971. Macoy Lodge has not had a Grand Lodge Officer since 1958 and I appointed W. Bro. Clifford Enoch Birtch as Grand Steward. I ask for your confirmation of this appointment and that he be given past rank in this office.

HONORARY RANK

V.W. Bro. A. C. Ashforth, the Chairman of the Committee on Audit and Finance, has served this Grand Lodge well over the years. He was Grand Director of Ceremonies in 1950-51, and was appointed to the Board

of General Purposes—1953 to 1964, when he was appointed an Honorary Member of the Board. During these years, he has been a most valued member of the Committee on Audit and Finance. He has been a member of the Masonic Foundation Executive since its formation and President from 1968. After consultation with the Past Grand Masters and with their concurrence, I recommend V.W. Bro. A. C. Ashforth be appointed an Honorary Past Grand Senior Warden in our Grand Lodge.

M.W. BRO. E. G. DIXON RETIRES

On March 8, 1971, after considering the work load attached to his office and its effect on his health, M.W. Bro. E. G. Dixon sent me his resignation from the office of Grand Secretary. I accepted this resignation with regret on March 22, 1971 — to become effective on March 31, 1971.

M.W. Bro. Dixon was appointed to the office of Grand Secretary by the late M.W. Bro. A. J. Anderson on April 1, 1937. M.W. Bro. Dixon has an enviable record of thirty-four years in the office of Grand Secretary. His legal training enabled him to interpret the constitution, assist in incorporation of Masonic Building Companies, approve by-law revisions and to successfully deal with a myriad of other problems attached to Grand Lodge activities. He saw our Grand Lodge grow from 569 lodges to 635 and the membership from 98,000 to a maximum of 136,000 and decline to 124,000. M.W. Bro. Dixon has always given a full measure of his energies to the office. I am sure that I express the heartfelt thanks of every Mason of this Grand Jurisdiction for his efforts expended on our behalf and our hopes for an interesting and fruitful retirement. With the concurrence of the Past Grand Masters, I recommend that his future title be M.W. Bro. E. G. Dixon, Past Grand Master (Hon.) and Grand Secretary Emeritus.

HONORARY MEMBERSHIP ON THE BOARD

The Honorary Members of the Board of General Purposes are appointed in recognition of their particular contributions to the Craft and, by their appointment, we

are enabled to keep their special talents available for the future. After consultation with the Past Grand Masters, I recommend the appointment of R.W. Bro. Willard M. Gordon to Honorary Membership on the Board.

CANADIAN CONFERENCE

On February 18 and 19, 1971, the Deputy Grand Master, the Grand Secretary and I attended the 12th Biennial Conference of Canadian and District Grand Lodges held in Montreal. All such Grand Lodges were represented. There we discussed mutual problems peculiar to Canadian Masonry. R.W. Bro. W. K. Bailey, our Deputy Grand Master, presented an excellent paper entitled "Craft Masonry; What Masonic Information Can Properly Be Disseminated to the Public." It was a most worthwhile conference and was made so because the small size of the group seemed able to create a wider exchange of ideas than a larger group would have done.

GRAND MASTERS' AND GRAND SECRETARIES' CONFERENCES IN WASHINGTON

Following the Montreal session, we travelled to Washington to attend the Conference of Grand Masters and the Conference of Grand Secretaries of North America. This gathering included representatives from Europe and the Philippines as guests. The keynote speaker was M.W. Bro. George R. Effinger, the Grand Master of the Grand Lodge of Kentucky. Two of the main topics for discussion were (1) Should our Fraternity try to keep pace with the modern changing world? and (2) Is leadership training the most imperative need in Masonry today?

M.W. Bro. Dwight L. Smith, P.G.M. and Grand Secretary of the Grand Lodge of Indiana, was the speaker at the Grand Secretaries' Banquet and again proved himself a most outstanding speaker. Bro. Hon. Richard E. Emmett, Judge of the Circuit Court in Montgomery, Alabama, addressed the Grand Masters' Banquet. His words were both informative and stimulating. I firmly believe that it is important to have representation at these conferences because the problems that disturb one jurisdiction this year may be our problems next year, and we

have the benefit of their experience in assisting in the solution of them in our jurisdiction.

LODGE CENTENNIAL CELEBRATIONS

Sixteen lodges celebrated their 100 years of service to their respective communities during the past year. I was fortunate to be able to be present at twelve of them, and the majority were held jointly with District Receptions. I am most appreciative of such consideration as it reduces the work load of your Grand Master. A unique occasion occurred when a joint celebration was held in Barrie by Kerr Lodge, No. 230, Barrie, Beaver Lodge, No. 234, Thornbury, and Manitoba Lodge, No. 236, Cookstown, all lodges in Georgian District. The combined banquet was held on October 31, 1970, and was well attended with each lodge participating in the programme.

The hundred year old lodges are as follows:

Ionic Lodge, No. 229, Brampton, on May 19, 1970.

Bernard Lodge, No. 225, Listowel, on September 21, 1970.

Lodge of Fidelity, No. 231, Ottawa, on September 29, 1970.

Norwood Lodge, No. 223, Norwood, on October 3, 1970.

Cameron Lodge, No. 232, Dutton, on October 23, 1970.

Aldworth Lodge, No. 235, Paisley, on October 24, 1970.

Kerr Lodge, No. 230, Barrie, on October 31, 1970.

Beaver Lodge, No. 234, Thornbury, on October 31, 1970.

Manitoba Lodge, No. 236, Cookstown, on October 31, 1970.

Tweed Lodge, No. 239, Tweed, on November 12, 1970.

Havelock Lodge, No. 238, Watford, on November 21, 1970.

Ashlar Lodge, No. 247, Toronto, on February 23, 1971.

Tecumseh Lodge, No. 245, Thamesville, on March 6, 1971.

Vienna Lodge, No. 237, Vienna, on March 27, 1971.

Macoy Lodge, No. 242, Mallorytown, on April 10, 1971.

Doric Lodge, No. 233, Parkhill, on April 14, 1971.

PAST RANK

- (1) W. Bro. Clifford P. Barnhart, Worshipful Master of Adoniram Lodge, No. 573, Niagara Falls, passed to the Grand Lodge Above on April 23, 1971. He had been a faithful officer up until that time. I recommend that he be granted the rank of a Past Master posthumously.
- (2) W. Bro. Joseph Whitfield, a member of Wentworth Lodge, No. 166, Stoney Creek, was not permitted to fill the office of Immediate Past Master because of a situation reported in the Annual Proceedings of 1958 on pages 51 and 52. I am assured that the situation has been resolved satisfactorily and I now recommend that W. Bro. Joseph Whitfield be granted the rank of Past Master.
- (3) W. Bro. Edwin Rice, the Immediate Past Master of Excelsior Lodge, No. 142, Morrisburg, was not granted the rank of Past Master because of irregularities occurring in Excelsior Lodge during his term of office. Those irregularities have been resolved and I now recommend that W. Bro. Edwin E. Rice be granted the rank of Past Master.
- (4) W. Bro. Malcom Branscombe, the Worshipful Master of King Hiram Lodge, No. 37, Ingersoll, was moved to New Brunswick late in June 1970 by his employers. He missed the meetings in September, October and December but came back for the visit of inspection by the D.D.G.M. in November. R.W. Bro. J. W. Froggett gave a good report. I recommend that W. Bro. Malcom Branscombe be granted the rank of Past Master.
- (5) W. Bro. Dennis Leslie Acreman, Worshipful Master of Lorne Lodge, No. 375, Omemee, was installed on

December 27, 1969. He passed away on May 10, 1970. I recommend that W. Bro. Dennis L. Acreman be granted the rank of Past Master posthumously.

- (a) R.W. Bro. J. M. Dalrymple was not installed at the 1970 Annual Communication as District Deputy Grand Master of Georgian District on account of illness. He was later installed on September 21, 1970, by M.W. Bro. H. L. Martyn. I therefore recommend that R.W. Bro. Dalrymple be given the rank of a Past District Deputy Grand Master.
- (b) A District Deputy Grand Master for the new Ottawa District 2 was not elected at the time of the 1970 Annual Communication. At a special District Meeting held in the Arnprior Masonic Temple on August 10, 1970, R.W. Bro. Kenneth N. Nesbitt was elected. On August 26, 1970, he was installed by M.W. Bro. H. L. Martyn. I therefore recommend that R.W. Bro. Nesbitt be given the rank of a Past District Deputy Grand Master.

INTERIM PENSIONS

Interim pensions are always difficult to decide upon. After consideration with the Past Grand Masters, I authorized a monthly allowance for Mrs. G. J. McQueen and his regular salary for M.W. Bro. E. G. Dixon, the retiring Grand Secretary, until July, when the Committee on Audit and Finance would finalize the matter for the coming year.

VISITATIONS TO OTHER GRAND JURISDICTIONS AND MASONIC BODIES

Many invitations have been received from other Grand Jurisdictions to attend their Annual Communications. It has been impossible to accept them all because of conflicting commitments. I have been warmly received, royally entertained, and it is difficult to express my appreciation adequately. The following is a list of these visitations:

I sanctioned also a donation of one hundred dollars (\$100) to assist in the publication of the biography of our late R.W. Bro. Bishop W. C. White, Grand Chaplain in 1937. Bishop White spent forty years in China. He set up the famous Chinese section in the Royal Ontario Museum and was Curator of the section. I request your approval of these donations.

FIFTY YEAR LAPEL BUTTONS

Last year 1064 of our members were reported as having received our 50-year Lapel Button. This year we reached the 1075 plateau. I congratulate, on behalf of Grand Lodge, all these Senior Citizens on their achievement.

SIXTY YEAR LAPEL BUTTONS

I am happy to announce that we have distributed this year eighty-five 60-year Lapel Buttons, an increase of nine over last year. I congratulate these Masons on reaching this level. May they continue on with good health.

OUR VETERAN PAST MASTERS

This year I am pleased to tell you that nineteen (19) of our Brethren have qualified for our 50-year Past Master's Button. They have served their Grand Lodge well and are worthy of our admiration. In addition, three more have reached the sixty-year mark in service to the Craft. Our special congratulations to them.

SPECIAL MENTION

- (a) R.W. Bro. Walter C. Johnson of The Tuscan Lodge, No. 195, London, completed fifty years as a P.D. D.G.M. What a wonderful "age in Masonry" to reach!

 - V.W. Bro. John A. Eyre, Grenville Lodge, No. 629, Toronto.
 - Bro. Chas. H. Fraser, Washington Lodge, No. 260, Petrolia.
 - W. Bro. J. William Harvey, The Doric Lodge, No. 382, Hamilton.

I congratulate all of the Brethren noted above on qualifying for these awards.

V.W. Bro. (Colonel) R. S. McLaughlin of Cedar Lodge, No. 270, is now in his one hundredth year and has completed seventy-six years membership in Free-

R.W. Bro. Everon Flath of Wellington Lodge, No. 635, at 94, has completed 54 years as a P.D.D.G.M. That is a wonderful achievement.

Bro. Hugh H. Sutherland of St. Andrews Lodge, No. 16, Toronto, was 104 on October 23, 1970. He is a direct descendent of the Duke of Sutherland and Argyle. He was initiated in 1896. We salute him.

I extend congratulations to these brethren on their reaching such an advanced age. If there are others of whom I am unaware, and who should have been mentioned above, I present to them also our warmest good wishes.

WILLIAM MERCER WILSON MEDAL

This medal is awarded for outstanding Masonic service to the Craft. I heartily commend Bro. Eric Lloyd Kidson of Harry L. Martyn Lodge, No. 696, Toronto, on his contribution to the Craft which resulted in his receiving this recognition.

VETERAN JUBILEE MEDAL

M.W. Bro. R. W. Treleaven, P.G.M., recommended in his Address to Grand Lodge in 1964 that since the Veteran Jubilee Medal (50 years a Mason) could be worn only in lodge and a lapel button could be worn anywhere, the medal be discontinued and a lapel button approved. This recommendation was accepted and M.W. Bro. J. A. Irvine appointed a committee to select a suitable design for it. Since that time, many requests have been made to permit a lodge to purchase the medal and present it to its veteran member in addition to the button awarded by Grand Lodge. I have consulted with several of the Past Grand Masters and I now recommend that a supply of these medals, not engraved, be kept in the office of the Grand Secretary, available at cost to the lodges who wish to purchase them. This suggestion is not meant as a downgrading in any way of the lapel button which will continue to be the official recognition of the long service to this Grand Lodge of its senior members.

NEW LODGES CONSTITUTED AND CONSECRATED

During the year the following Lodges were constituted and consecrated:

- (a) Concord Lodge, No. 722, Hespeler, on September 26, 1970, by R.W.Bro. W. K. Bailey, Deputy Grand Master.
- (b) Bytown Lodge, No. 721, Ottawa, on October 2, 1970, by R.W. Bro. W. K. Bailey, Deputy Grand Master.

LODGE PREMISES DEDICATED

Only one new lodge building was completed during the past year. This was in Blenheim by Kent Lodge, No. 274. I extend congratulations to Kent Lodge on their fine new home. I dedicated the lodge room on May 15, 1971, with the assistance of many present and past Grand Lodge Officers.

D.D.G.M. REPORTS

We have deliberated and found it expedient to change the format for the handling of District Deputy Grand Masters' annual reports. The new District Deputy Grand Masters for 1971-72 will be instructed accordingly at the time of their installation.

PROVINCIAL ASSESSMENT

Provincial assessment continues to be a matter of concern. M.W. Bro. D. J. Gunn has been in charge of the Special Committee studying the effect of increased assessment on lodges which own their own buildings. He has been trying to obtain certain information which would be of use to him when he meets government officials. One item which disturbs him is the value lodges place on their buildings. This is obviously not what it cost to build but what a non-Masonic buyer would pay for a building that has the unique floor plan that most Masonic buildings have. In the majority of cases, it would be cheaper to demolish the present building and construct another than to alter the present one. In such a case, the value would only be the value of the site. After working nearly a year,

M.W. Bro. Gunn is still trying to get realistic figures from lodge trustees. Our thanks to M.W. Bro. Gunn for his dedication to the task assigned to him and our congratulations on his success so far are gratefully extended.

GRAND MASTER'S BANQUET

One of the outstanding events of our Grand Lodge Communication is the Grand Master's Banquet. The speaker this year is M.W. Bro. (Rev.) H. Dwight McAlister, Past Grand Master and Grand Secretary of the Grand Lodge of Ancient Free Masons of South Carolina. M.W. Bro. McAlister is a most interesting speaker with a ready wit and an excellent Masonic background. We welcome him to our midst and look forward to his address. A limitation in accommodations always creates a problem but I hope that a place for all who wish to attend will be found.

SPECIAL EVENTS

On March 13, 1971, I was privileged to speak at a dinner which was given to celebrate the 125 years of continuous existence of Durham Lodge, No. 66, Newcastle. It was a well organized event with a large number of Durham members and guests attending. I congratulate the Officers and Members of Durham Lodge on reaching their 125th Anniversary — 125 years of service to Newcastle and the surrounding area.

On November 20, 1970, The Barton Lodge, No. 6, celebrated the 175th Anniversary of its founding. It was a grand night, beginning with a banquet where I addressed the brethren and later the program continued in the Scottish Rite Cathedral. M.W. Bros. W. L. Wright, dean of the Past Grand Masters and a former officer of The Barton Lodge; E. G. Dixon, Grand Secretary; R.W. Bro. Lloyd S. Cochran, Deputy Grand Master of the Grand Lodge of Free and Accepted Masons of the State of New York; with several American Brethren, and His Worship, Mayor Victor K. Copps were present. It was a full evening, but, as it was well organized and carried out with dispatch, the Brethren were enabled to leave for home early. I congratulate the members of The

Barton Lodge, No. 6, on their useful and successful career in Masonry, and wish them well in the future.

RETIRING ALLOWANCES FOR EMPLOYEES

Employees in industry and in offices in this modern era usually look forward to a retirement pension or allowance at the end of their employment. The amount of this pension is commensurate with their years of service and their ages at the time of retirement. This Grand Lodge has no such plan. I recommend that the incoming Grand Master appoint a committee to study retiring allowances for our employees and report to him on the feasibility of such allowances and how they might be implemented.

RULING CLARIFICATION

In 1969, M.W. Bro. D. J. Gunn made the following ruling: A member, a Master Mason, who resides outside the jurisdiction of the lodge and at a distance of more than twenty-five (25) miles, by road, from the lodge, or who resides outside of Ontario, may not hold office in that lodge without the special permission of the Grand Master.

To clarify and extend the scope of this ruling I have inserted the words "jurisdiction of the" after twenty-five (25) miles, by road, from the . . . so that the entire ruling would now read as follows: "A member, a Master Mason, who resides outside the jurisdiction of the lodge and at a distance of more than twenty-five (25) miles, by road, from the jurisdiction of the lodge, or who resides outside of Ontario, may not hold office in that lodge without the special permission of the Grand Master."

POSSIBLE INCREASE IN PER CAPITA LEVY

If you will refer to the Report of the Committee on Audit and Finance for 1970, you will see that the estimated surplus was only \$2,145. Of course, unquestionably, we have been through a time of rising costs. This coming year we shall be concerned with this. We felt, however, that we should try to do what every lodge is doing, namely, try earnestly to live within our budget. If this degree of

economy is not possible, we will have no alternative but to increase our per capita levy. The last increase occurred in 1960 and in view of the steadily increasing costs, during the eleven-year ensuing period, an increase in the levy in 1972 could not be called unreasonable and may, indeed, be unavoidable.

APPRECIATION

I am aware of my inability to fulfil all my obligations that as your Grand Master I really should have carried out, and I regret this very much. Several of the Grand Lodge Officers, however, filled in for me, and I am appreciative of their assistance. From among these I feel that I should specifically mention the following:

M.W. Bro. E. G. Dixon, Grand Secretary Emeritus, to whom I extend my personal appreciation for his many courtesies extended to me in arranging for visits to sister jurisdictions and for special events and receptions within our own jurisdiction. These arrangements were beyond the call of duty and in addition to his regular office work. I hope that now he will be enabled to enjoy his retirement without the pressure of a steadily increasing workload.

M.W. Bro. J. A. Irvine assumed the heavy duties of Grand Secretary as we were entering the "end-of-the-fiscal-year" activities and the time when careful plans for Grand Lodge in July were about to be made. I am sure you will agree that M.W. Bro. Irvine has risen to the challenge in a most admirable fashion.

M.W. Bro. H. L. Martyn continues to do his superb job as Custodian of the Work and the instruction of the new District Deputy Grand Masters. The entire jurisdiction is indebted to him for his excellent Lodges of Instruction. He also directs several Committees of which he is Chairman.

M.W. Bro. D. J. Gunn has carried out a tremendous task as Chairman of the Committee on Provincial Assessment and he is to be commended for his dedication. Also, he has been busy with the Special Committee which is revising the Manual for Masonic Instructors and Students

and the booklets given to candidates when they finish each degree. He also writes the Foreword for the Fraternal Reviews.

R.W. Bro. W. K. Bailey, our Deputy Grand Master, has represented our Grand Lodge at the Grand Lodges of New Jersey and New York, and has accompanied me to the Conferences at Montreal and Washington. In addition, he has held excellent discussion meetings with Wardens' groups at strategic points in the jurisdiction. He also presided at the Constituting and Consecrating Ceremonies of Concord Lodge, No. 722, Hespeler, on September 26, 1970, and Bytown Lodge, No. 721, Ottawa, on October 2, 1970.

M.W. Bros. W. L. Wright and J. N. Allan are busy men with their daily tasks. They have, however, willingly attended special meetings at which their wide experience enabled them to give sound advice on all topics brought up for discussion. I appreciate their assistance.

The Past Grand Masters, as a group, have been particularly helpful on every occasion when I sought their counsel and advice during my entire term of office. For this I am very thankful.

V.W. Bro. Eric C. Horwood, Chairman of the Advisory Committee on Lodge Buildings, has done an excellent job this past year in going over the many plans submitted for construction of new Temples and/or renovations to existing buildings. He has travelled to several parts of this Province in order to view at first hand the various projects underway and has given of his time most generously. I am sure you will agree that V.W. Bro. Horwood has rendered invaluable assistance to the Craft. We congratulate him on his dedication.

Finally, I am greatly indebted to each member of the Grand Secretary's Staff. It has been a real joy to work with them and they have willingly cooperated with me and materially lightened my load this past year. Their help I have appreciated very much.

CONCLUSION

For several years your Grand Masters have been urging the Worshipful Master of each lodge to set up a committee to interview members who are in the position of being suspended for N.P.D. These committees should be made up of men who are concerned not only with keeping the member in good standing but also willing to make an effort to bring that member out to at least one or two meetings. I believe the two actions are inseparable and would work wonders in the field of membership relations.

Important also is the orientation of each new member. We must be careful to continue his Masonic education for years after he has received his Master Mason Degree, and give him small duties to perform. With such education, each Mason will feel obligated to take the principles he has learned outside the lodge into the world and practice them. By so doing he becomes a part of our silent public relations department. Thus each Mason will demonstrate to the world the happy and beneficent effect that our principles have had on him and, by his demonstration, non-Masons will want to join our Fraternity.

The practice of brotherhood is essential to the maintenance of a happy and healthy fraternity. When we work at Masonry in this fashion, we show to the world that we are builders with a deep concern for the welfare of each member of our society, whether such member is a Mason or not. It really is the practice of the Golden Rule in its most ample sense, and so we show everyone that our lives are directed by the Great Architect of the Universe. We illustrate the fact that our Fraternity stands for the belief in the universal brotherhood of man under the fatherhood of God.

May the Most High continue to direct our lives as the future unfolds before us.

Sincerely and fraternally,

BRUCE B. FOSTER,
Grand Master.

APPOINTMENT OF COMMITTEE ON THE GRAND MASTER'S ADDRESS

At the conclusion of the Address it was moved by M.W. Bro. H. L. Martyn, seconded by M.W. Bro. J. N. Allan and carried: That a committee, composed of all the Past Grand Masters present, consider and report to Grand Lodge on the Grand Master's Address. The motion was put by the Deputy Grand Master.

RECEPTION OF GRAND REPRESENTATIVES

As the Acting Grand Secretary called the roll of Grand Representatives of other Grand Lodges those who were present stood up and were welcomed by the Grand Master. Grand Honours were then given under the direction of the Grand Director of Ceremonies.

AUDITOR'S REPORT

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren,

I have examined the statement of resources of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 1971 and statements of receipts and disbursements of the General Fund and the combined Memorial and Semi-Centennial Fund for the year then ended. My examination included a general review of the accounting procedures and such tests of the accounting records of your Grand Treasurer and Grand Secretary and other supporting evidence as I considered necessary in the circumstances.

The securities of the General, Memorial and Semi-Centennial Funds as set out in the respective schedules accompanying the Grand Treasurer's Report are held and certified to under date of May 21, 1971 by the Canadian Imperial Bank of Commerce.

In my opinion, these financial statements present fairly the financial position on a cash basis of the Grand

Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 1971 and the receipts and disbursements for the year then ended in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Yours fraternally,

A. W. PARISH, F.C.A.

GRAND TREASURER'S REPORT

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Statement of Grand Lodge funds, receipts and disbursements with a summary of resources and particulars of investments for the year ended April 30, 1971, is submitted herewith.

Comments made in previous reports are applicable to a large extent to the latest year and need not be repeated. The practice introduced with last year's report at the suggestion of the Auditor, that of showing market values of securities, has again been followed. Last year it was necessary to point out that the market value of our investments was twenty per cent below their face value. In my report I expressed the confident hope that the disparity would be continually reduced. I am pleased to observe that the valuations of our investments in both funds, as shown by the Auditor this year, average less than ten per cent below their face value. Improvement can still be expected as our low-yielding bonds come closer to maturity.

The General Fund shows a surplus of receipts over disbursements in the year before purchase of additional investments. It may be significant that a part of the surplus comes from increased commutation of Grand Lodge dues. This will probably be followed in future years by further

reduction of Grand Lodge dues received from the lodges and in my view these commutations should be Capitalized at least in part. It is to be hoped that lodge members whose lodge dues have increased are not seeking to make a trifling economy at the expense of the treasury of their own lodge by purchasing a life membership at an unadjusted rate.

During the past few years investment income has been moderately enhanced by short term investment of our surplus funds. Maturing bonds have been reinvested at more generous rates of return. This advantage may be expected to continue at least three or four years. Investments were made in the past year in consultation with the Chairman of the Committee on Audit and Finance and the Chairman of the Board of General Purposes. The office of the Grand Secretary has co-operated in the physical handling of new securities and particularly in the details involved in changing our custodian from a trust company in Toronto to our bank in Hamilton. The results of this change have been profitable and gratifying. The Auditor has cooperated with constructive suggestions where adjustment in our procedures seemed to be in order.

To all of those who have assisted in making the past year financially successful and the duties of the Grand Treasurer less than onerous, a continual debt of gratitude is acknowledged.

It should be observed that the diminishing trend in membership coupled with the built-in inflation afflicting our economy may in the near future dictate a moderate increase in per capita membership dues payable to Grand Lodge.

Our annual summaries, statements and schedules are as follows.

Respectfully and fraternally submitted,

M. CLEEVE HOOPER,
Grand Treasurer.

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

M.W. Bro. D. J. Gunn, Chairman, presented this report and read the Foreword to the Reviews. The Deputy Grand Master then moved, seconded by M.W. Bro. Gunn, that the report be received and adopted. The motion was carried, unanimously.

REPORT OF THE SPECIAL COMMITTEE ON PROVINCIAL ASSESSMENTS OF MASONIC TEMPLES OR HALLS

The report was presented by M.W. Bro. D. J. Gunn, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Gunn, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario:

Most Worshipful Sir and Brethren:

The Province of Ontario passed the Assessment Act 1968-69 providing for the taking over by the Province of the responsibility of the assessment of all property in this Province. This was an entirely new concept as for generations assessments had been the responsibility of local municipal authorities in their own areas whether urban or rural.

In the latter months of 1969, numerous complaints were made to our Grand Secretary of very large increases in the assessments of a substantial number of our Masonic Temples and Halls. The Grand Master was naturally greatly concerned and appointed a committee to investigate and report. The members of the Committee were—M.W. Bros. James N. Allan, E. G. Dixon; R.W. Bro. F. M. Cass, and myself as Chairman.

I made a personal investigation of an increase of almost sixteen times the former assessment of one of our Temples in Grey District and M.W. Bro. Allan arranged an appointment with The Honourable W. Darcy McKeough, Minister of the Department of Municipal Affairs, at which M.W. Bro. Allan, R.W. Bro. Cass and myself were present; also Mr. P. G. Gillis, Executive Director of the Assessment Division of the Department.

We explained our problem to them and received a sympathetic hearing from the Minister, The Honourable W. Darcy McKeough, who assured us that an allowance would be made for the particular type of most of our buildings. Similar consideration would, of course, be given to other fraternal societies. After the summer vacation period of 1970, we again contacted the Department of Municipal Affairs, who requested us to procure for them a complete list of Masonic Temples or Halls throughout Ontario and also specific information regarding their size, age, location, local services supplied, estimate of value, etc. We, accordingly, wrote a somewhat lengthy letter to all our D.D.G.M.s, explaining the situation fully and enclosed a supply of Questionnaires to be completed by the Lodges or Temple Corporations in their Districts and returned to the Grand Secretary. The words "market value" appeared three times in our letter but, unfortunately, this part of our letter has not been understood in far too many cases and numerous corrections have had to be made and others still to

come. We strongly advised in our letter that local committees be formed to study the Act and file Notice of Appeal within the prescribed time for so doing, where they felt the new Provincial Assessment was unfair.

The words used in the Act as to market value are as follows: "The market value of land assessed is the amount the land might be expected to realize if sold in the open market by a willing seller to a willing buyer." Land, of course, includes buildings thereon.

The great majority of our Temples or Halls were designed and built to suit our requirements and have a limited market value for any other purpose. In one case the local Lodge contacted two Real Estate Agents, asking them to put a market value on their lodge building. After investigation both refused to put any market value on the lodge premises, stating that the building could only be used for storage purposes without a major expenditure to convert it into a saleable property for other uses. A similar condition exists with most of our buildings throughout the whole jurisdiction.

It is of vital importance to the Craft that the intent of the Provincial Assessment Act 1968-69 be carried out and that the words "market value" mean just what the Act says. Unfortunately, directives from the Head Office of the Department of Municipal Affairs have not reached some of their officers in at least some instances or, if so, have not been properly understood. Grand Lodge has tried to help this difficult situation in every possible way and will continue to do so. However, the local Lodges and Temple Boards must fight their own battles as some have already done successfully.

Much more could be said on this difficult problem as the Provincial Authorities do not expect to complete their huge undertaking until 1973 or 1974. If you have any questions or problems where you feel we might help, please contact the Grand Secretary or myself.

Respectfully and fraternally submitted.

DONALD J. GUNN,
Chairman.

REPORT OF THE COMMITTEE ON CONSTITUTION AND LAWS

This report was presented by M.W. Bro. H. L. Martyn, Chairman, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Martyn, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Committee on Constitution and Laws beg leave to report as follows:

PART I

There were no Notices of Motion submitted for the consideration of the Committee during the year. There is nothing to report in this respect.

PART II

1. A request for concurrent jurisdiction was considered from St. John's Lodge, No. 21a, of Vankleek Hill, and Hawkesbury Lodge, No. 450, of Hawkesbury. Hawkesbury Lodge has been meeting in Vankleek Hill for several years since the building they had been occupying previously was unsafe for occupation. A resolution favouring this request was submitted from each of the Lodges concerned.

The Committee recommends that concurrent jurisdiction be granted to St. John's Lodge, No. 21a, and Hawkesbury Lodge, No. 450.

2. A request for concurrent jurisdiction was considered from Palmer Lodge, No. 372, Fort Erie; Fort Erie Lodge, No. 613, Fort Erie; and Dominion Lodge, No. 615, Ridgeway. Recent changes in local regional government made some difference in the previous municipal boundaries in some areas. This request was supported by copies of motions passed in the three lodges indicating approval of the request.

The Committee recommends that concurrent jurisdiction be granted to Palmer Lodge, No. 372; Fort Erie Lodge, No. 613; and Dominion Lodge, No. 615.

Respectfully and fraternally submitted,

HARRY L. MARTYN,
Chairman.

REPORT OF THE REGALIA COMMITTEE

This report was presented by M.W. Bro. H. L. Martyn, Chairman, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Martyn, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Committee on Regalia has given some consideration to the Regalia worn by the Grand Lodge Officers. Recent changes have been authorized by some Grand Lodges with respect to the wearing of cuffs by the elected officers of Grand Lodge. The point is made that they have little if any real symbolic significance. Since this is one item that is costly and also it is the one item that shows wear out of proportion to the other two items, the Committee desires to submit the following recommendations:

1. In future the wearing of cuffs by Past Grand Lodge Officers shall be permissive rather than mandatory.
2. That consideration be given to amending Section 262 of the Constitution in this respect at the next Communication of Grand Lodge.

Respectfully and fraternally submitted,

HARRY L. MARTYN
Chairman.

REPORT OF THE COMMITTEE ON FRATERNAL RELATIONS

This report was presented by M.W. Bro. H. L. Martyn, Chairman, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Martyn, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

In our report to the Communication of 1968 your Committee deferred making a recommendation re recognition for the Grand Lodge of Turkey. At that time the request had been received less than a month before our July meeting. This Grand Lodge is very highly regarded by the regular Grand Lodges throughout the Masonic world. All but two of the Grand Lodges of the United States recognize it. Since our last Communication the Grand Lodge of Turkey was recognized by the United Grand

Lodge of England. Your Committee recommends that we extend recognition to the Grand Lodge of Turkey.

The Committee received a request from the Grand Orient of Italy for recognition. This request was received by the Committee after the first of April of this year. We recommend that action on this request be deferred for the present.

A request for recognition was received from the Grand Loja de Parana. This is one of the State Grand Lodges of Brazil. Your Committee recommends that action on this request be deferred for the present.

Respectfully and fraternally submitted,

HARRY L. MARTYN,
Chairman.

REPORT OF THE COMMITTEE ON MASONIC EDUCATION

This report was presented by R.W. Bro. N. R. Richards, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Richards, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario:

Most Worshipful Sir and Brethren:

It is a welcome opportunity to report to you about matters related to Masonic Education for the year 1970-71. If this report covered only the work of the Committee on Masonic Education *per se* it would fall far short of giving a picture of what took place in the forty-one districts. Reports received from the District Deputy Grand Masters have been the source of information for the Committee Report. In the beginning I hasten to express the thanks of the Committee to the District Deputy Grand Masters, the Supervisors of Masonic Education, the Chairmen of Masonic Education Committees at the lodge level and, of course, the brethren who participated in any way in our common objective to seek a fuller understanding and appreciation about Freemasonry.

I think you will be interested to hear some of the highlights of the past year gleaned from the reports received from the D.D.G.M.s. Several districts adopted a theme for a program for the year such as "Masonry, the Magnet that Attracts and Holds", "Brotherhood", "Masonic Principles and the Public", "Masonry in the 70's", "The Power of Example" — to cite but a few. It

seems to me that by choosing such topics the brethren are again indicating that we are conscious of the influence and impact that Masonry can have, not only on those who belong to the Craft, but other members of society as well.

Only one-half of the districts established committees on Masonic education. Although a supervisor of Masonic Education was appointed in each of the districts, less than one-third has served in this capacity for more than one year. In the interest of continuity of program development, it would be appropriate for an appointment as Supervisor of Masonic Education to continue for more than one year. One would be surprised if the majority of districts did not reply in the affirmative to the question: "Were they in fact attempting to make a real effort to enlighten and inform the brethren?" It is not surprising that in a jurisdiction as widely spread as ours, and with a wide diversity of interests, what works in one area is not necessarily successful in another. For example, some districts place emphasis on a study of the work, while others stress the application of Masonry to topics of current interest.

The geography of Ontario influences the kind of program developed. The District Deputy Grand Master of Western District, states that many people "in the south" are unaware of the vast distances in his district and the difficulty in getting around. The Annual Meeting of the District was developed around a work session concept with plenty of time for questions and answers, and proved satisfying to the extent that a similar kind of program will be developed for next year.

In addition to the Syllabus distributed from the Grand Secretary's office to each lodge secretary, copies of "Information for Worshipful Masters and Wardens in Preparation for Responsible Leadership in Masonic Lodges" and the "Glossary" were forwarded to the District Deputy Grand Master for distribution to each lodge in his district. I am certain you will agree with me that over the years the pamphlets that have come from the pen of the Deputy Grand Master, R.W. Bro. W. K. Bailey have added tremendously to Masonic information. It is encouraging to note that two-thirds of the lodges indicate that the material distributed is of significant help to developing educational programs. The Syllabus appears to be making a less significant contribution to Masonic education and only seventeen districts report having used it to any extent at the lodge level. The Committee on Masonic Education takes the view that the Syllabus provides useful guidelines for Masonic education programs, with particular reference to—

- (a) The Preliminary Proceedings of Grand Lodge
- (b) The Fraternal Reviews
- (c) The History of Grand Lodge
- (d) The Book of Constitution
- (e) The Manual for Masonic Instructors and Students

Since only a small fraction of the total membership is privileged to attend the Annual Communication of Grand Lodge, the Syllabus could be an effective guideline in developing programs to share this experience with members of a lodge.

For several years the Committee on Masonic Education has suggested that the following reference books be available and be used by brethren interested in finding suitable background information.

- (a) History of Freemasonry of Canada in the Province of Ontario
- (b) Book of Constitution
- (c) Proceedings of Grand Lodge

The Manual for Masonic Instructors and Students is recommended, but it is out of print at the present time. Lodge libraries will quite likely have a copy of this reference book available. Plans are underway to revise and publish the Manual at an early date.

It is interesting to note in the reports the several different kinds of meetings that have been held during the year. Space does not permit a complete review, but the citing of a few as examples will illustrate some of the approaches used.

Toronto District "6" held a meeting which covered early Masonry in Ontario and its connection with the British Army. The career of a British soldier who joined lodges in the West Indies early in the 19th Century was traced. British campaign medals pertaining to commanders in the field and naval personnel who were Masons of note were displayed. At another meeting arranged by Toronto District "6" a number of timely and pertinent questions related to Masonry were discussed. In Wellington District a three act play was written involving a discussion with a "non-Masonic Friend", the "Investigating Committee" and "After the Initiation". The play proved to be both informative and entertaining. Toronto District "3" presented a soliloquy in which the candidate's thoughts as he prepared for initiation and progressed through the degree and returned to his personal comforts were portrayed.

A number of districts developed Masonic education around an interpretation of "the work" and enjoyed the privilege of having M.W. Bro. H. L. Martyn, Custodian of the Work, assist with the program. Several districts expressed appreciation of the excellent contribution M.W. Bro. Martyn made to Masonic education. The Committee on Masonic Education is deeply grateful to the Custodian of the Work and joins with the brethren in recognizing his great talents unselfishly expended in the interests of the Craft.

The Library Committee again did excellent work under the chairmanship of R.W. Bro. Duncan S. Copus. We are indeed

fortunate to have a library which is such an excellent repository of knowledge. The importance of a strong interaction between the Library Committee and the Committee on Masonic Education cannot be over-emphasized. The use made of the books and slide sets provides an opportunity for the brethren to become more aware of the organization and personalities associated with the Annual Communication. It is encouraging to note the number of books borrowed from the library. It is a practice to be highly commended.

Although it is not associated directly with the work of the Committee on Masonic Education, it would be remiss of me not to make reference to the excellent contribution of Wor. Bro. Peter de Karwin. His skill as an engineer co-ordinated with his appreciation of cultural things finds effective expression in the several presentations he made during the past year. The Masonic application interwoven into the script and the selection of slides is truly a masterful act. I know I speak for hundreds of Masons and many ladies who had the pleasure of being present when I say that the audio-visual presentations such as "Whom the Gods Love" were much appreciated and enjoyed.

And now in summary I think you will agree with me that in matters of Masonic Education, all Masons have a common objective. It seems to me that as a fraternal organization we want to know more about who we are and what we are, not only for ourselves, but for those with whom we associate. In my view we may be encouraged by the efforts of the past year, but not satisfied. I am certain I speak for members of the Committee on Masonic Education when I say that it has been a privilege to serve on this Committee, and that any small contribution we may have made is insignificant when compared with the wealth of Masonic information that can be better understood by each of us with a view to making the world a better place in which to live.

All of which is respectfully and fraternally submitted.

N. R. RICHARDS,
Chairman.

REPORT OF THE LIBRARY COMMITTEE

This report was presented by R.W. Bro. D. S. Copus, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Copus, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario:

Most Worshipful Sir and Brethren:

It is my privilege to present the 39th Annual Report of your Library Committee.

It has been a real pleasure to work with the members of this Committee and to receive their fullest and eager co-operation. As well as the seven Toronto District Deputy Grand Masters, who were introduced to you this morning, we have two other interested members in the persons of R.W. Bros. E. J. Langley and M. J. Damp.

We believe that all the Brethren who have been in contact with our Librarian, either by visiting, telephoning or writing, will agree that Bro. William J. McKee is most efficient, knowledgeable and extremely co-operative. He is assisted in the noon hours by volunteer Librarians and we know that he and the latter have spent hours and hours searching for the correct answers to your enquiries and answering them as promptly as possible. With your forbearance and because of their great contribution, freely given, may I list their names for a permanent record—R.W. Bro. Mel Fleming, V.W. Bro. Charles Gulston, W. Bro. John Petherick, Bros. John Curzon, Prof. T. W. Dwight and Robert Thomas.

V.W. Bro. Gulston has rendered invaluable assistance to Bro. McKee in obtaining assistants, when through illness or holidays the regulars were not able to attend. Both he and Bro. Bob Thomas have faithfully served, ever since these noonhours were established three years ago.

Most Worshipful Sir, I make no apologies for presenting these Brethren, as they are the Brethren who make the Library the viable institution it is.

May I inform, again, the Brethren that borrowers by mail, may return the books to us at no postage cost to them, in envelopes we supply. We continue to have preferred postal rates in shipments to and from the Library.

It has been pleasing to see in the many Lodge Buildings we have visited, throughout the Province, our information posters, prominently displayed. However it would be more pleasing to report there has been a consequential increase in books borrowed. The number has remained static over the past two years after the rather sensational increase three years ago.

We are happy to report an increase of 28% in the number of registered visitors seeking information and doing research.

One District and a number of Lodges have taken advantage of our willingness to open the Library on nights convenient for them. We recall the occasion when R.W. Bro. Jim Gerrard and Bro. Sydney Browell, Mentor and President of the Wardens' Asso-

ciation, Toronto District 1, had dinner, a business meeting and then into the Library to have Bro. McKee speak to them. Thirty-eight out of a possible forty Wardens were in attendance.

As R.W. Bro. Gerrard stated "It is almost ridiculous that your Committee should have to plead with Lodges to spend such an interesting and informative hour or two."

As a number of new books have been added, we recommend that this Committee give serious thought to publishing a new catalogue, with possibly more detailed information or summary on the more instructive and interesting books.

We have assisted a few Lodges in establishing a small library of their own. More Lodges might be doing so and we would be most happy to assist them.

A very simple and easy way to do so would be apply for membership in the leading research Lodge in the world, the Quatuor Coronati Lodge, No. 2076, in London, England. Entrance fee \$2.50—Annual dues \$5.00, for which you would receive their annual publication, a book of over 350 large pages, discussing the most varied of Masonic matters. You will have heard on occasion R.W. Bro. W. K. Bailey recommending this as the finest foundation for any Lodge Library. So cheap in cost, so rich in information and in a relatively few years such an accumulation of modern thinking on our traditions. For your assistance in subscribing write to J. S. Basarke—58 Sandbourne Crescent, Willowdale, Ontario, telephone 491-6442.

May we again express our sincere appreciation for the very real co-operation we have received from R.W. Bro. Rick Richards, Chairman of the Masonic Education Committee. It is most important that we work in close conjunction and mutual understanding.

Brethren who visit our Library are always impressed with its immaculate condition. For this we are indebted to R.W. Bro. Roy Baylis, President of the Masonic Temple Corporation and to his faithful staff. We extend our most affectionate appreciation to Miss Edith Abbott, who has increasingly become our receptionist, telephone operator and friend.

For over 25 years, if I may be personal, it was my good fortune to have known, respected and loved M.W. Bro. Ewart G. Dixon. His advice to me as Chairman of this Committee for the last three years, as the Master of my Lodge, as a D.D.G.M. years ago, will always remain as treasured memories. As all of you have had, I had mixed feeling on his retirement—joy that he had the very real relief that comes when one throws off heavy official duties, but regret that we would not be in as close touch in the future. May God Bless this Brother who has contributed so much, to so many over so many years.

This year, for your Library Committee, may be described, if I may paraphrase Dickens' words in the Tale of Two Cities—

"It wasn't the best of times, but it certainly wasn't the worst of times."

The most significant development regarding this Committee's activities was the production of a 25-minute programme of coloured slides of last year's Grand Lodge Proceedings and the personalities at it. Because many cannot come to Grand Lodge—we wanted to bring Grand Lodge to them—to the individual Lodges—to those Lodges over 200 miles from Toronto and in particular to our faithful Brethren in the Northlands.

In planning this production your Chairman was rather naive in believing it would be a simple task. We met one week after the close of Grand Lodge—to cull the 350-35 mm coloured slides taken on Wednesday, to the more practical number of 75. It was three months later before we had ten sets complete with commentary in printed, taped and cassette form.

Since the first of the year they have become so much in demand that we have had some difficulty in scheduling available dates. They have been popular at Ladies', Emergent and Educational Nights, also after Regular Meetings at the Banquet Hour.

With the purpose of encouraging more Lodges to borrow them free of any cost, may we give you a few comments from Brethren who have shown them.

R.W. Bro. Fred Scott, D.D.G.M. Hamilton "A" District—"Believe me they were well received by close to one hundred Masons at our Lodge of Instruction."

R.W. Bro. H. W. Mayhew, Chairman Masonic Education, Renfrew—"They fulfil a great lesson and need, particularly to those who have not been at our annual Convocations."

W. Bro. Jack Cherry, Secretary, Speed Lodge, Guelph—"A very pleasurable highlight in our Education Night. R. Wor. Bro. Earl Wilson added to your commentary with his personal friendship and knowledge of so many Grand Lodge Officers."

Wor. Bro. Charlie Grimwood, Chairman, Entertainment Committee, Concord Lodge, Preston—"The whole show was extremely well done, of great benefit to those who have not attended Grand Lodge, and of great interest to those who have—a production all of us can be justly proud."

R.W. Bro. Eldon H. Guthrie, I.P.G.R., Ancient St. Johns Lodge, No. 3, Kingston, Ontario—"Many fine comments by our members—one that stands out 'The best Lodge meeting I have attended for years.' Grand Lodge can well afford to expand this type of material."

W. Bro. William H. Robinson, W.M. Dentonia Lodge, Toronto—"Likewise it is a tribute to the progressive thinking of Grand Lodge."

And many others —

R.W. Bros. George Turner, Windsor, and Cam Steele, of London, purchased sets so that they were freely available to any Lodge in their Districts.

The production was made possible by the ingenuity and skill of a few "professional" amateurs in the persons of these Masonic Brethren who gave freely of their time and talents:

Photographers—Wor. Bros. Clint Craig, Ken Heller, Harvey Jackson, Jack Mackie and the late Ray Gamble.

The Commentator—Wor. Bro. Bert Petch.

The Tape and Cassette Production—Wor. Bro. Peter De Karwin.

This was the first, shall we say "amateur" attempt. We can see ways of improving them and have greatly appreciated the constructive suggestions received.

Your Committee recommends that every second year a similar programme be produced. One set to be retained in our Grand Lodge Archives for a permanent record of those persons who are and who have contributed so much to Freemasonry.

The foregoing is one facet of your Committee's life. However our main function is to extend knowledge. The satisfaction of learning for its own sake is something too many of us neglect. Learning for the sheer pleasure of learning is very enriching.

All of which is respectfully and fraternally submitted on behalf of this Committee.

DUNCAN S. COPUS,
Chairman.

REPORT OF THE COMMITTEE ON THE CONDITION OF MASONRY

This report was presented by R.W. Bro. W.M. Gordon, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Gordon, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on the Condition of Masonry through its Chairman desires to express its gratitude for the privilege it has enjoyed of having served in this capacity, and is now pleased to present for your consideration its Report for the Masonic year just now drawing to a close.

The basis for this review is gleaned from the Reports that have come in to the Most Worshipful the Grand Master from the District Deputies throughout the length and breadth of the Grand Jurisdiction. It is not unexpected therefor that they cover many fields of Masonry, and in them are to be found many refreshing and hopeful prognostications for the Craft, and as well some discomfiting facts to be faced for the future.

The grateful appreciation of Grand Lodge is at once proffered to the District Deputies for the fine work and efforts put forth by them in the discharge of their duties. All kinds of conditions were faced affecting lodge membership and attendance from racial and language changes in the Eastern areas to unemployment in others. The thanks of Grand Lodge should be expressed for the work of the District Secretaries, the District Chaplains, and the Chairmen of District Committees — Education, Benevolence, Blood Donors. All have contributed much to the well being of the Craft, and all have well and truly earned their preferment.

The District Deputies were requested this year to direct their reviews more specifically to finance, condition of lodge buildings and matters pertaining generally to the Spirit of the Order. This has been done and the District Deputies are to be commended on the intimate picture presented.

Outstanding in the Reports is the pride felt throughout the year by the Craft in all the Districts in the performance by the "Chief Head and Ruler of the Craft" the Most Worshipful the Grand Master. He has discharged his duties and fulfilled all the obligations of his high office with the courage, dignity, conviction and ability that has fortunately for the fraternity characterized the Most Worshipful the Grand Masters down through the years.

As well too the Deputy Grand Master has carried out his duties with that zeal and assiduity for which his Masonic career has always been noted. His assistance and timely attendances and advice particularly in matters of ritual and education have always been readily available and has done much to compliment the activities of the Custodian of the Work, whose interest has also been constant throughout the year.

For the sake of brevity in this Report, and more effectively to draw attention to matters that come to the forefront in the District Reports and now should become of real concern to Grand Lodge we will not attempt to set forth in detail such matters but

will endeavour to outline in general terms the items such as lack of attendance at lodge meetings, lack of applications for membership in the Order, lodge finances and dues, accounting practices, and the use to be made of lodge buildings exclusive of lodge rooms for other than lodge meetings.

In dealing with the falling off in lodge attendance the suggestion is made that the Worshipful Masters should with their officers, and Past Masters continue even more vigorously than before the organization of the lodge work and their lodge banquets so that the lodge meetings will be the cause of favourable and enthusiastic comment from the members. It is also thought that friendly phone calls prior to the meetings by a lodge committee would be helpful. An attendance committee could be the most potent committee of the Lodge. Another feature is that candidates for Masonry should be more effectively screened to make as certain as possible to the members of the Examining Committee that the candidate is worthy.

The image of Masonry in the Community has a great deal to do with applications for admission to the Order. District Church Services and the work done by the District Chaplains are effective in creating a favourable image. The efforts during the past year of the Grand Chaplain R.W. Bro. Rev. J. E. G. Houghton are to be highly commended. He had proved himself a worthy successor to the many fine members of the Clergy who have preceded him in that post.

Well conducted Ladies' nights too cannot be overlooked and contribute to the Masonic image in the eyes of those from whom applications for membership might be expected. Our brotherhood may be said to be handicapped in respect of applications for admission because of the tradition that membership is not solicited except perhaps by example. This raises the question, should condemnation ensue because a Mason suggests to his friend the moral benefits of becoming a member of the Craft. Several lodges will see a year pass without receipt of an application for admission and one lodge has not received an application in three years. Lack of attendance seems more noticeable in the urban than in the rural lodges. In Eastern Ontario too the influx of the French Canadian has had an effect on lodge attendances. Then again certain related Masonic groups make membership in a Craft Lodge a requirement of entry, but following membership in the related group there seems to be a tendency to attend meetings of the related group to the detriment of the Craft Lodge. Perhaps by agreement acceptance for membership in the related group could be allowed only after a period of say five to ten years in a Craft Lodge.

Dealing with lodge membership again the matter of suspensions for non-payment of dues is becoming of increasing importance. It is suggested that an active committee of the lodge composed of the more mature Masons including, if possible,

the sponsors, should interview the Mason who has defaulted in order to work out some method of maintaining his membership.

Your Committee in all humility suggests to the District Deputies that the importance of the Grand Lodge Committee on Audit and Finance should be emphasized and a District Committee of Audit and Finance be appointed to deal with such matters as lodge finances, dues, life memberships, suspensions for non-payment of dues, lodge buildings and the use thereof over and beyond the use by the lodges as such. These matters are becoming of increasing importance and decisions with respect thereto cannot be longer delayed. It is reported many lodges are now living on their reserve funds. It is recommended that Grand Lodge should direct all lodges to use uniform accounting methods.

By the deference and respect shown to the District Deputy on the occasion of his annual visit to the lodge, the Reports indicated the high regard, respect and esteem in which the Grand Master is held, and as well those holding office as his representatives. This visit is the great occasion in the lodge for the District Deputy and his address is always anticipated by all members. This is his opportunity to convey a message and any appeal by District Chairmen on such an occasion might well be made on another occasion. It is at this meeting frequently that the Grand Lodge potential of the District Deputy shows, and he should not be hampered in this respect.

All the Reports are unanimous that the spirit of Masonry is in good condition, and with but few exceptions the outlook for all the lodges is good. Your Committee can report with assurance that the Worshipful Masters and their officers under the guidance they have received from the District Deputies, the Custodian of the Work, and their Past Masters are conscious of the admonition received by the Worshipful Master on installation that the honour, reputation and usefulness of the lodges materially depend on the skill and ability with which they manage its affairs. It can be said too they are promulgating with zeal and assiduity the genuine tenets and principles of the fraternity. As was stressed by the Most Worshipful the Grand Master in his address at the reception in his honour by the two Hamilton Districts on April 30, 1971, we must not allow Masonry to founder, by worship of the form of the institution but we can maintain our fraternity in good health by a full understanding of its substance and its force, and the practice of its principles.

One cannot leave this review without remarking on the importance to the Craft, and to its future, of the lives led by individual members of our fraternity. May their lives all be truly Masonic! Each member of the Craft is the custodian of its many excellencies and of its future, and the practice of its principles will assure our beloved fraternity of a usefulness to mankind extending far beyond the horizon of the years ahead.

It is with concern that your Committee refers to the announcement of the acceptance by the Grand Master of the resignation of Most Worshipful Brother, Ewart Gladstone Dixon, as Grand Secretary. For over one-third of a century the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario has been well and faithfully served by this distinguished man, and Mason. His unfailing and assiduous attention to his office over and beyond the call of duty has earned for him the esteem and respect of all in this Grand Lodge, and beyond. He gave of his best — a wonderful best — to the fraternity and as he lays down the tools of his long career he can rest assured he has the esteem and respect of us all in this Grand Lodge, and throughout the Masonic World. We all hope that “Ewart” as he is affectionately known to us all will long be spared, and we can all join in saying:

Kindly, lightly, on your shoulder
may Time's finger rest

Sparing you the bitter things,
and giving you the best,

Life deal gently, Fortune smile on you
and yours, our friend,

And Happiness go with you till
you reach the journey's end.

Respectfully and fraternally submitted,

W. M. GORDON,
Chairman.

REPORT OF THE MASONIC FOUNDATION OF ONTARIO

V. Wor. Bro. A. C. Ashforth presented the following report. On motion of the Deputy Grand Master, seconded by V. Wor. Bro. Ashforth, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

In order that the aims and objects of The Foundation may become better known, a booklet entitled “Yes, there is a Masonic Foundation of Ontario” has been published. Wide circulation of this booklet is desired because there seems to be a lack of knowledge of its activities and purposes amongst members of the Craft. If you have not obtained a copy, please ask your Secretary for one.

You will learn from it what The Foundation's present objectives are. While The Foundation is empowered to engage in almost any form of charitable endeavour, the Directors have felt that the greatest contribution The Foundation can presently make is the granting of non-repayable bursaries to worthy students attending Ontario Universities, or Colleges of Applied Arts and Technology, who find themselves in financial difficulties and unable to complete or continue their education without financial assistance. It may well be described as a "crisis" plan. The majority of the bursaries awarded have been in the range of \$150. to \$500. Last year 34 students, from 13 Universities, were helped to the extent of \$7,220.

Again a feature this year, was the participation by some of the District Deputy Grand Masters, and Worshipful Masters, who met students in their district and presented award cheques. We extend our thanks and appreciation to them for their involvement.

Time does not permit the reading of all the fine letters of gratitude received from the students, but I would like to make reference to one of the students involved. In October last R.W. Bro. David R. Bexton, D.D.G.M., Chatham District, and Wor. Bro. Jack Ford presented an award cheque for \$200. to a student to enable the latter to complete his legal education at the Bar Admission Course at Osgoode Hall. In March of this year this student was a gold medallist and tied for first place in the graduating class. He was awarded the Roland Daly Scholarship, the Law Society prize and the Lawyer's Club Award. He also won the Criminal Procedures Award. Since graduation he has been appointed an Assistant Crown Attorney in this Province. Bro. Bexton when informing The Foundation of the foregoing added,

"When you read of accomplishments such as these and feel that you have had some very small part in helping them become realities, it certainly points out the value of The Foundation."

I only trust we may be able to be of assistance to many more such students.

In addition to helping students, The Foundation is favourably disposed toward making donations to medical and scientific research, when funds become available. During the past year The Foundation was able to make a donation of \$1,000. to the Ontario section of the Multiple Sclerosis Society of Canada toward its research programme.

I should like to point out that the work of The Foundation does not in any way intend to encroach upon the private activities of individual lodges, nor the work of the Benevolent Committee of Grand Lodge. In fact The Foundation is working closely with the Benevolent Committee.

I now wish to refer to the Balance Sheet. Total assets at the year end had a book value of \$177,142.81 an increase of \$2,093.24 over the preceding year. Total income amounted to \$12,430.56 of which \$10,237.32 came from investments. Received was a bequest of \$500. from the Estate of the late M.W. Bro. Treleaven. Seven lodges sent in contributions totalling \$300.53, memorial contributions accounted for \$302.71, and eleven individuals gave a total of \$1,090. We are deeply grateful for this much appreciated financial support. Expenditures for the year equalled income, consequently there was no surplus. Fortunately an improvement in the bond market reduced the deficit between the book value and market value of the investment portfolio by \$19,147. and brought the deficit down to \$17,038. No ultimate loss is expected as the bonds normally will be held to maturity.

In conclusion I wish to thank V.W. Bro. Hugh Hastie, our competent Secretary-Treasurer, for his devoted and untiring efforts during the year. Also R.W. Bro. James Talman for his efficient and painstaking investigation of applicants for Awards, and to R.W. Bro. Cleeve Hooper, Vice-President, for his wise counsel, sound advice and his readiness at all times to be of help. Thanks are also extended to all members of the Board, who always keep the aims and objects of The Foundation in mind, and render much appreciated service.

Respectfully and fraternally submitted,

A. C. ASHFORTH,
President.

REPORT OF THE COMMITTEE ON BENEVOLENCE

R.W. Bro. E. W. Nancekivell presented this report and on motion of the Deputy Grand Master, seconded by R.W. Bro. Nancekivell, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It has been said that Benevolence is the third of the important precepts in Masonry, the first being a belief in a Supreme Being and the second, loyalty to our country and being a good citizen. Masonic Benevolence consists of two types; first, that of being a close friend or comforter to a brother or his family in distress—a provider of counsel and help in time of need, i.e. legal aid, medical advice, vocational guidance, business advice or more simply a sympathetic understanding of trials and difficulties. The second

type is strictly financial and is often less personal even though of great value in time of adversity. Both these types are practised by good Masons everywhere and constitute an important component of that familiar Masonic precept of brotherhood.

The ancient Hebrew scholastic philosopher Maimonides composed a Golden Ladder of Giving consisting of eight Steps of Benevolence, as follows:—

1. "To give reluctantly, the gift of the hand, but not of the heart.
2. "To give cheerfully, but not in proportion to need.
3. "To give cheerfully and proportionately, but not until solicited.
4. "To give cheerfully, proportionately, and unsolicited, but not to put the gift into the poor man's hand, thus creating shame.
5. "To give in such a way that the distressed may know their benefactor, without being known to him.
6. "To know the objects of our bounty, but to remain unknown to them.
7. "To give so that the benefactor may not know those whom he has relieved, and they shall not know him.
8. "To prevent poverty by teaching a trade, setting a man up in business, or in some other way preventing the need of charity."

During this past Masonic year, the statistics of benevolence were, as follows:

Grants paid (198)	\$ 60,860.00
Interim Grants (19)	4,300.00
Total	\$ 65,160.00
Less Cancellations and Refunds	2,651.72
Net Total	\$ 62,508.28

There were also Emergency Grants of \$246.88.

Our meeting between Grand Communications was held in the Grand Lodge Administration Building in Hamilton on June 4th and 5th and went for a total of approximately 8 hours. There were 165 applications carefully considered, of which 24 were new cases, and we have yet to receive 21 applications not submitted to date. I have listed a table here of statistics for the past 5 years and you will note that although the number of cases has remained fairly constant, the average grant has risen somewhat for the last three years showing an upward trend in Benevolence in spite of increased financial assistance from Governmental sources, especially to our older recipients.

Year	Total No. App'ns	New App'ns	Total Net Grants	Average Grant (Approx)
1966-7	213	34	\$57,066.05	\$221
1967-8	207	31	\$50,569.22	\$244
1968-9	197	24	\$66,435.00	\$337
1969-70	200	30	\$62,273.69	\$311
1970-71	198	24	\$62,508.28	\$311

After due consideration it was felt that a sum of \$65,000 should be appropriate for Benevolence in 1971-2.

On behalf of the committee, I express regret at the rather sudden passing of our late Supervisor of Benevolence, R.W. Bro. George J. McQueen. For the final time may we record in this annual report the boundless zeal and sympathetic handling of all applications for Benevolence of our Supervisor, who served Grand Lodge and the cause of Benevolence faithfully and well for 18 years. We are fortunate to have in V.W. Bro. James Guy a most fitting new Supervisor of Benevolence, well qualified in personality, sympathetic interest, energy and training in the Grand Lodge Office to carry out his new duties, and who has demonstrated this most satisfactorily in his work to date.

The system of having District Chairmen of Benevolence is working out very well for the second year since these worthy brethren were appointed by the D.D.G.M. of each district. I commend them for their efforts and at the risk of naming some individuals especially, would mention R.W. Bro. Clifford Wonfor of Toronto District 1; W. Bro. A. S. Chapman, Toronto 6; W. Bro. M. Stoodley, Wilson District; V.W. Bro. D. L. Elliott, St. Lawrence District; and R.W. Bro. D. A. McInnis of Windsor. Fifteen of the District Chairmen are serving their second year of office.

May we once more bring to the attention of Lodge Secretaries that although most of the applications were well filled out, in a considerable number some essential details of assets, income, and liabilities were omitted, which adds to the difficulty of the Committee in endeavouring to assess the requirements of the applicant. It was proposed that the Lodge Secretaries submit the applications to the District Chairmen of Benevolence by the first of May each year, so that he can review them, obtain any additional information and submit them to our Supervisor of Benevolence at Grand Lodge by the usual date of June 1st.

A resolution was also adopted at our meeting in Hamilton to have V.W. Bro. James Guy, Supervisor of Benevolence, arrange to meet the District Chairmen of Benevolence, in groups, throughout our Grand Jurisdiction in September and October, in order to instruct them on their duties and answer any questions relative to Benevolence in the respective districts. This has been done by letter for the past two years but it was felt that a meeting between the Supervisor and the District Chairmen early in the latter's

term of office would be of considerable benefit. The advisability of having an incoming D.D.G.M. reappoint a District Chairman of Benevolence, if he sees fit to do so, was agreed upon, to provide some continuity in office.

May I again detail an individual case of Benevolence, so that you may realize the type of problem with which we are faced and the action taken.

An elderly brother residing in Hamilton became unable to pay his lodge dues to a lodge from another area, and after his dues were remitted by the lodge, the lodge chairman contacted V.W. Bro. Guy, who found this elderly brother and his wife living in a very unsatisfactory apartment, poorly illuminated and with no heat in a portion of it and little money for the necessities of life (after paying the rent) from the Old Age Security Pension paid to our brother. His wife is too young to receive this yet and is unable to work because of glaucoma which has seriously damaged her vision. At present V.W. Bro. Guy is investigating the possibility of obtaining a Disabled Persons Pension for the wife and getting them both into a Senior Citizens Apartment where rent is very reasonable. Meanwhile, an emergency grant, and later an interim grant, was made to this unfortunate couple. Two of the lodges sent baskets to them at Christmas, one of our senior brethren who shall be nameless sent them a most generous gift and W. Bro. Clayton Malchow, our Hamilton District "B" Chairman of Benevolence, is making monthly calls on them to ascertain their needs and demonstrate an active Masonic interest in their welfare. This is a fairly typical example of the need and fulfilment of Benevolence.

The following bequests and donations are gratefully acknowledged.

Victoria Lodge, No. 299	\$ 10.00
Georgian District	\$ 15.00
Doric Lodge, No. 382	\$ 20.00
Mrs. Janet Hendry	\$ 100.00
Individuals to George J. McQueen Memorial	\$ 385.00
Elmer J. Sirrs Estate	\$2,591.91

Your Committee again recommends continuing membership in the Masonic Relief Association of the United States and Canada.

May I, as Committee Chairman on your behalf, express our sincere gratitude and appreciation to each of the Committee members for his cheerful, diligent and careful cooperation in our work of Benevolence. This most pleasant work in assisting others of our brethren and their families, in helping them in their distress and in any way possible to make life for them more enjoyable or at the worst, more tolerable, proceeds apace and constitutes

one of the most important and, at the same time, one of the most stimulating and satisfying facets of Masonry.

Respectfully and fraternally submitted,

ERIC W. NANCEKIVELL,
Chairman.

REPORT OF THE BLOOD DONORS' COMMITTEE

This report was presented by R.W. Bro. G. E. Turner, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Turner, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario:

Most Worshipful Sir and Brethren:

I have the honour and privilege of presenting the report of the Blood Donors' Committee for the Masonic year 1970-1971.

Two districts have seen fit to honour the Chairman of last year's Committee by electing them as D.D.G.M. of their respective districts. R.W. Bro. J. A. Pell of Ottawa District 1, and R.W. Bro. Grant Oldham for Toronto District 6. We wish to congratulate them on their honour and hope that they have had a successful and rewarding year.

Your Committee wishes to thank all the District Deputy Grand Masters for their promptness in appointing their Chairmen and for their very wise selections. The support which they afforded the work of the Blood Donors' Committee this year is greatly appreciated and we trust that their successors will continue to give the same support.

Following is a list of the Districts together with the number of donors, compared with last year.

This year 17 of last year's Chairmen have seen fit to continue in office and your Committee extends to them our most sincere thanks. The success of your Committee has depended to a great extent on the continuity with which the Chairmen serve. I wish to impress upon the newly-elected D.D.G.M.s that if the Blood Donor Chairman of the District has done a successful job please ask him to continue to act as Chairman—it will be very rewarding to your year. It is only in this way that success can be accomplished. Wor. Bro. W. J. M. Fuller of London and R.W. Bro. Chas. Heels of Victoria District have now completed 10 years of loyal service to your Committee. R.W. Bro. J. Cal Krauter of North Huron District, R.W. Bro. Clare A. Reith of South Huron District and V.W. Bro. J. L. Griffith of Wilson District have each devoted 8 years to the Committee. Several others have faithfully served your Committee for some years and to all of them we extend a very sincere "thank you".

It is interesting to note that the Chairman of Hamilton "B" this year is none other than V.W. Bro. William Hoyle of Electric

Lodge, No. 495, who, in 1941, organized the first group of blood donors (Masonic) in Hamilton for the purpose of making available, gratis and at short notice, blood transfusions for those who found the costs of such service burdensome or prohibitive. At the disastrous Moose Hall fire in Hamilton this group of public spirited Masons supplied, on a few minutes notice, fifty donations of blood to the victims of that fire. Thus began the first Masonic blood donor group. We welcome him to your Committee and congratulate him on 30 years of service to humanity.

The largest number of donations, 911, was reported from Toronto District 1, and we congratulate Wor. Bro. David C. Reddie for his great effort. The greatest increase was in the Sarnia District with an increase of 126 and Wor. Bro. Donald E. Young is deserving of congratulations. I wish to thank all the Chairmen for their loyalty and interest. No one knows whose life he might be saving by donating his blood once or twice a year.

Your Committee wishes to thank the Grand Secretary and the members of his staff for their assistance with this report, they have been so kind and thoughtful.

All of which is respectfully and fraternally submitted on behalf of this Committee.

GEORGE E. TURNER,
Chairman.

REPORT OF THE COMMITTEE ON WARRANTS

This report was presented by R.W. Bro. B. M. McCall, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. McCall, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on Warrants begs to present its report for the past year. This Committee consists of M.W. Bro. E. G. Dixon, R.W. Bros. T. E. Greenaway, G. R. Bruce, James Speirs, K. G. Luther, W. J. R. Harrison, K. J. Wepler, D. R. Bexton, J. G. Hamilton.

It is with regret that your Committee reports that there are no new lodges under Dispensation or likewise seeking warrants. In view of the fact it is generally agreed that the smaller lodges

have proven to be in a position to create more interest and activity within their entire membership. It is with concern that we see the continual decline in the total membership of our Grand Jurisdiction and feel that we should, as Lodges as well as individual members, undertake to review ourselves and see if we can discover the reasons causing this lack of interest or loss of magnetism.

Your Committee would suggest that each Lodge in our Grand Jurisdiction form a committee of three of its most interested and dedicated members to make a study and survey of its membership to see if there are ways that we may improve our attendance, and strengthen our membership. A copy of these findings could be forwarded to our Grand Lodge Office and a comparison be made of the problems in each Lodge in our Grand Jurisdiction.

Your Committee would likewise repeat in brief usual directives given in previous years.

1. Copies of Lodge summonses be retained and periodically bound.
2. Each Lodge appoint a brother as historian to record historical notes and be placed with the records of the Lodge.
3. Each Lodge provide a fireproof receptacle to accommodate the minute book, by-laws, membership ledger and history of the Lodge.
4. Lodge Secretaries use marginal notes in recording their minutes of each meeting, which minutes must be kept in a properly bound book.

Finally, your Committee on Warrants wishes to express their appreciation to the Secretaries in our Grand Jurisdiction for the dedicated services they are rendering to their Lodge, and particularly extend our appreciation to M.W. Bro. Dixon, a dedicated member of this Committee, who recently retired as our Grand Secretary. M.W. Bro. Dixon served us for 34 years. May the Most High grant him many more years.

We can best express our feelings toward him by the poem which goes like this:

"God give us men a time like this demands."

Respectfully and fraternally submitted,

BRUCE M. McCALL,
Chairman.

REPORT OF THE COMMITTEE ON FRATERNAL DEAD

This report was presented by R.W. Bro. J. J. Talman, Chairman, and on motion of the Deputy Grand Master,

seconded by R.W. Bro. Talman, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario:

Most Worshipful Sir and Brethren:

Each year, inevitably, we lose many Brethren through death. While mourning their loss, we give thanks to the Great Architect of the Universe for their life here on earth, their services to the Craft and to their fellow men, their companionship and friendship with us, and the example they have left for us to follow.

As we name Right Worshipful and Very Worshipful Brethren, let us also recall our debt to the many who did not attain to Grand Lodge Office but who also served well in their own sphere.

These Tablet Pages

Are inscribed and fraternally dedicated

in memory of

Our Departed Brethren

REPORT OF THE COMMITTEE ON PRINTING AND SUPPLIES

This report was presented by R.W. Bro. J. B. Sainsbury, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Sainsbury, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario:

Most Worshipful Sir and Brethren:

Your Committee on Printing and Supplies, consisting of Rt. Wor. Bros. J. U. Brown, J. A. Pell, N. A. MacPherson, G. M. Kirkham, W. J. Anderson, R. W. Norris, J. L. Carter, A. H. McGuire and the Chairman, begs leave to submit the report on expenditures referred to the attention of the Committee for the year ended April 30th, 1971, as follows:

Constitutions for resale	\$ 4,039.00
Proceedings and postage	6,361.40
Grand Lodge Bulletins (3 issues and postage)	6,953.48
Printed forms, circulars, records, office stationery and supplies	2,860.88
Musical Rituals for resale	2,040.36
Syllabus for Masonic Education	94.78
Special booklets published by the Masonic Education Committee and postage	300.19
Fraternal Reviews (3,200)	1,555.05
Preliminary Reports (3,500)	2,409.62
	<hr/>
	\$26,614.76

At the last Annual Communication your Committee pointed out that expenditures coming under its review had climbed to a record high although some \$2,000 covered items considered non-recurring. The overall decrease of \$3,200 in the figures submitted

herewith, however, conceals certain increases which leave no room for complacency. Printing and distribution of three issues of the Grand Lodge Bulletin has jumped \$1,600 while the cost of the Annual Proceedings is up \$600. Other smaller increases totalling \$400 are also noted. Musical Rituals purchased for resale is an item which should not recur for many years as the quantity ordered was quite substantial.

The supply of Works purchased for resale, which required expenditures of \$5,000 in each of the previous two years, should be sufficient to satisfy requirements of the Constituent Lodges for some time to come. There are other items which must be secured in the coming year and it appears likely that costs will continue near the present level. Steadily mounting prices of materials and printing must be carefully checked before new orders are placed if our expenditures are to be kept within reason. Your Committee is confident that this will be done by those responsible.

The co-operation of the Chairmen of the various committees in the prompt submission of their annual reports is much appreciated.

In acknowledging once again the assistance so ably given by the Grand Secretary's staff your Committee wishes to express a special word of thanks to Most Wor. Bro. E. G. Dixon on his retirement for the many courtesies he has extended to your Chairman and his predecessors during his long term of office.

Respectfully and fraternally submitted,

JOHN B. SAINSBURY,
Chairman.

REPORT OF THE ADVISORY COMMITTEE ON LODGE BUILDINGS

This report was presented by V.W. Bro. E. C. Horwood, Chairman, on motion of the Deputy Grand Master, seconded by V.W. Bro. Horwood, was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario:

Most Worshipful Sir and Brethren:

This past year has been a rewarding experience for the members of your Advisory Committee on Lodge Buildings. We have examined the drawings, not only of the several remodelling projects, but also a variety of solutions for proposed new Temple Buildings. We have had meetings with one or members of Building Committees to whom we have pointed out the necessity for following the Method of Procedure and Regulations of Grand Lodge, and, we have assisted in solving some of their problems. We have, also, had to look at a problem which had never come to the attention of the Advisory Committee before, namely, the installation of an Incline Chair Stair Lift.

Having had experience in installing an Incline Chair Stair Lift in a private dwelling but not in a Masonic Temple, we knew that it would be prudent to consult The Elevator Engineering Branch of the Department of Labour. The following are some of the requirements of that Department:

Re Elevator and Lift Act
Incline Chair Stair Lift

- (1) Drawings and specifications to be submitted and approved before installation is commenced.
- (2) Installation is to be done by a contractor that is registered with this Department, or by the owner's full-time employees.
- (3) Installation to be inspected and approved in the field by this Department prior to operation.
- (4) Licence to be obtained.
- (5) The equipment would be limited to those persons only who were incapacitated, and who had submitted a Doctor's certificate in this regard.
- (6) The Lift must be key-operated, constant-pressure type.
- (7) The Lift should consist of new equipment, rather than second-hand.
- (8) Clearance of approximately 36" to be provided on this stairway adjacent to the equipment.
- (9) Lift to be kept in a safe condition by periodic servicing by knowledgeable and competent persons.
- (10) An attendant should be in charge when the lift is being used.
- (11) Section A3 of C.S.A. Code B44-1966 to be fulfilled.

Since the last Annual Communication of Grand Lodge, several Past Masters and Past Grand Lodge Officers have told us of fire-traps they have seen in some Temples, due to the lack of proper fire exits and fire escapes. These Brethren were aware that such conditions were and are not in accord with the regulations of Grand Lodge nor the regulations of the Ontario Fire Marshal, and they were really concerned about the existing conditions.

Your Committee has pointed out to these Brethren that Grand Lodge is most anxious to have these unsatisfactory conditions remedied as soon as possible. Further, we pointed out that Grand Lodge had approved certain requirements which were tabulated by the late R.W. Bro. Geo. T. Evans in the Bulletin LB1(1967). These requirements are not unreasonable but are a summary of good practice as outlined in First Class Building Codes, The Fire Underwriters of America, and the Fire Regulations of Ontario.

We pointed out to one P.D.D.G.M. that if the stair tower in his Temple were on fire or filled with smoke, there was absolutely no way for the Brethren to escape from the lodge room which has

no windows nor a fire escape. We pointed out to the Brother how easily a fire exit from the lodge room by a fire escape to grade could be installed.

Over the past many years we have attended meetings in Temple Buildings or Lodge Halls where the following conditions existed, and no doubt still exist, namely;

- (1) The fire exits have not been regularly and properly maintained.
- (2) The stairs are not properly enclosed according to today's standards.
- (3) There is no exit from the Banquet Room, and
- (4) The heating equipment is not enclosed in a properly protected furnace room.

Your Committee is always glad to meet representatives of lodges or Temple Boards who are in trouble. However we must emphatically point out that there are certain things which this Committee cannot do. For example, one kindly Brother asked us if it were possible for this Committee not to enforce to the letter, some of the requirements of Grand Lodge. In this particular case, the lodge had lost its Hall by fire. Unfortunately we had to tell him that we too had to abide by the rules and regulations of Grand Lodge. Furthermore, we had to tell him that, while under certain circumstances, some minor easements of some of the regulations might be considered by the whole Committee, there were certain regulations which this Committee could not alter under any circumstances whatever, such as the Fire Marshal's Regulations.

This Committee would feel that their work had not been in vain, if some Brother, or Brethren, knowing of conditions of some lodge buildings which do not meet the rules and regulations of Grand Lodge nor the Fire Marshal's Regulations, would consider it his duty to bring this to the attention of the Master of the Lodge and would warn the members that their lives would be in jeopardy if a fire should occur. Furthermore, he should encourage the Master and the Brethren to have these unsatisfactory conditions remedied as soon as possible.

Your Committee recommends that every newly Installed Master should make a survey of his Temple Building and should examine the fire exits and fire escapes from his lodge room and banquet room to see that they meet the requirements of Grand Lodge as set forth in Bulletin LB1(1967) and the Fire Marshal's Regulations. These two Bulletins may be obtained on request from the Grand Secretary. If the Master finds that the lives of the Brethren would be in jeopardy if a fire should break out because of conditions which are not in accord with these regulations, we recommend that he call a Special Emergent Meeting to discuss the dangerous situation, and to point out that not only is Grand

Lodge very definitely concerned with the safety and comfort of the Brethren and any others using the Temple, but also that the Brethren themselves should be concerned about their own safety. The Master should see that a Building Committee is formed and is given authority to get the necessary work done without delay, for if nothing is done and a fire should break out with a loss of life, the Master would feel, at least, that he had done something. If nothing is going to be done at once to remedy the conditions, the Master should write the Grand Secretary asking for directions from Grand Lodge.

If the Brethren would refer to the Grand Lodge Proceedings and read the reports of the late R.W. Bro. Geo. T. Evans, Chairman of the Advisory Committee from 1958 to 1969 inclusive, they will find that Grand Lodge is primarily interested in the safety and comfort of the Brethren while attending Lodge. Believe me Brethren, it is also a matter of great concern to the members of this Advisory Committee.

From our observations and inspection of drawings submitted to this Committee for checking, comment and/or approval, we must comment on two points regarding stairs, as follows:

- (1) In many cases certain requirements laid down in the Fire Marshal's Regulations as far as they apply to Lodge Buildings, such as the enclosing of the staircase with the proper type of enclosing walls, ceilings, landings and fire exit doors with the proper type of hardware have been ignored, nor have cupboards been eliminated from under all parts of the stairs.
- (2) The slope of the stairs is frequently too steep, making it a difficult stair for our elder Brethren. This undesirable feature can be improved by lessening the height of the riser and increasing the width of the treads. We realize that this will require more room for the stairs but the elder Brethren will find it much easier to use the stairs and are more likely to attend.

As to the Method of Procedure, we would like once more to draw to the attention of any Brother, Brethren or Committees when alterations or improvements are being considered, or a new Temple Building is being contemplated, and helpful information is required, that a request should be sent to the Grand Secretary for Bulletins LB1(1967) and LB2 containing the requirements of Grand Lodge and an Extract of the Fire Marshal's Regulations as far as they apply to Lodge Buildings. By so doing in the early stages, much time and perhaps inconvenience can be saved. Moreover, prints of typical Lodge Layouts, prepared by the late R.W. Bro. Geo. T. Evans, are also available on request. The applicant should state the average attendance of members to assist the Grand Secretary to decide which plan will be most helpful. By following this procedure, the applicant will receive the requisite information from the Grand Secretary who will keep the Advisory Committee posted by sending copies of all relevant correspondence.

In due course drawings should be submitted in duplicate for checking. In many cases it is evident that, unfortunately, the draughtsman has not been provided with our Bulletins LB1 and 2 nor the Fire Marshal's regulations. As a consequence, the necessary approval of the Advisory Committee has been delayed.

In conclusion, we wish to acknowledge the invaluable assistance we have received from our colleague M.W. Bro. E. G. Dixon. Due to his many years of association with the late R.W. Bro. Geo. T. Evans, the first Chairman of The Advisory Committee on Lodge Buildings, he is not only familiar with all the requirements of Grand Lodge and the Fire Marshal's Regulations but he also readily understands the functional needs of Lodge Buildings. It is, therefore, our sincere wish, and indeed our hope, that in the years that lie ahead for M.W. Bro. Dixon, he may be blessed, not only with Good Health and Strength, but also that he will continue as a member of The Advisory Committee.

Respectfully and fraternally submitted,

E. G. DIXON,
E. C. HORWOOD, Chairman.

The Advisory Committee on Lodge
Buildings.

REPORT OF THE COMMITTEE ON GRIEVANCES AND APPEALS

This report was presented by R.W. Bro. M. C. Hooper, Chairman; on motion of the Deputy Grand Master, seconded by R.W. Bro. Hooper, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on Grievances and Appeals presents its report as follows:

It was a matter of satisfaction to your Committee to find that, when the report was adopted at the 1970 Communication, no action had been deferred and no notification with respect to proposed expulsion was outstanding. The agenda for this Communication consists of two items only. One item is an application for the restoration of a member who has been expelled. The other requires us to deal with a case in which a brother has been suspended by his lodge.

These are as follows:

1. ST. DAVID'S LODGE, No. 302 and MR. JACK LEROY REID.

The facts relating to the suspension and expulsion have been given in the Proceedings of this Grand Lodge for the years 1967, 1968 and 1969. This former member of Jerusalem Lodge, No. 31, having been convicted of a public crime for which a penalty of imprisonment was imposed in 1966, was charged with unmasonic conduct, found guilty under our rules, suspended in 1967, and heard on his own behalf in 1968, when the decision to expel him from membership was deferred until 1969. In that year your Committee recommended expulsion although it had been pointed out to the accused that restoration was a possibility under the Rules of Grand Lodge.

It has been established to the satisfaction of this Committee that after he had been released from custody, Mr. Reid took up residence in St. Thomas where his father resides, and is established in business, and then endeavoured to reestablish himself in society. Three years have now elapsed since Mr. Reid went to St. Thomas. Your Committee has received reports from St. David's Lodge of which the father of the accused is a member and these indicate that Mr. Reid is doing all that could be expected of him to make amends for his wrongdoing of five years ago. He has repaid all the funds which he had misused and has accepted office in worthy organizations in which we are assured he is giving useful service. He has now applied to Grand Lodge for restoration and in doing so he has complied fully with the requirements of our Rules. His application is accompanied by a favourable recommendation of St. David's Lodge within whose jurisdiction he has continuously resided for more than twelve months preceding the presentation of his petition. The recommendation was passed by a unanimous vote in and by a lodge of Master Masons at a regular Communication.

Your Committee recommends that the application be accepted by Grand Lodge and that Jack Leroy Reid be thereby given the status of a non-affiliated brother in accordance with Rule 59.

2. NORTH BAY LODGE, No. 617, vs. BRO. RONALD MAJOR NOTTINGHAM.

A charge of unmasonic conduct was laid in North Bay Lodge, No. 617, alleging breach of Rules 1(g) and 1(p) between the fall of 1957 and June 1, 1970, the date the charge was laid. The places at which the offences were alleged to have occurred included North Bay, Calgary and Prince Albert.

The Secretary of the lodge reported to the Grand Secretary that Bro. Nottingham had been initiated in North Bay Lodge in 1955, had received his Second and Third Degrees in Prince of Wales Lodge, Ottawa, where he then resided, in 1957 and has been suspended for non-payment of dues in North Bay Lodge

in 1959. The lodge had no further word from Bro. Nottingham until 1970 when he wrote from his residence in Indiana stating that he wished to be restored to good standing so that he could affiliate with a lodge in that State. When the matter was referred to the lodge it transpired that members, knowing of his conduct after suspension, considered that he should not be reinstated but rather expelled from the Order. The Grand Secretary advised that a trial should precede any recommendation to expel.

On hearing from the Grand Secretary, North Bay Lodge accepted the charge of unmasonic conduct, notified the accused by registered mail and proceeded to trial. The evidence was given principally by the father-in-law of the accused who had sponsored him into Masonry. The evidence while not up to the highest courtroom standards indicated that the accused abandoned his wife and child. Hearsay further indicated that the accused had been convicted of a crime involving fraud in Saskatchewan and had been imprisoned in a penal institution in Prince Albert. Evidence was also given of marital irregularities on the part of the accused and one of the Past Masters of the lodge gave assurance that he knew the statements of the accusing brother to be true.

The lodge found Bro. Nottingham guilty of unmasonic conduct and sentenced him to indefinite suspension recommending expulsion.

Your Committee on reviewing the record of the trial is satisfied that the lodge has reached a reasonable conclusion on the limited material available to it in view of the difficulties of time and space which imposed unusual handicaps. Since a lodge has jurisdiction over its members wherever they may reside (Sec. 234), and non-affiliation of a brother is no bar to his suspension, your Committee approves of the course taken by the lodge. It also approves the finding of guilt and the indefinite suspension of Bro. Nottingham and recommends that the accused be notified by registered mail of the action of North Bay Lodge and of this Grand Lodge and that he be directed to attend at the next annual Communication to show cause why he should not be expelled and in the meantime he stands suspended.

In view of the change of residence of the accused we also recommend that the Grand Lodge of Indiana be notified of the Masonic disqualification of Brother Nottingham, who now is said to have permanent residence of that State.

Respectfully and fraternally submitted.

M. CLEEVE HOOPER,
Chairman.

GRAND CHAPLAIN'S REPORT

The Grand Chaplain, R.W. Bro. Rev. J. E. G. Houghton, presented his report. On motion of the Deputy Grand Master, seconded by R.W. Bro. Houghton, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario:

Most Worshipful Sir and Brethren:

In the name of the Great Architect of the Universe we have gathered for another meeting of Grand Lodge. Our hearts turn to Him in gratitude for all the pleasure, work and fellowship that has been ours this past year. How short the year has been! Yet how filled with inspiration!

I would begin this report by expressing my sincere thanks to our Grand Master, Most Worshipful Brother Bruce B. Foster for the great honour that he conferred on me in appointing me to this office of Grand Chaplain. I would also thank the Deputy Grand Master and District Deputy Grand Masters for all their support and encouragement during the year. Their willing response to any requests that I made of them was particularly appreciated. The dedicated work of the District Chaplains in their respective Districts and their interest in the Divine Services speaks well for the spiritual life of the Craft. The assistance of Past Grand Chaplains who substituted for me when I was unable to attend was very much appreciated.

I felt that I was most fortunate to be able to take my part as Grand Chaplain in both the Constituting and Consecrating of a Lodge and the Dedicating of a Temple. The many other experiences in a busy year, of addressing meetings and attending centennials, preaching at Divine Services, attending Ladies' and Family Nights, dedications of regalia, presentations of 50-year pins and one 60-year pin and the opportunity of meeting with one's brethren at a great number of special and regular lodge meetings impressed on one the life and vitality of our Masonic Order and the enthusiasm and respect for Masonry that exists on every hand.

It is most encouraging to note the dedication of our Lodges, and the brethren, in practising and witnessing to their spiritual way of life in the District Divine Services. Let me leave a parting word with you to the effect that our Order will be strong and successful only so far as we give our service first and foremost to Him who created us. Let me say further that your witness in this way not only strengthens you personally, and your Lodge, but it uplifts the whole community.

And now may the Most High who brings peace and comfort to every heart give you wisdom and strength to work in His name and may His blessing come upon you abundantly.

Respectfully and fraternally submitted,

J. E. GORDON HOUGHTON,
Grand Chaplain.

REPORT OF THE COMMITTEE ON AUDIT AND FINANCE

Presented by R.W. Bro. A. C. Ashforth, Chairman,
on motion of the Deputy Grand Master, seconded by R.W.
Bro. Ashforth, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members
of the Grand Lodge, A.F. & A.M. of Canada in the Province
of Ontario:

Most Worshipful Sir and Brethren:

This Committee has reviewed in detail the Reports of the Grand Secretary, the Grand Treasurer and the Auditor's Report attached thereto, as referred to it by this communication. These appear to fully record all pertinent matters relative to—

(a) the financial position of this Grand Lodge, as of April 30, 1971 and the results of its financial operations on a cash basis for the twelve-month period ended on that date.

(b) Receipts and Disbursements in respect to the General Fund, the Memorial Fund, and the Semi-Centennial Fund as well as an examination of transactions and changes in the Capital Accounts of Grand Lodge, which have taken place during the said period.

(c) Schedules of securities in which Grand Lodge assets were invested, as of the above mentioned date.

The following observations respecting certain aspects of these Reports are now presented for your information.

(1) The Audited Statements of Grand Lodge accounts, as presented by the Grand Treasurer, show the net balance of all resources to amount to \$1,690,078.03. This net balance includes total investments of \$1,615,857.57 which are valued at cost, as well as cash on hand, and in the bank. These figures reflect an increase of \$36,127.80 in assets over those of a year ago.

(2) In accordance with traditional policy, all securities in which Grand Lodge assets are presently invested come within the

category of Trustee investments with the exception of \$220,000 Series "A" and \$40,000 Series "B" 5% debentures of Masonic Holdings which are payable on demand after June 1, 1978. These were acquired under specific authority of this Grand Lodge in 1959. So far \$132,000 of these debentures have been redeemed but during the past year no redemptions were made as practically all income was required to take care of operational costs including interest on debentures. All securities, with few exceptions, are fully registered and are presently held in the custody of the Canadian Imperial Bank of Commerce, Hamilton, Ontario, in accordance with authority approved by Grand Lodge last year. The Bank's certificate of confirmation is attached to the Auditor's Report.

(3) Total receipts under the General Fund for fees, dues, commutations, refunds, interest on investments, etc. amounted to \$226,637.20. Disbursements from the General Fund amounted to \$192,702.42 leaving an excess of receipts over disbursements of \$33,934.78. This latter amount exceeds last year's surplus by \$2,309.59. Strict control of all expenditures has been constantly maintained, with the result that expenditures were well within the budget total as approved by Grand Lodge at its Annual Communication in 1970.

(4) Grants for benevolent purposes, less grants refunded amounted to \$62,754.52, up \$480.83 from a year ago.

These grants were paid out of the combined incomes of the Memorial and Semi-Centennial Funds, as supplemented by transfers from the General Fund in the amount of \$30,000, the same figure as last year.

There is little change in the number of cases of need or distress of Masons in this jurisdiction and/or their dependents. However, owing to the reduced purchasing power of the dollar arising from inflation it has been necessary for the Committee on Benevolence to increase grants in a few instances.

Under these conditions, the Committee on Benevolence estimates that requirements for benevolent grants for the current year will amount to \$35,000.00. This Committee, therefore, recommends that in order to provide these funds, the Board of General Purposes authorize, in accordance with Section 119 of the Constitution, appropriations from the General Fund up to the amount of \$35,000 which may be transferred, as and when required, to the Combined Memorial and Semi-Centennial Funds, in order to supplement the interest and income therefrom, which is estimated at \$32,000 for the ensuing twelve months, thus making adequate provision for such benevolent grants as Grand Lodge may extend during the period May 1, 1971 to April 30, 1972.

Your Committee recommends approval of the special donations to charitable institutions totalling \$4,400, all of which were

made under authority of the Grand Master and as itemized in the financial statements.

During the year an examination and updating of insurance coverages were made by competent insurance personnel, and in the opinion of this Committee the policies presently in effect provide adequate coverage against loss by fire, and, or other hazards.

In its review of all matters covered by this report, your Committee has received the fullest co-operation and assistance from the Acting Grand Secretary and his staff, the Grand Treasurer, and the Auditor, Bro. A. William Parish, F.C.A. of Hamilton, Ontario, and now formally recommends to this Grand Lodge the adoption, without amendment, of the reports of the above mentioned officers; also approval of the recommendations contained in this Committee's Report.

In accordance with Section 101 of the Constitution, your Committee submits for consideration and approval, an estimate of Receipts and Disbursements in respect to the General Fund for the year ending April 30, 1972.

REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

This report was presented by M.W. Bro. W. L. Wright, seconded by M. W. Bro. Martyn, it was received and adopted.

To the Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Brethren:

Your Committee desires to convey, on behalf of Grand Lodge, congratulations and a sense of justifiable pride on the manner in which our Grand Master has discharged his duties this past year. Indeed, we wish to place on record the outstanding service he has rendered to the Grand Jurisdiction during his tenure as Grand Master. What a contribution he has made through the years, culminating in his thirty-second appearance at this 116th Annual Communication of our Grand Lodge!

The Grand Master rightfully gives priority in his introduction to the welcome accorded our guests and to the Board of Education of the Borough of Scarborough and staff of Cedarbrae Collegiate Institute, not overlooking the Metropolitan Toronto Districts' Past Masters' Association for the thorough preparations made on our behalf.

Inevitably, breaks occur in our Masonic ranks from year to year. Fitting tribute has been paid by the Grand Master to the life and witness of George James McQueen and John A. Walker, two Masons who are representative of our fraternity who in their way have exemplified the true spirit of Freemasonry.

The Grand Master's Address incorporates reference to particular promotions; recognition of 100 years of active existence of certain lodges; a list of special Grand Lodge appointments and the bestowal of the Honorary Rank of Past Grand Senior Warden upon V.W. Bro. A. C. Ashforth for his many and diversified contributions to the fraternity.

Your Committee concurs wholeheartedly in the appraisal of M.W. Bro. E. G. Dixon by the Grand Master for 34 years of Masonic service. The Committee on the Grand Master's Address records its appreciation for the careful and disciplined supervision of those Masonic activities which pertained to the office of Grand Secretary. May Divine Providence bestow an abundant outpouring of His gifts upon our respected and cherished friend, Ewart Gladstone Dixon. Your Committee concurs in the recommendation of the Grand Master that the future title be M.W. Bro. E. G. Dixon, Past Grand Master (Hon.) and Grand Secretary Emeritus.

The presence of the Grand Master at functions both within and outside our Jurisdiction has served to cement our Masonic fellowship in an inspiring and tangible way. Those of us who have been privileged to listen to the Grand Master on these occasions respect his Masonic insight and contemporary appeal to the challenge of our contemporary society.

Reference has been made by the Grand Master to the appointment of a committee to consider retiring allowances for those in the employ of Grand Lodge; to the possible increase in per capita levy; and a ruling clarification regarding "geographical membership." Your Committee insists that these items are of the utmost importance and recommend they be discussed by all lodges. Appropos of this directive, the Committee on the Grand Master's Address endorse all rulings, decisions, appointments and recommendations which he has made this past year.

With his characteristic quality of humility and desire to extol the virtues of others, the Grand Master has made mention of the significant contributions which certain colleagues have exemplified over the past year. We desire to reflect the thinking of all Masons in the Province of Ontario by stating unequivocally at this communication that M.W. Bro. Foster has measured up admirably to the responsibilities placed upon him. Whether we are members of small lodges or large; whether we belong to a rural lodge or city lodge; your Committee feels that it has the unanimous support of all Masons in expressing heartfelt thanks to the Grand Master for his spiritual and moral leadership, his deep Masonic insight and warm personal fellowship. Truly Bruce Foster has been a distinguished and lovable Grand Master.

WILLIAM L. WRIGHT,
Chairman.

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

FOREWORD

To the Most Worshipful the Grand Master, Officers and Members
of the Grand Lodge, A.F. & A.M. of Canada in the Province
of Ontario:

Most Worshipful Sir and Brethren:

The preparation of this report requires many hours spent in reading the Annual Proceedings of about seventy other Grand Lodges which is a large task in itself. The selection of items of interest to include in this report is also a formidable undertaking. We are again deeply indebted to R.W. Bro. Dr. J. J. Talman for his skill and devotion in selecting the interesting and unusual parts of the activities of other Grand Lodges for inclusion in this report. I only write the Foreword. The report of this Committee is actually the work of R.W. Bro. Talman and is his valuable contribution to this Annual Communication of our Grand Lodge.

Every Mason who has had the honour of being the Grand Master of his Grand Lodge knows from experience that sometimes unusual problems required his mature consideration and sound decisions. A most extraordinary situation arose in the Grand Jurisdiction of Georgia, involving a remarkable lack of knowledge of Masonic philosophy on the part of a Master of a lodge. The Grand Master dealt with the problem in the only way possible and was supported by the Committee on the Grand Master's Address in most definite language. See the Report on Georgia for further particulars.

The Report on New Zealand contains a number of worthy items such as the loneliness of widows of deceased brethren and the lack of proper appreciation of Masons of many years of membership who, through declining years, ill health or financial problems, do not receive a personal approach from officers of their lodges. We, also, have similar problems in our own Grand Jurisdiction, particularly in larger centres, such as Metropolitan Toronto and other cities. Most lodges would profit by a perusal of the comments of New Zealand's Review.

The Grand Master of New Jersey had to deal with an attack on Freemasonry contained in articles in some of the news media and his investigation and report are given, in detail, in the Proceedings of that Grand Lodge and quoted verbatim by R.W. Bro. Talman. It, again, emphasizes what has been said many times in our own Grand Jurisdiction regarding the necessity for most careful scrutiny of every application for membership in our own lodges.

The Grand Master of California had some forthright comments on the necessity of further Masonic instruction after a new member had received his three degrees. Our Grand Lodge has been trying for many years through the Committee on Masonic Education and District and Lodge Committees to carry out this most important and necessary work.

This Foreword could easily be lengthened by references to reports of various other Grand Lodges. I am sure many of our brethren will be interested in the reports from the mother countries of most of us, namely, England, Ireland and Scotland.

Other Grand Lodges also are worthy of our study and I recommend the report as a whole to all our lodges.

Respectfully and fraternally submitted,

DONALD J. GUNN,
Chairman.

ALABAMA — 1970

150th Annual Communication — November 17-18.

A pageant at the banquet on the evening before the opening of Grand Lodge commemorated the 150th Anniversary of the formation of the Grand Lodge. The Grand Historian narrated the history. Organized Freemasonry had its beginning in Alabama in 1811. At that time there were only two white settlements in what is now the State: Mobile and Huntsville at the extreme south-west corner and northern border respectively. Between lay an almost unbroken wilderness of almost 250 miles occupied by the Cherokees, Chickasaws, Creeks and Choctaws. Actually, Mobile had been settled by the French in 1702. The first lodge was established under a dispensation by the Grand Master of Kentucky, in Huntsville, in 1811 and still exists as Helion No. 1.

Six lodges celebrated their centennials during the year.

The Committee on Foreign Correspondence submitted a lengthy report. They recommended deferring recognition of The Grand Orient of Brazil, recognition of the Grand Lodge of Piaui, Brazil, and recognition of the Grand Lodge of Guanabara, Brazil. They also reported on correspondence with several other Grand Lodges outside continental North America.

The Grand Historian, Bro. J. A. Jackson, completed a history of Masonry in Alabama, fully indexed. It was the first history to be published in Alabama's Masonic history in 150 years.

ALBERTA — 1970

65th Annual Communication — June 10-11.

Grand Master, 1969-70 — M.W. Bro. P. J. Kendal

Grand Master, 1970-71 — M.W. Bro. E. J. Thompson

Lodges, 182.

Membership, 18,119.

Loss, 312.

The Grand Lodge opened with the annual Thanksgiving and Memorial Service. The loss during the year was severe, including

as it did, the names of two active and three honorary Past Grand Masters and twenty-eight other past Grand Lodge officers. The names of the deceased active members tell a great deal about the make up of the early population of Alberta. All but four of the brethren were born outside the Province. Ontario and England supplied eight, Scotland three, Ireland two, and the United States, New Brunswick, Manitoba and British Columbia one each. All but a few, however, were initiated in Alberta.

The Board of Benevolence was able to deal with every case referred to it. In one case the Board solved one hardship in a most imaginative manner. A member lost his house in a landslide. Reparations paid did not cover the cost of replacement. The Board advanced a sum on a mortgage "on condition that no interest will be charged while the Brother and his wife enjoy the use during their lifetime. On their demise the Mortgage will become due and payable." Here was a contribution which might be emulated by other boards of benevolence in comparable circumstances.

The Grand Lodge of Alberta was organized in 1905 but as there were already lodges working in the territory some are older than the Grand Lodge. Innisfail Lodge No. 8 and Perfection Lodge No. 9 celebrated their 75th Anniversaries, another celebrated its 60th and three their 50th Anniversaries. The history of Freemasonry in Alberta was commemorated by the setting up of a "well-furnished replica of a lodge room prior to 1914" in "the old Traders Bank Building in Heritage Park." The project was sponsored by the Masters', Wardens' and Deacons' Association of Calgary.

ARKANSAS — 1970

129th Annual Communication — November 17-18.

Grand Master, 1969-70 — M.W. Bro. C. A. Nelson

Grand Master, 1970-71 — M.W. Bro. C. M. Collie

Lodges, 375.

Membership, 51,355.

Loss, 652.

Grand Lodge met eight times to dedicate lodge halls. Since twelve were dedicated in 1969, it would seem that there is much activity in lodge building in the Jurisdiction.

The Grand Lodge is strict with regard to the Sabbath and alcoholic beverages. The Grand Master quoted the Constitution when he ruled that "The ceremony of laying a cornerstone or the placing of a commemorative stone should not be conducted on the Sabbath Day, even though the edifice be a church house." The Grand Lodge also reported: "In regard to a truck driver delivering beer to various outlets, I quoted Section 287-b, and ruled that he was not eligible to petition for the degrees."

Eight lodges celebrated their centennials.

The Grand Lodge has a Committee on Past Grand Masters' Graves, which endeavours to keep informed on the locations and conditions of the graves and at times visits them. Only four graves do not bear Grand Lodge markers.

In 1922, and later in 1947, the Masons of Arkansas raised more than a quarter of a million dollars to build a hospital section for tubercular children. At one time there were more than one hundred patients in the children's section. Gradually the need for the facility decreased and now the Grand Lodge Committee concerned is seeking for new ways to employ the funds which continue to come in, now amounting to "several thousand dollars." There is no doubt, from the interest being shown by the Committee, that a use for these funds "for the betterment of conditions of needy children" will be found.

BRITISH COLUMBIA — 1970

99th Annual Communication — June 18-19.

Grand Master, 1969-70 — M.W. Bro. W. McRae
Grand Master, 1970-71 — M.W. Bro. N. Mussallem

Lodges, 169.

Membership, 25,704.

The Annual Communication met in the Coliseum, Prince George. The Credentials Committee reported that total attendance was 593 with a total of 719 authorized votes.

The Grand East suffered the loss of five Past Grand Masters during the year. Their careers were marked by integrity, devotion and a sense of responsibility and their counsel will be greatly missed in the Grand Lodge.

Although the question of Masonic homes had been dealt with before on several occasions, the Grand Master felt that the best interest of the Craft would be served by his appointing a committee to study all the facts of such an undertaking. The terms of reference ran "to enquire into and report at the next Annual Communication of Grand Lodge upon the feasibility of establishment of a Masonic Home or Homes." The Committee sent a questionnaire to each lodge enquiring as to the numbers who might use such accommodation, the type, if any, recommended, the means of financing, and the number of members who "would be prepared to assume responsibility for a substantial annual assessment, if needed."

The replies varied greatly and the analysis of them covered two pages of the report. Three brief paragraphs give a summary of the findings.

"The overwhelming majority of replies received from both members and Lodges expressed an unwillingness to meet an assessment to provide funds for any type of old-age accommodation. It is to be assumed, therefore, that these Lodges and members would oppose the imposition of such assessments in Grand Lodge. Some Lodges and individuals favour some form of accommodation—providing Grand Lodge pays the costs, presumably from the Grand Lodge Benevolent Fund. The history and capability of this Fund is covered elsewhere, but it should be evident that it is presently incapable of meeting the costs projected above.

"No alternate proposals were advanced for meeting the capital and operating costs of a residential Guest Home.

"A very significant percentage of replies to your Committee's questionnaire favoured a continuation of the present system of extending aid in cases of demonstrated need which, in most cases, enables the recipient to continue a useful life in familiar surroundings amongst friends of long standing."

The Committee made a detailed study of the operating and financing of Masonic homes in United States jurisdictions. The information they drew together provides a most comprehensive evaluation of the whole problem of Masonic homes. It is difficult to see how the Committee accomplished as much as they did in the time they had. In the end, the Committee unanimously, "strongly recommended a continuation of the present method of assistance as required, initiated by the Lodge concerned, and supported by Grand Lodge when necessary."

CALIFORNIA — 1970

121st Annual Communication — October 12-16.

Grand Master, 1969-70 — M.W. Bro. C. R. MacPhee
Grand Master, 1970-71 — M.W. Bro. H. A. Huebner

Lodges, 703.

Membership, 233,855.

The Grand Master began his address in a forthright manner, saying, "There are those who will find portions of this message to be critical. It is intended to be so." Following that introduction he did not mince matters. Yet his hearers must have agreed with him when after discussing leadership he said:

"An equally serious unsolved, and often unrecognized, problem exists after conferral of our three degrees. At this time, too many of our Lodges consider their responsibility of informing the candidate about Masonry to be at an end.

"The candidate applied for the degrees of Masonry because he wanted to become a complete Mason. Unfortunately, in most

cases, he becomes only a member. There is a difference! It is my considered judgment that the ritual is but a foundation upon which one may build a personal Masonic edifice. The ritual is indeed not the conclusion of instruction—it is, in fact, only the base upon which to continue instruction. Thus, in many instances, the personal Masonic edifice we seek to build stands on a foundation but with no super structure. A limited number of those who come to us will, on their own, continue their study of Masonry and thus better meet their responsibilities as Masons. Too many will not.

“To inform each of the candidates as to the interpretation of what is said and done in our degrees should be regarded as mandatory for our Lodges. As we fail to do so, we fail Masonry; and we thus fail ourselves.”

The question regarding the serving or use of liquor at Masonic functions came up frequently during the year. After reading the full text of the regulation the Grand Master gave a summary: “This permits the serving and consuming of alcoholic beverages at purely social gatherings held by Masons in places away from Masonic premises.” A Masonic gathering held in a public place, away from the temple, is not considered a social event.

The California Masonic Memorial Temple, a magnificent building dedicated to California Masons who gave their lives in the service of the country, which had been completed in 1958, was extensively refurbished.

For a number of years, and particularly since Hawaii gained statehood, there has been discussion regarding the possibility of setting up a separate Grand Lodge of Hawaii, apart from California. A committee has been working on the subject. This year a ballot in Hawaii showed that a large majority were not in favour of forming a new Grand Lodge.

For some time Masons with an interest in music have wanted to form a symphony orchestra. Now the wish has been realized and the Grand Lodge is in the process of forming a Grand Lodge of California Symphony Orchestra “to be composed of members of the Masonic Fraternity, dedicated to bringing music to all who enjoy it.” Bro. Phil Bovero, who has outstanding qualifications, has accepted the invitation to serve as conductor.

COLORADO — 1970

109th Annual Communication — January 26-27.

Grand Master, 1969-70 — M.W. Bro. W. L. Gobin

Grand Master, 1970-71 — M.W. Bro. G. E. Swank

Lodges, 170.

Membership, 43,906.

Loss, 828.

A proposed amendment to the Book of Constitution would have required each newly-made Master Mason to pass a satisfactory examination in open lodge upon his proficiency in the lecture of that degree. If a member failed the examination he would not receive a membership card or certificate of membership, nor have a right to vote or hold office in his lodge. The amendment was defeated.

The Committee on the Grand Lodge Building Site investigated nine possible locations. The criteria established were location, amount of land available, neighbourhood and cost. All but two possible sites were rejected. The Committee was continued for another year.

CONNECTICUT — 1970

182nd Annual Communication — April 1-2.

Grand Master, 1969-70 — M.W. Bro. W. F. Booth
Grand Master, 1970-71 — M.W. Bro. C. O. Carlson

Lodges, 136. Membership, 43,683. Loss, 537.

The Grand Lodge operates a Masonic Home, as has been reported from time to time in these Reviews. The Grand Master told something of the development. "Today our Home and Hospital is recognized by the American Medical Association as the finest in the country. From all corners of the world come requests for information about our programs for older people." This was a particularly significant year for the institution as it saw the actual start, after many years of planning, of the modernization programme of the Home and Hospital.

The cornerstone of the new Grand Lodge office, library and museum was laid on March 14, 1970.

The annual pilgrimage to the grave of General David Wooster in Danbury was better attended than ever before. General Wooster was the founder of Freemasonry in Connecticut and was the first Master of Hiram Lodge No. 1, New Haven.

DELAWARE — 1969

164th Annual Communication — October 1-2.

Grand Master, 1968-69 — M.W. Bro. W. F. Schueler, Sr.
Grand Master, 1969-70 — M.W. Bro. J. J. McClearnen

Lodges, 29. Membership, 9,185. Loss, 34.

We were unable to include a report on the Grand Lodge of Delaware last year as the Proceedings for 1968-69 did not arrive

until July. However, better late than never. In our 1968 review we reported that the Chairman of the Committee on Foreign Correspondence, M.W. Bro. W. Stewart Allmond, P.G.M., had retired after twenty-one years of service in the position. We are pleased to welcome W. Bro. Frank A. Battaglia, P.M., who has produced a fine report.

The Grand Lodge lost four Past Grand Masters by death. Fortunately, the Grand East is still represented by nineteen Past Grand Masters.

In 1967 the Grand Lodge amended the code to provide for a Semi-Annual Communication. This was held on March 22, 1969. The primary discussion of the brethren in attendance dealt with the ritualistic work, aiming at uniformity throughout the Jurisdiction.

Brandywine Lodge No. 33, Claymont, Delaware, conferred the M.M. Degree on Bro. Russell W. Peterson, the Governor of the State of Delaware. The Grand Master occupied the Master's chair on this occasion. This was believed to be the first time in Delaware that the Governor has become a member of the Craft while in office.

DELAWARE — 1970

165th Annual Communication — October 7-8.

Grand Master, 1969-70 — M.W. Bro. J. J. McClearnen
Grand Master, 1970-71 — M.W. Bro. L. S. Jeuell

Lodges, 29. Membership, 9,227. Gain, 42.

Since the Proceedings for 1970 came in early this year we can catch up with our Reviews. All the lodges in the Jurisdiction were represented at the Annual Communication.

The Grand Master observed that the laying of cornerstones seems to occur less frequently as the years go by. In the year under review only two were laid. One was for the Delaware State Police Academy Building in Dover and the other was for a new lodge building of Gethsemane Lodge, No. 28, Reliance. It would be interesting to read through our Proceedings to discover when last our Grand Lodge laid a cornerstone for a non-Masonic building. Or perhaps some of our older Brethren can recall such an event.

The Grand Secretary thanked the secretaries of constituent lodges for their cooperation and added that if they were to receive a fair wage equal to the number of hours they spend on Masonic labour, no lodge in the Jurisdiction could afford to have a secretary. He did not need to limit his remarks to Delaware. He did not

comment on the gain in membership. A check over the last ten years showed that gains have generally been the rule.

ENGLAND — 1970

Quarterly Communications — March 11, June 10, September 9,
December 9.

Annual Investiture — April 29.

Grand Master — H.R.H. The Duke of Kent, G.C.M.G.,
G.C.V.O., A.D.C.

Grand Secretary — R.W. Bro. James W. Stubbs, P.G.W.

In seconding the proposal to re-elect the Grand Master, W. Bro. K. A. Williams prefaced his brief remarks with three well expressed lines: "Long years have taught me that the happiest men in this country today are the members of our Lodges. This, of course, is fundamental to our profession, but it could not happen without the wisest and most generous leadership."

The Board of General Purposes is re-printing the booklet "Information for the Guidance of Members of the Craft." It will include the latest points of procedure adopted by Grand Lodge and the Board. The Board recommended that each newly-installed Master and each new Master Mason should be given a copy by the Lodge and all Master Masons should be encouraged to buy one for their own instruction.

The 250th Anniversary Fund was closed. The Trustees reported that it reached a total of £594,850. The interest, as readers of these Reviews no doubt are aware, will be devoted to research by the Royal College of Surgeons.

The Grand Lodge recognized the Grand Lodge of Turkey. The External Relations Committee gave a brief history of that Grand Lodge and added an interesting point regarding the ritual used in Turkey.

"The External Relations Committee of the Board has made a detailed investigation over a long period of the origin of this Grand Lodge, which was revived in 1948 after having been suppressed for some years, and which had not been recognised during its earlier period of activity. It appeared at first to have originated out of the wholly irregular Grand Orient of France, but evidence has been accruing in recent months in support of a belief that its principal sponsor was the Grand Lodge of Egypt which at the time in question was still working regularly and was still recognised by the United Grand Lodge of England.

"The Board has now satisfied itself as to the validity of this claim, and of the further claim that there was a substantial link

between the Grand Lodge of Turkey as revived in 1948 and its earlier existence before suppression in or about 1935.

"It is of interest to note that the Grand Lodge of Turkey states that in 1935 its Lodges were working an English ritual translated into Turkish and Arabic by members of the Grand Lodge of Egypt."

A major change in the regulations regarding regalia worn by Grand Lodge Officers was contained in a recommendation by the Board of General Purposes at the December Quarterly Communication. The resolution tells the whole story.

"The Board has examined the historical background to the wearing of gauntlets by Present and Past Grand, Provincial and District Grand Officers, and by holders of London and Overseas Grand Rank, and is satisfied that their use as separate items of regalia is derived from change in fashion and as a matter of convenience, than from any real symbolic significance.

"The Board is also aware that gauntlets form an expensive part of an officer's regalia, and has therefore decided to recommend that the wearing of gauntlets as laid down in Rule 268, Book of Constitutions, should in future be permissive rather than mandatory."

The motion was agreed to and thus became a notice of motion of an alteration to the Book of Constitution.

FLORIDA — 1970

141st Annual Communication — April 28-30.

Grand Master, 1969-70 — M.W. Bro. C. E. Webb
Grand Master, 1970-71 — M.W. Bro. D. H. Wilkison

Lodges, 314. Membership, 76,927. Gain, 728.

The Grand Lodge had a good year. Membership increased and the response to the Masonic Home Endowment Fund and Masonic Home Building Fund was most gratifying.

The constituent lodges contributed a total of \$13,000.00 to the Grand Lodge of Mississippi for hurricane Camille relief. Other groups, individuals, and the Grand Lodge, contributed another \$9,000.00, making a grand total of \$22,000.00.

The Grand Lodge has one unusual committee—that for Unfinished Business. Its purpose is to review completely the activities of the preceding Annual Communication, and to gather the loose ends of that Session, correlate them, review them, and then bring them to the attention of the various Grand Lodge Committees

whose province it is to dispose of these matters. It neither advises the Committees on what procedures to take, nor does it attempt to interpose its viewpoints upon the members of the committee to whom the responsibility of disposing of the subject matter is entrusted. It serves merely to remind the various committees of activities to be concluded by their members during the current Annual Communication, and for that reason this Report is presented at an early time in the Proceedings. In addition, by the very nature of its function, this committee has completely finished its work by the time the Grand Lodge officially opens.

GEORGIA — 1969

183rd Annual Communication — October 28-29.

Grand Master, 1968-69 — M.W. Bro. D. B. Mercer

Grand Master, 1969-70 — M.W. Bro. B. A. Greer

The Grand Master gave several rulings of more than passing interest. One lodge requested a ruling on whether or not a subordinate lodge could be incorporated. The Grand Master, himself a practicing lawyer, found that under the Act incorporating the Grand Lodge all regularly chartered lodges are in fact incorporated.

In the case of another lodge, the Grand Master explained:

"The master of this lodge communicated with me on several occasions relative to the promotion of the Christian religion at regular lodge meetings. The master felt that it was his Christian duty to promote the Christian religion at each lodge meeting. I advised him that every man, particularly every Mason, should constantly and continually on each convenient occasion promote his belief in God. However, I pointed out to him that it was a violation of the Masonic Code, as well as the ancient landmarks, to promote any sectarian religion at any meeting of any Masonic body. I pointed out that Masonry encourages the promotion of religion, but not a particular religious creed. I further advised him that it was his duty to see that no sectarian religious promotion was held in his lodge. He wrote me a letter expressing his disappointment in Masonry's position and declared that he would no longer consider himself a Mason or bound by any Masonic law; he resigned his position and requested that I have his name stricken from the rolls. I directed the Grand Secretary to remove his name from the rolls of the Grand Lodge, the secretary of his lodge to remove his name from his list of members, and ordered an election to fill the vacancy. I hope that the Grand Lodge pro-

gram on Masonic Education will soon be expanded to include the Masonic Code, since a better understanding of Masonic jurisprudence by this brother would have prevented his erroneous impressions. I am sure that an active lodge program on the Lodge System of Masonic Education would have informed him of this before he entered the lodge."

This eminently sound ruling must have been a hard one for the Grand Master to make as he has served as teacher, department superintendent, training union director, and treasurer of Second Baptist Church, Macon, and is on the executive committee of the Macon Baptist Association. The Committee on Grand Master's Address summed up the matter well. "The rulings of the Grand Master have been made with clarity, forthrightness and courage, and we commend him for his wise disposition of these matters."

For many years the Grand Lodge has printed Reviews of the Proceedings of sister Grand Lodges. These reviews averaged one hundred pages and added considerably to the cost of printing the Proceedings. A committee concluded: "No one can say with any certainty how many Freemasons read these Reviews, but it is doubtful that more than 100 men, including Georgians and others, ever read them." Consequently this feature was dropped.

The Grand Master in his report on the State of the Craft referred to some of the difficulties faced by the Grand Master, especially in exercising a general and careful supervision of the Craft and requiring that the Constitution and Laws of the Grand Lodge be observed.

As he said:

"Unfortunately, there is today in our jurisdiction as well as others, a reluctance to comply with Masonic Law; and sometimes there appears to be a determination by Lodges to do as they please whether Masonic Laws are complied with or not.

"Any Grand Master is therefore faced with two choices. He can turn his back on all violations and inefficiencies in the interest of harmony; or he can perform the duty with which he is charged.

"To assure the testimony of a good conscience, I find it necessary to continue the pursuit of my duty. This requires that I make an honest report, and deliver my files for the inspection of our Committee on Jurisprudence and the delegates of this Grand Lodge.

"This is not the easy course, because in the pursuit of a general supervision of the Craft, corrective measures are sometimes viewed as discipline rather than correction and instruction. Even so, embarrassment to any Lodge or Officer is certainly not intended."

He then referred to a specific case where the rulings of the Grand Lodge were quite clear but the officers of the lodge concerned were unaware of the assistance which was readily available in securing advice. He concluded that "We need better informed Officers, with a full knowledge of Masonic Law, the Ritual, and even the material and information" found in the Proceedings. "Laxness in the investigation of petitioners will never improve our Lodges nor the quality of our members. All Officers should cease to consider our Installation as a mere ceremony, and should become familiar with the duties it enjoins. Grand Lodge Officers and District Deputies can not do the work for any Lodge, and Lodges need to develop a profound pride in their activities and the proficiency of all Officers."

ILLINOIS — 1970

131st Annual Communication — October 9-10.

Grand Master, 1967-69 — M.W. Bro. W. L. Mason

Grand Master, 1969-71 — M.W. Bro. C. H. Lang.

Lodges, 830.

Membership, 195,941.

Loss, 3,948.

The Grand Master, though much disturbed by the apathy displayed by the Craft during his first year in office, was cheered by signs of improvement. "I believe," he said "that Illinois Masonry is beginning to move forward. There is activity in lodges that have been dormant for years." As he travelled in all parts of the State he found Masons much more optimistic in their thinking. Although the Grand Lodge suffered a severe loss in membership, the loss was 900 less than the previous year, and the lowest since 1960. The major portion of the loss was due to deaths, reflecting the large numbers of petitioners following the two world wars. During those years applications were far above average.

The Grand Lodge met nine times in Occasional Communications to lay cornerstones for, or to dedicate, new lodge buildings. In addition, the Grand Lodge laid the cornerstones of a new grade school and a new junior high school.

All too often the Report of the Committee on the Grand Master's Address, or "Report" as it is called in Illinois, is simply an endorsement of the highlights of the address. The Illinois Committee, however, holds a wider view. Their additional comments reflect extensive reading and tend to put some of our problems in perspective.

"Historically, this Committee has never denied itself the privilege of offering independent observations and in that light we echo the concern over decrease in membership. The most brilliant mind can not envision one single answer for this slide. The words spoken a hundred years ago are still applicable to tomorrow. We ask your indulgence as we quote from the Grand Lodge of Berlin, of 1869, in what was then Prussia:

"'But how is it with Masonry? Since the beginning of the present century it has remained stationary; its regulations are in glaring contradiction with the profane life of the present time. Mediocrity prevails in many lodges and Masonry becomes an insignificant diversion, with forms and ceremonies.'"

The Grand Master consecrated four new lodges but was not able to be present at the fifth consecration. At his installation he expressed the hope that before his term of office expired there would be two hundred lodges on the roll. His ambition is likely to be achieved as he has more petitions in hand.

The Grand Lodge has now been in existence for nearly ten years and is planning to set up a tenth anniversary fund. The Grand Master stated that the Grand Lodge has "certain ambitious ideas," which will be indicated to the lodges in the course of time.

INDIANA — 1970

153rd Annual Communication — May 19-20.

Membership, 171,480.

A trial period of state-wide concurrent jurisdiction for all lodges, to continue until the annual meeting of Grand Lodge in 1972, was adopted.

A budget amounting to \$2,343,000 for the Indiana Masonic Home was adopted. The per capita assessment for Home operation was decreased from \$8.96 to \$8.75. The population of the Home during the year was approximately 426. Contracts for the construction of a 40-bed addition to the Masonic Home Hospital at a total cost of \$1,500,000 were awarded.

Regulations in the Constitution requiring that a petitioner for degrees in an Indiana Lodge must be an American citizen were rescinded.

The Grand Master gave an interesting analysis of the membership in Indiana lodges, since the keeping of membership records in 1856.

"In that year there was a membership total of 7,440 in 199 Lodges, an average membership of 37 per Lodge. In 1900 there were 33,604 members in 499 Lodges, an average of 68 per Lodge. In 1958, the high water mark year of our Craft numerically in Indiana, there were 185,117 Brethren in 546 Lodges, an average of 340 Brethren per Lodge. Now, with a smaller total membership of 175,000 in 550 Lodges, the average has dropped to 315 per Lodge—but an average far and away higher than in the immediate pre-Civil War period.

"Of further interest is the fact that there are today in Indiana 65 Lodges with membership of less than 100, and 32 Lodges with membership of more than 1,000. Only one Lodge today has a smaller membership than the average Lodge in 1856. Of these larger Lodges, only six showed a membership gain last year.

"Except for the obvious economic factor, to all intents and purposes, any membership of these large Lodges over and above 315 members is of little value to the Lodge. Many Brethren live far away, and of course can never attend; but the fact remains that although the great rank and file could attend, they do not."

The Grand Master came to the logical question. "Why should not some one or two of the big Lodges act voluntarily to break themselves into three or four or five Lodges, as a pilot project? Thus they would be able to put to work three, four or five times as many Brethren in the business of Masonry, and since they would still be working under one roof, would have no loss of revenue. I am sorry to say there has been no faint voice raised by the officers of any of these Lodges in support of my proposal. But I still have hope of seeing the idea tried."

IOWA — 1970

126th Annual Communication — September 16-17.

Grand Master, 1969-70 — M.W. Bro. H. Phelps
Grand Master, 1970-71 — M.W. Bro. G. Zacharias

Lodges, 531. Membership, 82,058. Loss, 1,670.

The Committee on Chartered Lodges chartered and under dispensation presented a lengthy and comprehensive report. Some of the facts given showed that the five largest lodges in the State have memberships ranging from 1,078 to 1,456. The five smallest have between 21 and 26 members. The highest lodge dues, set by five lodges, are \$20.00. There were three consolidations during the year.

The great enthusiasm for Freemasonry in Iowa a century ago was evidenced by the centennial celebrations of no fewer than ten lodges. Since the highest number of a lodge on the list was 280, we can assume that approximately one lodge in six in the Jurisdiction has been working for a century or more.

During the year the Grand Lodge lost M.W. Bro. R. R. Douglass (G.M. 1955). He wrote the Iowa Fraternal Reviews from 1958 to 1964 and did them well. In 1964 our own Reviews quoted his view of the significance of reviews.

"M.W. Bro. Douglass puts the place of reviews on a high plane aspired to by all reviewers. 'The Committee on Fraternal Reviews or Fraternal Correspondence, or however they are designated, perform a beneficial function in generating a fraternal spirit between jurisdictions that promotes the universality of Masonry. It is a potent influence working the field of communications and by creating better understanding between men of the same lofty ideals, it solidifies the Fraternity with a lasting cement and breaks down the barriers that arise through misconception and misunderstanding.'"

His work as a reviewer was again recognized in 1965 when his deep appreciation of Masonic activity throughout the world was noted.

IRELAND — 1970

Annual Report and the Report of the Grand Secretary.
Grand Master — M.W. Bro. Rt. Hon. The Earl of Donoughmore

During the year the Grand Master visited lodges in New Zealand, Singapore, Kuala Lumpur, and Hong Kong. In New Zealand he spent a weekend at Government House. The Governor-

General, Sir Arthur Porritt, is the Grand Master of New Zealand. By coincidence he had attended university with, and had been initiated in the same lodge, Apollo University Lodge No. 357, English Constitution, as the Grand Master of Ireland. Both are Past Grand Wardens of the United Grand Lodge of England.

The Grand Lodge held its usual Communications in Dublin in June and December and also met in Ballymena and Belfast.

During the autumn many of the members of Grand Lodge attended an English lodge in London, called the Lodge of Erin No. 2895, of which a founder member was the Grand Master's father. The main purpose of the visit was to give a demonstration of the First Degree as practised in Ireland. The Grand Master reported that the degree was beautifully given and much admired by the English brethren, whom he hoped were greatly impressed by it.

The W.M. of the Duke of Leinster Lodge No. 363, I.C. in Adelaide, South Australia, visited Grand Lodge and while there gave some information regarding the history of his lodge. It is the only Masonic lodge in Australia which remains under the jurisdiction of the Grand Lodge of Ireland. Apart from being one of the oldest lodges in South Australia it is the largest, with a membership of 263.

The Grand Lodge of Instruction, led by the Deputy Grand Master, travelled to London to demonstrate before over 500 members and visitors of Hereford Masters' Lodge No. 4090, E.C., the Installation and Investiture of the Officers of a Lodge. The group received a hearty welcome.

The reports of the Provincial Grand Masters give a great deal of information about the activities in their provinces. All are enthusiastic and tell of successful years. The tone of the reports appears to be much more sanguine than it was a few years ago. Such phrases as "steady progress" abound. There are many references to the opening of new lodge buildings. Activities range over well-attended Stated Communications of the Provincial Grand Lodges, golf competitions, centenary meetings, and benefits for various Masonic charities.

An illustration of both the light and serious sides was given by the Provincial Grand Master of North Connaught. "I had the pleasure of attending the Centenary celebrations of two Provinces during the year. At Waterford, where we had a splendid meeting and excellent hospitality afterwards in Tramore (even to some of the Brethren's wines) followed on Sunday by an impressive service in Kilkenny Cathedral." At Bray he again attended a fine meeting and "more royal hospitality."

At the same time, the work of the lodges maintains a high standard. A reader of the reports is left with the impression that it would be a happy experience to be a member of an Irish lodge.

The Provincial Grand Master of South Connaught, R.W. Bro. Dr. Maurice H. R. O. O'Connell, summed up the feelings of Irish Freemasons.

"It is only to be expected that few as we are in numbers and scattered over a wide area, we should at times feel somewhat isolated. However, we are sustained and heartened by the knowledge that we are part of a large order in this island, and in world-wide terms that of a vast and growing body whose watchword is brotherly love. We believe that charity, using the word in its widest sense, begins at home but extends out to all men. We strive to live by a basic morality, common to all men of good will, irrespective of their personal religious belief or political opinion. There is a part for us to play, small as it may be in this changing world to hasten that day when brotherly love will prevail and every moral and social virtue cement and unite man-kind."

ISRAEL — 1970

Annual Communication — October 27.

Grand Master, 1968-69 — M.W. Bro. Menham Talmon
Grand Master, 1970-71 — M.W. Bro. A. Fellman

Information on this Jurisdiction is somewhat fragmentary as it must be derived from various numbers of a monthly magazine "Haboneh Hahofshi" rather than from the customary volume of Proceedings. The information we do receive, however, is of more than passing interest. For example, the Grand Master, when speaking at the Quarterly Communication in April told of a new lodge and lodge buildings.

"You will doubtless also be pleased to learn that during this time we have inaugurated several new Lodges and Temples. These include the 'Fraternidad' Lodge in Tel-Aviv, which has gathered together Brethren from the Balkans, Turkey, Egypt and South America; the language in which they work being Castilian Spanish. In Beersheba the Lodge has moved from a tent to a Hall, placed at our disposal by the Manager of the 'Neot Hamidbar' Hotel. The dedication of the Temple was carried out in Beersheba by R.W. Bro. Wortman, whom I thank. And I have further good news for you. You are doubtless aware that the Jerusalem Lodges, assisted by Grand Lodge, have acquired a building which, though small, is in the centre of the city, in Ezrat-Israel, just off Jaffa Road. A few days ago we dedicated the Temple. This is an exceedingly handsome, elegant and friendly Lodge, which we dedicated with the assistance of all Jerusalem Masters. Now the former miserable Lodge has been replaced in Jerusalem by a Lodge worthy of the name. As said, however it is very small and can only serve for meetings of up to 35 Brethren. It is possible to build another floor, at no great expense, for a Lodge that can hold about 100 Brethren. Let us hope that the Jerusalem Lodges

will succeed with our assistance in establishing the building in its entirety.”

The incoming Grand Master outlined some of the difficulties facing the Grand Lodge. One was the completion and restoration of the Temple in Jerusalem and the rest of the Temples in other cities in the country.

JAPAN — 1970

13th Annual Communication — March 13-14.

Grand Master, 1969-70 — M.W. Bro. F. J. Robertson
Grand Master, 1970-71 — M.W. Bro. Yoshio Yamada

Lodges, 20. Membership, 4,677. Gain, 163.

The Grand Master reported that the lodges in the Jurisdiction are healthy and active. New interest was generated during the year in the promotion of Masonic Education, the establishment of permanent temple facilities and in the organization and planning of interesting lodge programmes. Harmony prevailed between the lodges. The installation ceremonies of the constituent lodges were well planned and impressively executed. The Grand Lodge furnished representation at nearly all of them.

Although membership increased the Grand Master pointed out that the increase in “Japanese and resident members” had been less impressive.

KANSAS — 1970

114th Annual Communication — March 13-14.

Grand Master, 1969-70 — M.W. Bro. C. C. Arnett
Grand Master, 1970-71 — M.W. Bro. H. J. Staton

Lodges, 418. Membership, 86,557. Loss, 2,260.

The Grand Lodge lost the largest number of members in one year in its 114-year history. Deaths, however, exceeded the net loss.

The Grand Lodge Library is in fine condition, but the Museum is becoming over-crowded with “priceless Masonic historical items.”

The Committee on Ritualistic Work set up a schedule of 64 district meetings at times requested. The result was most successful. Seventy-five lodges had perfect attendance of all officers. The Committee for 21 years has been awarding certificates for perfect officer attendance at Grand Lodge. During the period, several lodges had perfect attendance for fifteen or more years.

LOUISIANA — 1970

The Grand Master gave a most encouraging report on the state of the Order in his Jurisdiction. He visited all sections of the State and in most cases found the officers capable of performing their duties and anxious to see their lodges prosper. Degree work in general is good and lodge halls are looking better and better throughout the State. "Masonry is continuing to be a force for good."

He devoted a paragraph to the Masonic Temple Building in New Orleans which serves as the home for many lodges and organizations. In addition they have many commercial tenants.

"Through the cooperation of the Lodges and the House Committee, several of the Lodge rooms have recently been refurbished and they are beautiful.

"Anyone who sees our building will understand that Masonry is no second class organization.

"The auditorium has been refurnished this year and is now much more attractive and comfortable. Through careful shopping and management, by the House Committee, this was done at a minimum of cost . . .

"The profits realized from the operation of this Building are dedicated to charity. As a result of the good management from the House Committee we have been able to add to our charity funds in recent years."

The Grand Lodge has an ambitious programme of data processing lodge returns. The system proved its worth when the Grand Master wished to circularize all Master Masons in the State following the catastrophic hurricane Camille which wiped out a large area south of New Orleans and the Mississippi Gulf Coast from Pass Christian to Biloxi. The computer was able to print name and address labels for each of the approximately 41,000 members of Louisiana lodges in record time. Over the years the computer will relieve lodge secretaries from many troublesome

tasks such as the preparation of dues cards. As the data are added to the bank such information as the names of 50-year members will come to the surface.

As the Grand Lodge of Maine was consecrated on June 24, 1820, the year 1970 marked the 150th Anniversary. One lodge, however, Hancock No. 4, Castine, marked its 175th Anniversary. One celebrated its 150th and three their 100th. In Tranquil Lodge No. 29, Lewiston, which celebrated its 150th year, they worked a degree in exactly the same full dress they used 150 years ago. In fact it is the dress they use regularly in their lodge. They have never changed to modern day clothes.

Charity payments increased greatly during the year. The amount distributed totalled over \$36,000, reflecting an increase of 76% over the previous year. Increased medical costs seem to have been a large factor in the situation. The Grand Master stressed the importance of charity in the constituent lodges.

The Grand Lodge celebrated its Sesquicentennial in several ways. The Committee in charge began with a large meeting, in a series of meetings, at Portland Lodge No. 1, in Portland, on October 14, 1969. They re-enacted the convention of 1819 which organized the Grand Lodge. The meeting was well attended and a great success.

The highlight of the year was the completion of the "History of Freemasonry in Maine, 1820-1970" by the distinguished Past Grand Master, M.W. Bro. R. J. Pollard. He has been frequently noticed in these Reviews. The Grand Master called the work a masterpiece as it undoubtedly is.

M.W. Bro. Pollard also compiled his twenty-fifth Report on Correspondence. As usual the reviews are excellent. The Reviewer took time this year to tell something of previous reviewers. In the earliest days of the Grand Lodge some of the functions of the Committee on Correspondence were discharged by the Corresponding Grand Secretary. It was not until 1847 that a Committee on Foreign Correspondence charged with its present duties was authorized and appointed. Since that time only five brethren have served as chairmen. One, M.W. Bro. Josiah H. Drummond, recognized "as the world's greatest authority in the field of Masonic jurisprudence" held the post for 38 years. (1865-1902).

The Masonic Memorial Temple, described at some length in the 1970 Reviews was opened officially on June 2, 1970, the day preceding the Annual Communication of the Grand Lodge.

The Board of General Purposes held six regular meetings, one postponed meeting and two special meetings. Attendance ranged between 20 and 44. Inevitably, much of the business had to do with the building of the new Temple and matters such as recommending that dispensations be issued to all lodges meeting in the old Temple authorizing them to meet in the new one.

Plans for the celebration of the Centenary of the Grand Lodge in 1975 were initiated when a motion was passed requesting the Grand Master to set up a committee of seven to formulate a tentative programme.

The Committee on Fraternal Reviews saw several happy trends in Freemasonry as revealed in the Proceedings of the Grand Lodges of the world. They rejoiced with Masons throughout the world and more particularly those in Canada and the United States, whose Grand Jurisdictions are promoting the need of a greater unity within Craft Lodges as well as the desire for much closer co-operation with concordant and auxiliary bodies. An offshoot of this trend is the co-operation with other bodies having similarly humanely motivated activities as our fraternity, in order to improve, without controversy, the condition of mankind in all areas.

Another trend they saw related to the continuing support of our brethren throughout the world for programmes designed to assist our less fortunate brethren and their dependents.

They concluded: "The last trend is also a happy one and signifies an increasing awareness of our duties and obligations to our fellow man in the communities in which we live. Greater personal activity means greater awareness of the Craft and a sound basis for the exemplification of the great principles of Masonry throughout the universe."

The Grand Master was extremely proud with what he found in his Jurisdiction when able to make comparisons with conditions in other jurisdictions. He said "Our ritual is the best, our officer material above the average and the support we give to our Masonic Homes, particularly in our gifts to the Endowment Fund, is exceptional; the pride we take in the furnishing and operation of the various Temples throughout the State—all combine to create in Maryland, Masonry at its best."

The remarks regarding the Masonic Homes were most appropriate as donations to the Endowment Fund totalled more than \$278,000 during the year.

For the first time a meeting of Junior Wardens was held for the purpose of acquainting them with some of the problems they might expect to encounter as Senior Wardens and Masters. It was hoped that some answers might be provided.

We in our Jurisdiction congratulate M.W. Bro. T. S. Roy on having his portrait unveiled in Montacute Lodge, Worcester. A special Communication of the Grand Lodge was held for the purpose.

Great improvements have been made at the Home in Charlton, where a new infirmary building is being completed, and at the Nursing Home in Shrewsbury, where extensive alterations have been undertaken. The Home in Charlton operates a farm where a large part of the fruits and vegetables consumed there are raised. They also maintain an excellent dairy unit.

The Grand Master, in reporting on the meeting of the Conference of Grand Masters in Washington, put forward some general conclusions.

"I reported to them also our willing acceptance of dignified publicity by means of photographs in the public press and by pre-written accurate knowledgeable releases. These comments seemed surprising to some of the representatives of other grand jurisdictions. This is easily understood, for the underlying impression that I carried away with me was that 'change' does not have the same meaning in all jurisdictions. What is change for us is normal for others. That which is change for them has been our practice for years. Hence the suggestions and recommendations made in the Grand Masters' Conference must have for each jurisdiction a different value and appropriateness when viewed in the light of its own practices and problems. For ourselves, while I hope that we shall always be amenable to change that enhances the work of Massachusetts Masonry within the frame-work of its immovable landmarks."

He suggested that his hearers read the Declaration of Principles adopted by the Grand Lodge thirty years ago. He provided copies for all those present and particularly drew attention to the conclusion, which he read:

"This Grand Lodge affirms its continued adherence to that ancient and approved rule of Freemasonry which forbids the discussion in Masonic meetings of creeds, politics, or other topics likely to excite personal animosities.

"It further affirms its conviction that it is not only contrary to the fundamental principles of Freemasonry, but dangerous to its unity, strength, usefulness, and welfare, for Masonic Bodies to take action or attempt to exercise pressure or influence for or against any legislation, or in any way attempt to procure the election or appointment of governmental officials, or to influence them, whether or not members of the Fraternity, in the performance of their official duties. The true Freemason will act in civil life according to his individual judgment and the dictates of his conscience."

The Grand Master visited all the Constituent Lodges in his Jurisdiction and found the records and proceedings in order. One concern at the moment is the inadequate premises available for the offices of the Grand Lodge and Grand Chapter. The Grand Lodge now has plans to erect a second floor over the main hall

of the present building. In addition to supplying office space, the structure would provide a reception hall and space for a library and museum. The Grand Lodge and Grand Chapter are now seeking funds from the membership.

The Grand Lodge granted a dispensation for the organization of a German-speaking lodge called Alexander von Humboldt Lodge U.D., working in the Federal District. The Grand Master added:

"The creation of a German-speaking Lodge is fulfilling a desire which existed in the Fraternity for quite some time and the new Lodge is displaying a very healthy and interesting activity. The Dispensation was granted with the understanding that until our full Ritual is faithfully translated and approved by Grand Lodge, the Lodge will confer the Degrees in English according to our Standard Ritual. I have approved the Opening and Closing in the German language and would recommend to the Brethren to visit this new Lodge and witness their work."

The Grand Lodge signed a treaty of amity and visitation with the Gran Lodia Valle de Mexico. Over the years the Grand Lodge had many opportunities to observe the intellectual and Masonic characteristics of these Brethren and their devotion to the Fraternity but did not maintain official relations.

The Historiology Committee Report was devoted to the growth and development of the Michigan Masonic Monitor and Michigan's first Masonic Lecturer, Bro. John Barney who gave stability to the work of the Grand Lodge during its first fifty years.

In view of the close proximity of our sister Jurisdiction it may not be inappropriate to repeat something of the record here.

"It was John Barney who placed the Masonic work in Michigan on a firm footing. He had served as the Grand Lecturer of Ohio from 1836 to 1843, and following two years (1844 and 1845) of intensive Masonic lecturing before the lodges in Michigan, he moved to Chicago and became the Grand Lecturer of Illinois.

"John Barney was born at Canaan, Litchfield County, Connecticut, in October of 1780. During his boyhood days he was taught the trade of a merchant tailor by his father and continued in that business for many years. He was made a Mason in Friend-

ship Lodge No. 20 of Charlotte, Vermont, in 1810 and was deeply impressed with its work and purposes, and in August of 1817 he went to Boston for the express purpose of receiving instruction directly from Thomas Smith Webb, which he succeeded in doing with the assistance of Benjamin Gleason, who was then Grand Lecturer in Massachusetts.

"While serving as Grand Lecturer of Ohio he was requested to prepare a Masonic Chart or Manual for use in that jurisdiction. While attending the Baltimore Convention as a representative of Ohio, he was named as one of five to prepare a system of work adapted by that Convention.

"This, then, was the Masonic Monitorial background of Barney, and since Michigan had no official Grand Lecturer during the early days of Grand Lodge, the services of John Barney were in great demand. During the period under review there were approximately ten lodges in Michigan, widely spread across the southern portion of the Territory and obviously this necessitated a great deal of travel.

"Following the reorganization of the Grand Lodge of Michigan in 1844, he labored faithfully and well for almost two years, giving Michigan Masonry the system of work which was authorized and later used for almost fifty years, and during the latter part of the 19th Century the name of Barney was made familiar to all who listened to the able Masonic lecturers who succeeded him. The services he rendered to Michigan Freemasonry in promulgating and establishing the system of work and lectures which have proven so eminently satisfactory for almost half a century have never really been entirely displaced."

Barney died in 1847 at the age of 67 while returning from a lecture tour in Illinois.

The major problem in the Jurisdiction at the present time is the Masonic Home. Increased per capita levies barely keep pace with increased costs and unless other revenues are produced the operation will need to be reduced or phased out. The endowment of \$8,000,000, producing \$350,000 per year, alone keeps the Home operational. If it were not for the endowment the per capita assessment on the membership would be about \$9.00 per year.

Northeast Lodge No. 345 was constituted with a charter membership of 112. It quickly rose to 135 and rapidly took its

place as one of the most active lodges in the Jurisdiction. Five small lodges, with memberships ranging from 24 to 83, consolidated with neighbouring lodges and one, with 43 members, surrendered its charter.

The Masons of Minnesota established a professorship in cancer research at the University of Minnesota. They have agreed to provide \$166,000 over the next eight years. Readers of these Reviews during past years will recall that in 1967 the same brethren presented a cheque for \$1,100,000 to the University in payment for adding two floors to the Masonic Memorial Hospital. One might well wonder if 62,000 Masons anywhere else in the world do as much in the cause of medicine.

In addition the Grand Lodge contributed \$1,000 to Mississippi for hurricane relief.

Grand Lodge met to lay the cornerstones of an elementary school and two new lodge halls. Two ceremonies for the dedication "of halls for Masonic purposes" were also held. "These meetings were open to the public and drew sizable numbers of Masons and friends."

The Board of Managers of the Masonic Home reported that 38 boys and girls were in residence. The Board reported also that they had disbursed well over \$5,000 from the "Murphy-Martin Educational Fund" for students. Approximately 1,000 persons attended the annual Masonic Home Pilgrimage. The purpose of the Managers is to make the Home an organization for the exercise of charity, the improvement of the mind, and an ally of Mississippi Masons. They believe that the efforts have resulted in the creation of a Masonic Children's Home second to none in the United States.

The Fraternal Correspondent presented a report of only two pages but in those pages concentrated three sound conclusions.

"(a) There is a remarkable uniformity—evidence of the universality of Freemasonry, and also much evidence that a Mason's charity is equally extensive. Externally, Masons seem to be all sorts and conditions of men . . . the rich and poor . . . the high and low . . . Orthodox, Catholic, and Protestant Christians, Jews, Mohammedans, and Buddhists.

"(b) Secondly, and more unusual, all the Grand Lodges seem to be financially sound. Their business affairs are conducted in a manner comparable to that of the largest corporations. If our own Grand Lodge, for example, could print money, it would be better than the inflated dollars that we now have. As all of us know, our Grand Lodge contributes large amounts to the relief of distress, yet our books are still in the black. We are sure that many lodges throughout the world make contributions known only to the individual Lodge and to the recipient . . .

"(c) Thirdly, and still most unusual, nearly all these reports reflect a strict adherence to the old time virtues . . . the philosophy of thrift, industry, perseverance."

Reports of the laying of cornerstones usually include a list of the contents of the box inside the stone. Those in charge of the cornerstone laying and dedication of Bigfork Lodge No. 150 thought of something new. They included among other things a microfilm list of Past Masters and charter members as well as a history of the Lodge. The film should last for two hundred years or much longer than the pulp paper generally found in books today. The same effect can be achieved by using rag paper for any record which it is desirable to preserve.

Unhappily, two other special communications of the Grand Lodge were held to conduct the funerals of two Past Grand Masters: M.W. Bros. F. Hagstrom (1928-29) and C. Davidson (1942-43).

Among several recommendations, the Grand Master suggested that a committee be appointed to study the insignia for the apron and jewel of the Deputy Grand Master, to report at the 105th Annual Communication: As he said "Our D.G.M.s apron and jewel are different from those of all the other Grand Lodges that I have seen."

The Committee on Work has a large task. In 1969 they were charged with the duty of searching the Proceedings of the Grand Lodge from the time of its formation and record all the recommendations and decisions of the Grand Master and the ultimate disposal of those recommendations and decisions. In addition, they were to record all of the actions of the Grand Lodge in those cases where their actions affected the laws, Statutes, Constitution

or government of the Grand Lodge or the constituent lodges in this Jurisdiction. The work is progressing. It is slow as it becomes more and more involved as time goes by.

The Grand Master attended six dedication ceremonies where lodges had built new temples or remodelled and improved older buildings. Six lodges were consolidated into three.

The Grand Custodian held forty "central schools" which were well attended. As a result "the established ritual" was carried "to nearly every lodge" throughout the Jurisdiction. The Grand Custodian recommended, in view of the interest shown, that the number of lodges assigned to each school be reduced.

The Grand Lodge of Nebraska is one of those which has a Grand Orator. This year it was W. Bro. J. H. Hendrix, who from some of his remarks evidently is a lawyer. His address, unlike the spell-binding efforts of some orators, was cool and dispassionate. In preparation for his task he read previous orations from 1857 to 1882 and visited many lodges. He found that what he beheld "was a picture of a great, magnificent, thriving, active organization" that he had grown to love beyond his wildest expectations. One practical question he raised grew from the fact that Nebraska has lowered the voting age to 20. His remarks on the matter were thought-provoking.

"I am mindful of the fact that the concepts of Masonry are not for the immature mind. Our ancient brethren were most wise in establishing the requirement that a man, to be made a Mason, must be of lawful age. Now that our state law has lowered the lawful age to 20, it is possible we may consider the same move. Nevertheless, while there is no magic in age 20, just as there is no magic in the age 21, the fact remains that our teachings require the ability to grasp abstract ideas, and to practice speculative masonry requires the two basic ingredients of maturity—being able to wait for rewards, and being able to sacrifice for the good of others. Let us know, however, that maturity comes to some who are very young. Let us further know that maturity never comes to some, regardless of their numerical age. Let us also know that youth and maturity are mixed in us all. As Cicero has said:

"As I approve of a youth that has something of an old man in him, so I am no less pleased with an old man that has some-

thing of youth. He that follows this rule may be old in body, but can never be so in mind.'"

The Grand Master visited every lodge in his Jurisdiction at least once. He believes that Masonry in Nevada continues to be in good condition.

The Grand Lodge laid several cornerstones for a variety of buildings: the Chemistry and Lecture Demonstration Building of the University of Nevada; the State Legislative Building within the State Capitol Complex in Carson City, commemorative of the 100th Anniversary of the laying of the State Capitol cornerstone; and the Temple Sinai in Reno. The last building is the first Jewish Temple to be built in the area in fifty years and the first one devoted to Reform Judaism in a very large area.

The Board of General Purposes, which met three times during the year, authorized four university scholarships, totalling \$2,000, for consideration by the Scholarship Committee. The Committee granted the four scholarships of \$500 each to four children of Masons, all attending universities in the Province.

The Committee on Relations with Foreign Grand Lodges recommended recognition of the Grand Lodge of Iran and the Grand Lodge of Luxembourg.

The March Communication of The New Brunswick Lodge No. 22, Saint John, developed an unusual, yet old, form of activity when they met Zion Lodge No. 21, Sussex, in a debate on the topic "Resolved that the Masonic Order can be revised or updated to meet modern demands without sacrificing too much of its historical significance and proven values."

The Grand Lodge met in an Emergent Communication to attend the funeral of the Grand Master, M.W. Bro. R. L. Sloan, who died during his first year in office. In New Hampshire the Grand Master holds office for two years. The Annual Communication was saddened by the untimely death of the Grand Master.

For the first time in nearly a decade the Grand Lodge issued a dispensation for the formation of a new lodge, to be known as Pulpit Rock Lodge, at Pelham, N.H.

The Committee on William Pitt Tavern Restoration reported that actual work was begun on the restoration of the building where the Grand Lodge of New Hampshire was born on July 8, 1789. The third floor is being restored to what it was like when a lodge room. The Grand Lodge has contributed \$12,000 to the project, thus far.

The Anniversary Lodge of Research, No. 175, held its fifth annual meeting. This body was chartered by the Grand Lodge in 1964. The number 175 was chosen because the Grand Lodge of New Hampshire was 175 years old that year. The Lodge is now six years old.

The purpose of the Lodge of Research is to stimulate the advancement of Masonic knowledge that brethren may enjoy a richer and more complete understanding of the history and philosophy of Freemasonry, as well as to bind together those with an interest in this purpose. Following individual interest of study and research, members have prepared and submitted papers which have been accepted by the Lodge. They have been presented at Lodge Meetings and at other Lodges throughout the state. The papers are available to members.

In cooperation with the Grand Lodge Committee on Education, several members of Anniversary Lodge have served as speakers at constituent Lodges in the State and the Lodge of Research has often attended these meetings in numbers.

During its existence, Anniversary Lodge of Research No. 175 has shown its usefulness and value to the Craft by promoting interest in study, review and research of subjects relevant to Freemasonry.

At the 182nd Annual Communication it was agreed to authorize the Grand Lodge Office Building Committee to plan the construction of a combination office building, lodge room and library on property adjacent to the Masonic Home in Burlington Township. Increased costs made it impossible to build within the Grand Lodge's ability to pay. Accordingly, arrangements were made to adapt space at the Home on a rental basis.

The Retirement Homes Committee was very active. A generous Mason (Bro. Mark Reynolds) and his wife donated a most suitable site comprising eight acres.

The Grand Master described an attack on Freemasonry, the means taken to investigate the matter and the results. The incredible story should be recorded as the Grand Master drew a useful lesson from it.

"Early this year, the news media carried articles concerning the doings of the Cosa Nostra. These articles inferred that lawless gangsters were infiltrating the Masonic fraternity. The twenty-one names mentioned in the newspapers were listed by our Grand Lodge office staff and checked through our entire membership list of almost 95,000 members. It was found that only four of the names were the same as four members of Masonic Lodges in the Grand Jurisdiction of New Jersey. These names were thoroughly investigated by a very able attorney. Two of the four members so listed dimitted on the same day, January 15, 1970. A third has removed his residence to Florida.

"Copies of the original petitions with the names of the recommenders, the names of the investigation committee and the names of those who the petitioner had given as references were carefully checked. The criminal records of the Superior Court of New Jersey and the U.S. District Court were also checked and found clear. Inquiry was made of both the Prosecutor of Essex County, New Jersey, and the Clerk of the U.S. District Court for the District of New Jersey. The records of recognizances and bail bonds in the office of the Clerk of Essex County, New Jersey, were searched and found clear. An attorney for the State of New Jersey Investigation Commission was contacted and were informed that the records of this Commission were confidential and could not be divulged.

"This complete investigation turned up nothing upon which any Masonic action could be taken. No direct violations of

Masonic regulations were noted. However, there is evidence of improper functioning of the Investigating Committee. Personal visits should be made not only to those given as references, but to others with whom the petitioner might have been associated. Freemasonry is not for every one—we do not want members. We want men who are qualified to be Masons. Masonry will accept good men and our purpose is to make good men better. It is important that every Worshipful Master select the investigating committee with care and give strict instructions not only that a thorough check be made of the petitioner, but that he be told what Freemasonry is and what he may expect out of his membership. Brethren, there is no truth to the allegation that the Cosa Nostra or Mafiosa or any other lawless organization is infiltrating our ranks, but we must be alert and carefully guard our West Gate."

The Grand Lodge has already started on the project of locating the graves of Past Grand Masters and other distinguished Masons and providing proper Masonic markers by Grand Lodge so that future generations may know wherein lie the remains of the men who helped foster and preserve the framework of the Fraternity in New Jersey.

The Grand Master suggested that an annual report be made and a record kept in the Grand Lodge office. He thought that lodges might like to make pilgrimages to these Masonic shrines as part of their memorial services.

A Special Communication of the Grand Lodge convened at Albuquerque for the purpose of dedicating the new administration building of the Grand Lodge and the two new lodge rooms in the new building of Temple Lodge No. 6. A Special Communication was also held to lay the cornerstone.

The first act of the Grand Master was to divide the State into three sections of 22 lodges each in which the Deputy Grand Master, the Senior Grand Warden and the Junior Grand Warden were to make visits in his stead. The change was made for two reasons. First, to acquaint the lodges with the officers destined to become Grand Master and to give these officers an insight into the problems of the lodges throughout the State and secondly to relieve some of the pressure on the Grand Master.

The Cathedral Church of St. Andrew, Sydney, was comfortably full for the service for Freemasons, their families and friends, which ended the functions which followed the installation of the new Grand Master.

In 1922 the Grand Lodge established the William Thompson Masonic School to educate and maintain orphan children. The school was situated on 260 acres outside Sydney, and its highest enrollment, 380, was reached in 1929. Now, with expanded Commonwealth support of widows and improved educational facilities, enrollment is dropping. Furthermore, Sydney is encompassing the property, which has become valuable suburban real estate. Maintenance costs are high and the buildings are somewhat outmoded. The School Council are considering selling the property and starting over on a new site, if the Grand Lodge approves. The Grand Master appointed a special committee to investigate the matter. The chairman is Bro. Sir Gordon Wallace, Kt., who has retired as President of the Court of Appeal of the Supreme Court of New South Wales.

The Quarterly Communication, December 10, was held in the No. 1 lodge room of the Masonic Hall, Sydney, in order to allow the members to hear the organ which had been electrified and modernized. It is now considered by those qualified to judge to be one of the finest pipe organs in Sydney.

Some years ago the Grand Lodge set up a Masonic Temples Fund with two objects in view: the building of a new temple with administrative offices in Sydney worthy of the dignity of Freemasonry, and the provision of financing for the building of new temples and the renovation and improvement of existing suburban and country temples throughout the Jurisdiction. The fund has now reached \$2,300,000 (Australian). High building costs and the movement of the centre of activity in Sydney are complicating the project. The Grand Lodge, however, is determined to keep the matter in view. Since the commencement of the fund, 153 lodges have been assisted with building loans, at a nominal rate of interest.

The Board of Benevolence reported that contributions from members had reached the gratifying total of \$111,891, an average of \$2.54 per member. The Board received one hundred applications for bursaries and granted 93. Of these 59 were for secondary education and 32 for university and professional study.

It has been some years since these Reviews reported that the Grand Lodge maintains a home for girls, Kirkpatrick House, at Nelson. The Board of Governors of the institution decided during the year that it would keep in step with the widening concepts of Masonic Charity as practised in New Zealand by considering applications on behalf of girls even where there is no Masonic connection in the family. The sole tests for admission will be by the advisability in the girl's own interest and the assurance, as far as possible, that she will fit in with the girls already there.

The report of the Papakura Masonic Home stated that district trusts continue to flourish throughout the Dominion, providing worthwhile assistance in housing the aged. The writer concluded:

"I would say that the Craft may be justly proud of its efforts to provide for those who have been beset by unavoidable calamity and misfortune; however, there is an ever increasing demand for assistance and a need for us to set our sights still higher. I have visited a large number of widows in the past 12 months and have been struck by their feeling of loneliness. If we cater only for their material needs we are only half doing our jobs. In a Lodge with many widows it is beyond the scope of the Master and Almoner to pay more than occasional visits to each widow but with a properly organised team we can ensure that our widows are not only fed and clothed but are made to feel wanted." Benevolence clearly ranks high in the Jurisdiction.

The President of the Board of General Purposes, in commenting on the decline in membership, had some things to say which probably are all too applicable in our own Jurisdiction and worthy of thought.

"Another point I would like to make concerns members struck off or resigning unfinancial. I wonder whether some Lodges are perhaps a little precipitate in taking the admittedly correct legal action without perhaps fully considering the moral aspect. At a number of Board meetings I have drawn attention to the

fact that members of over 30 years' standing, and in quite a number of cases over 40 years' standing, have been struck off or have resigned unfinancial. It would appear to me that in these cases the position has likely been brought about by advancing age, declining health, or perhaps even the financial position of the Brother concerned, or a combination of these reasons. In such cases I feel that a personal approach to ascertain the true position, followed by a remission of dues if necessary, would be an action much more in keeping with Masonic teaching."

The Grand Master in his address said that during his first year in office he had studied the early history of the New Zealand Constitution. He gave a succinct history in three brief paragraphs.

"It is quite a fascinating story—embodying indirectly much of New Zealand's early history, and does much to explain the unique state of affairs that exists in this country where four separate jurisdictions promulgate the principles and tenets of the Craft.

"The first Lodge to meet in New Zealand was N.Z. Pacific Lodge (No. 758 in the English Constitution) in November 1842; the second was Lodge Ara (No. 348 in the Irish Constitution) in February 1843—but these priorities were reversed in respect of the granting of dispensations.

"It was, however, the Scottish Masons in New Zealand (under the leadership of a Provincial Grand Master—R.W. Bro. Pyke and R.W. Bro. Gillon) who first thought up the possibility of a New Zealand Grand Lodge in 1876. It took them 23 years to obtain agreement between all three United Kingdom Constitutions to achieve this—and even then a number of Lodges in each jurisdiction decided to retain their allegiance to their parent Grand Lodges—the position which still holds in New Zealand today."

NORTH CAROLINA — 1970

183rd Annual Communication — April 21-22.

Grand Master, 1969-70 — M.W. Bro. W. A. Hooks

Grand Master, 1970-71 — M.W. Bro. M. E. Walsh

Lodges, 382.

Membership, 68,029.

Gain, 620.

The noteworthy gain in membership was larger than that for the previous year but lower than that for 1968. That the gain is not made at the expense of careful scrutiny of candidates is shown in the record that 344 petitions were rejected.

The Grand Lodge met eight times in Emergent Communications to lay cornerstones and dedicate lodge temples. One communication was held "for the purpose of setting in place and dedicating a Commemorative Stone for Wilson Lodge No. 226."

The Grand Master was faced with two problems during the year which bear noting. In one case a Mason wrote letters to several of his friends, known by him to be members of the Craft, in which he urged them to support a candidate for political office who was also a member of the Craft. Since the writer had written at random and not used a lodge roster the Grand Master ruled that he had not violated the Code but he pointed out "such activity by a member of the Craft is not looked upon with favor, as it may easily be interpreted as putting Masonry into politics."

The second case is one which arises now and then in the United States. The Grand Master, in a lengthy and informative statement, only a small part of which can be given here, explained the case and his ruling.

"A lodge in North Carolina received a petition for the degrees from a Moslem, and I was asked for a ruling as to whether a Moslem can be elected to receive the degrees, and if elected, can the Koran be used on the Altar of a subordinate lodge in our Grand Jurisdiction to obligate a Moslem?"

"**RULING:** Masonry is universal. Masonry is not restricted to any sect or religion. It welcomes good men of all faiths and requires only that they believe in the Fatherhood of God and the Brotherhood of Man. At least twice in the ritual of the degrees appears the phrase, 'the Universality of Masonry.' In the manual we are told: 'By the exercise of brotherly love we are taught to regard the whole human species, the high and the low, the rich and the poor, as one family; who, as created by one Almighty parent, and inhabitants of the same planet, are to aid, support, and protect each other. On this principle Masonry unites men of every country, sect, and opinion, and conciliates true friendship among those who otherwise might have remained at a perpetual distance.'

"Section 6-01 (6) of THE CODE reads as follows: 'That the Sacred Book of the Divine Law, chief among the Three Great Lights of Masonry, is indispensably present in the lodges while at work' . . .

"The Book of Faith which is the symbolism of the Divine Will revealed to man, should be upon the Altar when that petitioner takes the obligation, whatever that Book of Faith may be, if the petitioner believes in the Fatherhood of God and the Brotherhood of Man. It would be as meaningless for a Moslem to take an obligation upon the Christian or Hebrew Bible as it would be for the Christian or Hebrew to take his obligation upon the Koran.

"It is meaningful for the Moslem to take his obligation upon the Koran which is his Book of Faith. Therefore, the Koran can be used on the Altar when the brother in question who is a Moslem takes the obligation, and it is proper for him to be obligated upon the Koran which is his Book of Faith."

The Report of the Committee on Credentials showed that 80 lodges were represented at the Communication. Of the remaining 37 only six had been excused. The total of absentees appears to be high.

A major question before the Grand Lodge was the location of the headquarters. At the 79th Annual Communication, after considerable debate and a close vote, it was decided to remain in Fargo. The Committee on Policy and General Purposes was authorized to build or lease space. They chose the latter alternative by occupying, rent free, space provided by the Scottish Rite bodies. Bismarck and Minot, however, invited the Grand Lodge to move its headquarters to those cities.

A motion to move to Bismarck was presented, followed by a subsequent motion that the location be Minot. This motion was followed by a second substitute advancing the claim of Fargo. The parliamentarian ruled that only two substitute motions were allowed and that the second should be put first. In the end the second substitute motion won 131 to 121, confirming the earlier decision to establish offices in Fargo.

The 81st Annual Communication was held in the ballroom of the Memorial Union of the campus of North Dakota State University.

The Grand Lodge met in Halifax where, in 1750, as the Grand Master reminded his hearers, "the late Brother the Hon. Edward Cornwallis, became the first Master of St. Andrews Lodge, a Lodge that has continued to play a most important role in the affairs of the Masonic community."

The Grand Lodge lost two outstanding members: M.W. Bro. N. J. Avarð (G.M. 1936-38) and M.W. Bro. A. J. MacDonald (G.M. 1939-40).

The Grand Master reported:

"I concentrated my schedule of Lodge visits in the direction of the rural Lodges this year and at the same time to cover as much area as possible of the Jurisdiction. Through all my visits I can only report that all is well. In every case where the Lodges were carrying out their programmes the word was done with dignity; also the meetings were well attended . . .

"The sixteen District Meetings were well planned and the large numbers in attendance served to indicate that Masonry in Nova Scotia is moving with more enthusiasm each year and I feel that we can look forward to great increases in Masonic activity in this Jurisdiction in the very near future."

The Grand Lodge set up a Masonic Foundation not unlike ours. The Grand Master explained

"Instead of incorporating the Fund of Benevolence, as had been earlier proposed, it was decided to incorporate under the Societies' Act the Masonic Foundation of Nova Scotia. The objects of the Foundation are to receive bequests, donations, etc. and thereby to accumulate a trust fund for the purpose of engaging in general charitable undertakings such as: the care and assistance of the sick, aged, destitute, and helpless, assistance in general disasters, assistance to other Canadian charitable organizations, providing bursaries and other financial aid to Nova Scotia students, etc."

The Foundation has been recognized as a charitable organization within the meaning of the Income Tax Act. The Board of Finance, with the concurrence of the Advisory Board, transferred the cash and securities in the Grand Lodge Fund of Benevolence to the Masonic Foundation.

OHIO — 1969

The major item of business considered at this Communication was the proposal to experiment with a three-year trial period of statewide jurisdiction. The Grand Master spoke at some length in favour of the idea, outlining the arguments pro and con. He believed that the potential dangers could be solved by careful investigation and at the ballot box.

His outline of the discussion ran as follows:

"The leading argument seems to be that the proposed legislation would permit men to petition Lodges located in distant cities where they are not known. There are perhaps three reasons why a person might petition a distant Lodge: (1) To join a Lodge with a family or friend tie, such as his father's Lodge. (2) To avoid a possible rejection of his petition by those who know him. (3) To secure lower fees or dues."

The previous provisions regarding jurisdiction filled several pages of the Ohio Code. The amendment simply stated "The jurisdiction of each Lodge in this State shall extend over all territory of Ohio, and all Lodges shall have concurrent jurisdiction therein." Another clause, logically, stated that a lodge could not accept an application from a resident in another jurisdiction. The proposal was adopted for a period of three years.

The Temple Committee reported that they had dealt with a normal number of requests, twenty-three in number, involving an expenditure of \$586,648. Four were new buildings, two were for remodelling, one was for the purchase of a church and another for the purchase of a school to be used as temples. The report on dedications includes pictures of the buildings dedicated. All are most attractive and show a great deal of industry and imagination. The photograph of the Toledo Masonic Temple Complex, Toledo, Ohio, reveals a spectacular development.

The Committee on Credentials reported that only six lodges were not represented at the Annual Communication.

The Ohio Masonic Home has an endowment fund of about eighteen million dollars which produces \$900,000 per year, sufficient to provide one-third of its income. The Board of Trustees is endeavouring to increase the endowment. The Home has been in operation for 75 years.

A partial report on the experiment of statewide jurisdiction showed that, of the total of 5,378 candidates raised, only 304 took advantage of the change. By far the largest number in this group gave their reasons for applying outside the normal jurisdiction as relatives and friends, co-workers and friends, and friends. These three classifications accounted for 233 of the 304.

The Grand Lodge Scholarship Committee is now in its eighth year of granting scholarships amounting to \$400 each to 26 students in Ohio colleges and seminaries. The Committee, believing that the educational institutions are better qualified than they are, have always left the selection entirely to the discretion of the scholarship boards of the institutions.

A Committee set up in 1969 to study the feasibility of authorizing the exemption of 50-year members from the payment of dues found that there are approximately 12,000 50-year members in the Jurisdiction. The total of dues involved would be approximately \$36,000 a year. They recommended that the matter be left to individual lodges which already have the authority to remit dues where the need exists.

The year was "tremendous" according to the Grand Master. The lodges are active and "Freemasonry in Oklahoma is on the march." Two new lodges were constituted and three temples were dedicated. Cornerstones for a court house and school were laid.

At the request of many brethren, the Grand Master called a Masonic rally for the whole jurisdiction at the Guthrie Scottish Rite Temple. Such a gathering had been a custom for years but not been called for two years. A large crowd was present for the occasion. The M.M. degree was conferred by a group picked from different parts of the State. The second section was conferred by Grand Lodge officers.

The "Oklahoma Mason" printed at the Masonic Home Print Shop has a circulation of approximately 80,000.

During the summer months successful and dignified outdoor communications were held in various sections of the Jurisdiction.

These are annual events. Two lodges celebrated their centennials with social events.

A question rose as to whether a member of a lodge who had received the M.M. degree but who "had not yet been examined on the candidate's lecture for this degree," could legally sign an application for membership. The Grand Master ruled that he could not.

The 119th Annual Communication authorized the moving of the Grand Lodge headquarters to Forest Grove. The move has been completed. The quarters were occupied and dedicated on April 5. The Grand Lodge Library is also established in the new quarters with attractive new shelving. Space is now available for a museum and it is expected that a committee will soon begin work on the project.

The printing of a roster of membership, scheduled for the year, was postponed because of the cost involved. Since estimates varied from \$5,000 to \$8,000 the trustees thought the expense was not justified.

The Senior Grand Warden reported on the Grand Lodge Educational Fund. His report said in part:

"At the fourth annual communication of the Grand Lodge A.F. & A.M. of Oregon in 1854 a committee was appointed to establish an irreducible fund, the revenue from which was to be expended in educating the children of indigent Master Masons. At the fifth annual communication in 1855 this fund for educational assistance was started with voluntary contributions from the Lodges, then in existence, amounting to \$525.97.

"During the past 115 years there has been a steady growth of this fund; as of April 30, 1969 it amounted to \$734,834.27. This is the principal amount and cannot be used. The net income for the current Masonic year was \$36,863.31 which is the amount made available for Educational Assistance to qualified children during the 1969-1970 school year."

During the year educational assistance, amounting to \$32,000 was granted to 40 families with 73 children from 38 lodges.

The Committee on Masonic Culture endeavoured to impress on the lodges in the Jurisdiction through personal contact, with lodge officers and members, and the distribution of papers, booklets and other kinds of literature the need for a well-organized and continuous Masonic educational programme. As the Report said:

"Making Masons, as we call it, is a continuous course of education, training and character forming. While it may be an innermost desire, followed by certain oaths and obligations that makes one a Member of the Craft, yet, in a truer sense, a man is not a fully developed Freemason until he truthfully and seriously lives up to the oaths and obligations he has taken. To do so, he must understand them and know their scope and real meaning."

Members of the Committee participated in thirteen district meetings, which concluded the tour of 36 such meetings over a two-year period. Eighteen lodges established lodge libraries, bringing the total to 105 in five years. Several hundred books, mostly Masonic were added to the Grand Lodge Library. The folder "Freemasonry, a Way of Life" went into its third printing of 25,000. The Committee had a full year.

Great improvements were made in the historic Masonic Temple in Philadelphia. Committee rooms were constructed in the lower level and all the lodge rooms were air-conditioned. The Temple is approaching its 100th anniversary.

The Grand Lodge has a committee planning for the celebration of the 200th Anniversary of Independence. Many Masons were involved in molding the Declaration.

The Grand Lecturer reported a good year:

"We learn from the reports of the District Deputy Grand Masters and Grand Lodge Inspectors that many lodges have made much progress in their ritualistic work and that many members have become proficient therein. In some lodges, Masters permitted proficient members to confer the First Degree under the guidance of the former. This gives incentives for others to learn the work and gain proficiency."

In order to train prospective District Grand Lecturers, all District Deputy Grand Masters were asked to send at least two

Past Masters from their respective Districts to attend the School of Instruction conducted at Plaridel Masonic Temple from August 16 through August 28, 1969. Twelve past masters attended the course.

The instruction given was both intensive and extensive. The work started from 9:00 a.m. to 12:00 noon and from 2:00 p.m. to 5:00 p.m. every day. "Taken up were various works including the opening and closing of the Lodge of Entered Apprentices, Fellowcrafts and Master Masons, conferring of the three degrees, floor work, lectures, including correcting misused words, handling the rods, proper way of giving the due guards and signs, reception of the Grand Master or other Masonic dignitaries both private and public, flag ceremonies, Masonic etiquette and proper decorum in lodge meetings, pointers to lodge officers with respect to their duties and responsibilities, Masonic laws, Edicts and Regulations, Symbolism, and Administration."

Masonry in this Jurisdiction is in a healthy state. As the Grand Master said:

"The strength of an organization does not necessarily depend on the number of its adherents, but on the quality. There are many dedicated Masons in our Lodges, and the interest displayed by the attendance at visitations, regular meetings, etc., and the number of young men who are joining our ranks, indicates to me that we need not be unduly concerned about the future of Masonry. If further assurance is needed, we also have a small net gain in membership."

The net gain was the first since 1963.

The Grand Lecturer visited all the constituent lodges in company with the Grand Master. He also saw much degree work. He was impressed by the dispatch and harmony with which the various lodges conducted the business sections of their meetings. The degree work reflected much study and practice, while the economic condition of all the lodges was sound.

The Grand Historian drew attention to the forthcoming centennial of the Grand Lodge and pointed out that five years is a short time to prepare for such an occasion. Seven lodges are already more than one hundred years old and by 1975 five more will be past their 75th Anniversaries.

The Grand Lodge held a Special Centennial Communication in the Masonic Temple, Montreal, on October 20, 1969, the Hundredth Anniversary of the formation of the Grand Lodge. During a short Service of Commemoration, the Grand Master said in part:

“As we enter into our work for the new century of the Grand Lodge of Quebec, let us keep before us the admonitions we have received. Let us remember that times have changed since 1869 and even since 1948. Should we not extend our benevolence as a Grand Lodge beyond the confines of our membership? Many Lodges are doing so regularly and particularly in this Centennial Year.”

He suggested that the Masonic Foundation of Quebec provides a suitable vehicle for this enlargement of the efforts of the Grand Lodge.

A fitting project for the centennial was a revision of the Constitution. The last was undertaken in 1948. The committee in charge studied our Constitution and some others to assist them in their work. The influence is apparent. For instance, the “Permanent Committee” was renamed “The Board of General Purposes” as it was considered a more accurate title. The Grand Master is authorized to nominate six members beyond those provided for in the earlier Constitution.

The Constitution, with three minor amendments, was adopted as submitted.

The Annual Communication opened with the singing of “O Canada” in English and French. The Grand Master reported on the centennial celebrations which had begun the year before.

They included:

A vesper service in rededication at St. George’s Church. This was recorded on tape and has been borrowed by many lodges and other Masonic groups for reproduction before Masons and their families.

The centennial Grand Lodge banquet, one of the largest Masonic gatherings Montreal has witnessed. M.W. Bro. W. L. Wright gave the main address.

The Grand Lodge communication noted above.

Several lodges and groups of lodges had celebrations of their own. District No. 3 raised \$5,200 to help establish a technical or vocational training school for young adults who are mentally retarded.

The report of the Centennial Committee listed 44 special centennial projects undertaken by individual lodges. The Grand Master, himself, presented an altar cover and cushion to celebrate the occasion.

The Grand Master, the first Queensland born Governor of Queensland, spent some months in England. At the final Quarterly Communication he reported that the year had been successful owing to the loyalty of the members of the Craft. He particularly hoped that Masonic principles would be practised in the community.

During the year two new lodges were consecrated and two new temples dedicated. One lodge celebrated its centenary, and during the forthcoming year four more will also reach their 100th year.

The Grand Lodge is faced by the problem of the increasing rent for their quarters in the Freemasons Hall, Providence. Many expedients are being considered. As the Grand Master said "Our Constitution does not require us to meet in the City of Providence or to own a Temple. The Grand Lodge of Delaware meets in

various Lodges, the Grand Lodge of New Jersey meets in the Convention Hall at Atlantic City, the Grand Lodge of Nova Scotia meets in a hotel, and the Grand Lodge of Canada in the Province of Ontario meets in a school building." The Grand Master knows our Grand Lodge as he is the Grand Representative for Rhode Island near our Grand Lodge. He also has been present at our Annual Communication.

Early in the year the Grand Master called a meeting of the Deputy Grand Master, the Grand Senior Warden, the Grand Junior Warden, the Grand Secretary, with himself as Chairman, to discuss matters which were concerning him. From the meeting grew the Grand Master's Consultation Committee.

The purpose of this body is —

First—to standardize the decisions from year to year;
Second—to act in an advisory capacity to the Grand Master;

Third—to acquaint the junior elective officers with the requirements, duties and responsibilities of the Grand Master's office.

The Committee met three times during the year and discussed a wide range of subjects concerning Grand Lodge activities. The Grand Master gave a full report on the activities of the group which might well be emulated in other jurisdictions.

"One decision that will soon be apparent to our constituent lodges is that we have agreed to undertake a more active program of the elected Grand Lodge officers visiting in your home lodges. We hope that in the future no lodge will be able to say that it has been more than four years since an elected Grand Lodge officer paid them a visit. The five members of the committee were able to make in excess of 150 visits to constituent lodges this year. Some lodges, of course, received a visit from two or more elected Grand Lodge officers, but over 100 individual lodges were visited. Records are being kept of the visitations so that if you were not visited this year, have your secretary write a letter to the Grand Secretary's office requesting a visit if it can be arranged. If you are planning some special lodge event and wish an elected officer to be present, I can assure you that your chances of success are very good.

"The success and accomplishments of the Grand Master's Consultant committee have been so effective that I recommend it to my successor as a continuing segment of our organization in this jurisdiction."

SCOTLAND — 1970

M.W. Grand Master Mason, 1965-69

Major Sir Ronald Orr Ewing

M.W. Grand Master Mason, 1969-71 — David Liddell-Grainger

Lodges within Scotland, 641.

Overseas, 410.

The Grand Master Mason, having been unanimously re-elected for the ensuing twelve months, was again installed. The installing Master told of the "tremendous amount of visiting" which the Grand Master Mason had done during his first term in all Provinces and in Scotland, installing Provincial Grand Masters, visiting lodges at work, presiding at re-dedication services and attending social functions. He also visited lodges in East, Central and South Africa.

M.W. Bro. C. Wagemans, Past Grand Master of the Grand Lodge of Belgium, proposed the toast to the Grand Lodge of Scotland at the Festival of St. Andrew. In spite of his disclaimer, his thoughts were expressed in excellent English. His views as a Mason from Belgium, enlivened by humour, were original and yet showed the universality of Freemasonry.

"That strange little nation of mine being better known lately for its language problems, this is as good a time as any to show the truth of the matter, which is that in a spirit of tolerance and absolute discrimination, we speak all sorts of languages equally badly. Someone once went as far as calling us the Scotsmen of the Low Countries, but this may have more to do with our being the largest consumers per capita of your best known liquid export. However, we are also among the numerous importers of another commodity, less heady no doubt but still more precious, which has been available in this country for at least five centuries or so, and which Scotsmen have been particularly active in promoting abroad ever since the eighteenth century under the name of Freemasonry. So, I stand before you, Brethren, as a foreign Mason, in so far as one can be considered as a complete foreigner by other Masons. For some two hundred and fifty years now, indeed, Freemasonry has been avowedly Universal. But, thank God, anything but uniform. Different countries have seen different political and religious problems influence their lives, in the course of those long years, and our Rituals themselves have been much enlarged and enriched though not always on quite similar lines.

"One of the main objects of Freemasonry may well be to recognise, through the rainbow of outward appearances, the True

Light of an unique Tradition, but also to recognise, understand and so fully appreciate the many facets of that one Tradition.

"It is my contention that the Grand Lodge of Scotland has done more than any other Masonic Body to spread and promote the fraternal spirit upon which depends the future of the Craft. No Masonry can look farther back into its own past than yours, Brethren, and nowhere has the phrase 'from Time Immemorial' found more justified uses. So that, quite logically, no Grand Lodge has been more active in bringing out the Light, has scattered as many Lodges upon the face of the Earth, and none can have a brighter outlook for the future. In fact, the Masonic prestige of Scotland has always been such that a number of Rites, across the world, claim enthusiastically to be 'Scottish', even if they originated somewhere on the continent. Which makes for a lot of self-styled 'Scottish Masons' who wouldn't know haggis from the Loch Ness monster. I am one of those myself. But I have had other experiences too: I was once escorted into a Canadian Lodge under the Quebec Constitution by a remarkably sonorous bag-piper in full Highland garb."

The Grand Master, at the half-yearly Communication stressed five matters which deserved notice. He commended the Committee on Masonic Education which produced a circular to all lodge secretaries which had attached to it a list of books for the study of all E.A.s, F.C.s, and M.M.s, prior to and after their initiation.

He drew attention to the continuing work of the Trustees of Freemasons' Hall and also to "the increasing number of debutante balls and social activities which are making an increasing appearance . . . These activities are held sometimes to celebrate joyful occasions and sometimes to benefit the funds of the Masonic Memorial Village."

The fourth general matter on which he spoke came as a result of the increasing number of centenaries and jubilees. Along with such celebrations there usually is a printed history of the Lodge. The Grand Master commented "I am most impressed with the care taken in the writing, and the time spent in research to compile such histories. I would add that no care is too great to take in the recording of important landmarks and that checking and cross-checking of facts does a great service for any future historian of a Lodge. I feel, too, that the evidence of personal

histories appearing in a Lodge history are of equal importance with the factual recording. The sayings of leaders or the recounting of an occasional outstanding or even amusing incident, colours a history with light and shade."

Finally, he revealed that he planned to make a ruling regarding the singing of Christmas carols at Masonic gatherings, a matter which has been subject to rulings by earlier Grand Masters.

The gain recorded was larger than that for 1969 but somewhat smaller than the figure for 1968. Nevertheless, it is well in the range of the gains for recent years. The reports do not indicate the number of rejections. When the records of North and South Carolina are taken together one gathers that Masonry is flourishing in the Carolinas. The Grand Lodges meet on consecutive days.

The Grand Historian described the way in which the people of South Carolina were celebrating the Three Hundredth Anniversary of the first permanent English settlement in 1670. While the Masons of South Carolina accept the fact that the "formal organized Masonic Fraternity has an age of only slightly more than two and a half centuries" there are traditions that Freemasonry reaches back to 1680 in the present state.

Documents which have survived the hazards of time show that organized speculative Freemasonry was established in Charles Town, or the town of Dorchester, a quaint little frontier town, 16 miles west of Charles Town, by a determined group of Massachusetts Masons in 1736.

The report of the South Dakota Children's Home Society, in tracing the development of child care in South Dakota, showed

how the children's homes have evolved over the years. In 1893 the Society was organized "for the homeless, the orphaned, the dependent neglected child." This was the first organized, incorporated agency of services to children in South Dakota. By 1939 more than 9,000 children had been served through adoption, foster home care, long term care, and so on. By the 1960's other social agencies had taken over and the Society is now concentrating on a residential treatment programme for 16 disturbed children. Though the numbers are small the costs will be high. Daily per capita cost will be about \$35.00.

The place where the Grand Lodge first met on July 21, 1875, in Vermillion, is marked by a plaque, erected on a boulder in 1929. The Grand Historian told how the site came to be cleared. The meeting place was the Baptist Church. A disastrous flood in 1881 carried away 46 buildings in two hours, led by the church "whose bell tolled loudly as it floated majestically down the valley." The writer included an early photograph of the frame building, which was sizable, with an attached bell tower.

The Board of General Activities reported that they had distributed 72,000 copies of "The Messenger" in four editions of eight pages each.

This Review marks the first time we have noticed this Jurisdiction. The Proceedings take the form of a small report of 76 pages in both Afrikaans and, fortunately, English. This reviewer has enough Afrikaans to certify that the versions do not vary, but that the English section contains an excellent essay by the W.M. of Lodge de Goede Verwachting, No. 23, on The Purposes and Functions of a Lodge, not repeated in Afrikaans.

The most important event of the year, according to the Grand Master, was undoubtedly the erection and consecration of the Supreme Grand Royal Arch Chapter of South Africa. The new body is starting with a modest three subservient chapters, but applications for the consecration of a further six have already been received.

The Grand Lodge has published in draft form a ritual for the burial of Master Masons. A final draft is being prepared.

The Board of General Purposes met five times in six months, with good attendance. Much of their discussion involved the meeting place of the Grand Lodge. The Annual Communication, well attended, was held at the R. S. L. Memorial Hall, Latrobe. The Grand Master expressed the thought that the large attendance might in some measure be attributed to the spacious hall which provided comfortable seating.

As has been written before in these Reviews, the reports of the Grand Inspectors of Lodges, of whom there are four, give a great deal of detail regarding the activities of the lodges. Attendance has risen in the North Western District, but in the Western District left something to be desired. The social side of Freemasonry has increased, with Ladies' Nights gaining in popularity.

The two Lodges of Research, though of small membership, exert an influence out of all proportion to their numbers. One, after much study, presented the working of a Masonic lodge as it existed 210 years ago. This was the first time anything like this had been presented in Australia. One might question if the idea has occurred to any other Lodge of Research or Committee on Masonic Education anywhere.

The Committee on Advancement of Freemasonry and Masonic Education reported another year of successful work. Although the Committee did not take credit for the substantial increase in membership, it attributed the gain to the revival of Masonic interest rising from the good work being done all over the Jurisdiction by dedicated men, using the tactics and suggestions put forward by the Committee over the past six years.

Many lodges are taking steps to balance their budgets by raising fees and dues. A table printed in the Proceedings shows that annual dues run from \$4.00 to \$25.00, averaging \$9.05 and fees from \$45.00 to \$105.00, averaging \$56.39.

The Grand Master expressed concern over the difficulty faced by lodges in securing suitable meeting places. Many downtown metropolitan lodges are suffering severe declines in membership. Better transportation and changes in living habits are causing small towns in rural areas to disappear. Consequently, the Grand Master concluded "Masonry today is neither urban nor rural, but rather suburban." He is convinced that Masonry must be taken into suburban areas and that in those areas the meeting places should be something of which the members could be proud. He asked the Land and Building Committee to consider ways in which funds might be raised to achieve the purpose.

The Masonic Foundation of Utah was set up at the 27th Annual Communication with a nucleus of \$16,286. Now, after 41 years of activity, the net worth of the Foundation has risen to \$234,000 after providing funds over the years for charity, youth activities, relief, education and the Masonic Service Association. Thanks to an appeal by the Grand Master, contributions rose over those of the previous year and almost tripled those of the year before that. Receipts were more than \$20,000.

The Grand Lodge welcomed "His Excellency, Brother and the Honorable Deane C. Davis, Governor of the State of Vermont." He made a brief address.

The Grand Master in delving into the history of his Grand Lodge came on an interesting jurisdictional boundary. The Grand Lodge of Vermont in 1847 agreed that Golden Rule Lodge, Stanstead, Quebec, should have jurisdiction on all sides to a point equidistant to the nearest lodges. This regulation gave the Canadian Lodge jurisdiction in Vermont.

In 1861 the original charter of Lively Stone Lodge No. 22, Derby, Vermont, which was the parent of Golden Rule Lodge, was presented to the Stanstead Lodge and the definite jurisdictional Boundary, within Vermont was confirmed and ratified. This action

was an important factor in the continued life of Golden Rule Lodge, which served the boundary communities of Derby Line, Rock Island and Stanstead. The Grand Master recommended the appointment of a special committee "to investigate the possibility of continuing this delightful relationship."

The Grand Lodge met in the new Masonic Centre of Victoria for the first time at the March 19 Quarterly Communication. The official opening took place on the preceding Monday, March 17. Our Reviews for 1969 and 1970 told something of the progress of the construction. Now everything is completed. The Grand Master was able to report on a most successful year.

"Brethren: I believe there was some inconvenience to some brethren earlier, caused by some extreme problems we have had through the week getting everything ready. The carpets you see before you were not completed until after six o'clock this evening, and this explains a problem which may have affected some of you on your arrival.

"My brethren: As I mentioned at the official opening ceremony on Monday evening in this Constitution the past year has been one of great endeavour, much of which has come to fulfilment, yet leaving much to be furthered in the year ahead. To our great joy this beautiful edifice has been completed, our Freemasons' Hospital is well on the way with its new wing and other additions; our Royal Freemasons' Homes group has been very active and has established a further block of apartments for aged couples or single persons, and will complete its new Centennial House (a nursing centre for the frail and infirm) in the next few months. All of these are outward and visible signs of virile activity which indicate our desire to help, not only ourselves and our families, but also others less fortunate and less able to do these things for themselves. These activities tend to draw us together in well-doing."

At the same time he pointed out that material progress alone was not enough and continued:

"However, we must never lose sight of the deeper significance of Freemasonry, with its call to higher moral standards, good

citizenship, thought for others. The design for happiness and bringing happiness to others. If we miss these things then we miss the main message of Freemasonry. It is the call of these basic truths which Freemasonry teaches and which has kept it alive and virile over the centuries of its existence. Last night when we dedicated our seven Temples within this building our Grand Chaplains all spoke, each in his own way, on the general theme: 'So that the world may know.' It is the task of each individual Freemason to live in such a way that others may know he lives a better life because he is a Freemason. This is the only way in which the Craft can attract worthwhile men into its ranks because, deep down, it is the way people desire to live. The matter of growth of numbers is therefore basically in the hands of each one of us, you and I as individuals, but above all we want quality in our ranks rather than quantity."

Ten Virginia lodges celebrated their 100th Anniversary during the year. The Grand Lodge in 1869 chartered 17 lodges and ten are continuing to work. It is unique in the annals of Virginia Freemasonry for so many to complete a century of labour in the same year. Since Alabama also saw six centennials, the implication is that the ravages of the Civil War in the South were being overcome by 1870 and Freemasonry was able to go forward.

In his programme for the year the Grand Master requested the Worshipful Masters of every subordinate lodge to celebrate St. John's Day by assembling and attending a church service in one of their local churches or at some convenient time during the year. Lodges all over the Commonwealth promoted and attended church services in a body.

Dispensations were refused in two instances for the laying of cornerstones for an interesting reason. The walls of the buildings were completed and the lowering of the cornerstone could not be carried out. The stone would have had to be pushed into a pocket in the wall rather than being lowered into place as the ritual provides.

M.W. Bro. Fred Winkels (P.G.M.) who compiles the Fraternal Reviews generously gave two full pages to our Proceedings. His foreword contained two brief paragraphs with which all readers must agree.

“When we accept a personal responsibility for conditions as they are, and which require immediate action and correction, then we have taken the first and most important step toward their logical and favorable solution. The urgent necessity for action imposes upon each of us, as Freemasons, the obligation to live by our principles and ideals and to let our faith in them provide an ever present example and inspiration for all mankind. If we do not practice our own teachings we cannot expect others to have faith in our leadership.

“Masons must, and will, provide the intelligent leadership which these troublesome times demand. Masonry has provided it in the past and can and will provide it now. We can no longer afford to be a part of that great but ‘Silent Majority’, but must consider it incumbent upon each one of us to prove to ourselves and to the world that we are Freemasons and, as such, are leaders and not mere followers.”

The Committee on Work has frequently stressed the great value in holding regular practice sessions in particular lodges. They repeated this opinion and in addition reported that they had held fifty regional schools of instruction which were well attended. For the fifth year in succession every lodge was represented by at least one officer at a regional school.

The incoming Grand Master announced that he did not plan any drastic changes as Freemasonry in West Virginia is in a very healthy and prosperous condition.

Lodges which are tenants in Freemason's Hall, Perth, enjoyed the benefits of air conditioning, installed at a cost of practically \$30,000.

The Grand Lodge library was greatly expanded. The Museum also has been expanded and new glass-covered cabinets and lighting have been added.

The Jurisdiction is greatly interested in current developments in fields of housing for the aged. At the time of the April Communication the first residents were moving into the new Coolbellup Cottage Homes. There are other homes at Mount Lawley. A further 19 single units were authorized here at a cost of \$60,000.

Outside the work of the lodges and the Grand Lodge Masonic balls are a major activity in the Jurisdiction. The proceeds usually go to the Grand Lodge benevolent funds. The Grand Master reported on no fewer than four which he attended. He was unable to attend two others.

A firm of regalia manufacturers in Australia of all countries, proposed using a substitute for lambskin in the manufacture of aprons. "Bearing in mind the Constitutional and Traditional requirements on this subject, a firm refusal to permit such a variation was given."

During the year the Grand Lodge evaluated several Grand Lodge offices, "using standards of contemporary business prac-

tices." Professional management consultants found that it was neither practical, or even possible, for one man to function productively as Grand Secretary. It was recommended that the ever increasing responsibilities of the office of Grand Secretary be divided between at least two—a Grand Secretary and a Grand Lodge Administrator. The Grand Lodge followed the recommendations.

The Grand Lodge Administrator presented his first report. It dealt with such matters as membership, consolidations, centennials (of which there were three) and regional workshops. The Grand Secretary in his report gave some information on the distribution of responsibilities. He described himself as the "ceremonial type" with duties "rather more sweeping than the usual Grand Lodge officer, except for the Grand Master and Grand Lecturer." Most of the correspondence and functions of the Grand Lodge office are handled by the Administrator, although the Grand Secretary does handle some correspondence. Visitations are a responsibility of the Grand Secretary. He concluded: "It is perhaps too early to make any prediction as to whether this divided responsibility will be the answer to the growing administrative problems of our Grand Lodge."

The Grand Historian has collected all the material necessary for the writing of the history of the Grand Lodge. It will take two years to complete and be in time for the centennial. The Grand Lodge was instituted at Laramie, Wyoming, on December 15, 1874. The first lodge, Cheyenne Lodge No. 16, now Cheyenne No. 1, was chartered by the Grand Lodge of Colorado, October 7, 1868.

The Centennial Activities Committee reported that "slow but sure progress is being made in the production of miniature leathern aprons and pouches." These are being made by Wyoming Indian craftsmen and are taking longer to make than was originally planned. The production of 300 buckskin pouches and 750 miniature aprons will "consume the better part of two years." They are designed to be commemorative favours at the centennial banquet.

The Committee preparing the centennial pageant is having difficulty getting material.

APPENDIX "A"

GRAND MASTER'S BANQUET

Canadian Room

Royal York Hotel, Toronto, Ontario, Canada

July 21st, 1971.

THE GRAND MASTER: Brethren, I will now call upon M.W. Bro. Wright to introduce our guest speaker.

M.W. BRO. ARCHBISHOP W. L. WRIGHT: M.W. Grand Master, Distinguished Guests and Brethren: In the Masonic World the name of our guest speaker, H. Dwight McAlister, is synonymous with the enviable qualities of knowledge, zeal and versatility. By his presence tonight he bestows an honour on our gathering for there are few, indeed, from the North American Continent who possess his gifts of Masonic insight and eloquence. In this, one need not be surprised for his educational, ecclesiastical, cultural and Masonic background will provide their competency which is in keeping with the conditions of this occasion. Our guest is a native of South Carolina, the deep south, and he received his secondary and university education in that State, and for ten years taught Public School there. He attended South Western Baptist Theological Seminary in Fort Worth, Texas, and following his ordination in the Baptist Ministry served several churches with distinction for thirty years, nineteen of which he was Pastor of The First Baptist Church, Cheraw, South Carolina. He resigned as Minister of that church to assume his present and administrative duties as Grand Secretary of The Grand Lodge of Ancient Freemasons of South Carolina—you will note that I used the term "Ancient Freemasons" not Ancient Free & Accepted Masons, it is the only Grand Lodge with this designation. When speaking to M.W. Bro. Dixon, the Grand Representative of that 234 year-old Grand Lodge, I commented that that was a peculiar designation! His reply was, "all South Carolinians are peculiar." (Laughter). M.W. Bro. McAlister has had an illustrious Masonic career, time will not permit me to enunciate the very facets in this regard. He is the Past Grand Master of Masons in South Carolina, and also our distinguished Bro. has exemplified the qualities of a true citizen in his community by serving in many and devious ways, for instance, he is a member of the Board of Directors of The South Carolina Eye Bank; he has served on The Board of Trustees of The South Carolina Baptist Hospital for ten years; he was a Member of the Board of Trustees of Foreman University for 1965 to 1969, and has held many other appointments and, at the present time, M.W. Bro. McAlister carries out important administrative duties as Grand Secretary with headquarters in a new and exclusively beautiful building situated in Columbia, the Capital City of that great State. Brethren, we salute

our distinguished guest with that warmth and sincerity which is in keeping with that high tradition of our Grand Jurisdiction. It is a personal honour to introduce to you M.W. Bro. Dwight McAlister, Grand Secretary of The Grand Lodge of Ancient Freemasons of South Carolina—how do you receive him?

Brethren rise. (Applause).

THE PURSUIT OF EXCELLENCE

by H. Dwight McAlister

Most Worshipful Grand Master, Distinguished Guests, Brethren all: First of all I would like to say to M.W. Brother Wright that that was the best introduction I ever received except once, and that was on the occasion when I was supposed to speak to the Volunteer Fire Department and the man who was supposed to introduce me didn't show up and I had to introduce myself. (Laughter).

Brethren, I have been at this business long enough to know that I am supposed to address all officers and dignitaries. I have already spoken to most of them but for fear I have overlooked someone I'll speak to them by telling of an incident that happened down in the states. The story is told that a colored boy was walking along the street one day when he passed a house and on the porch of the house sat a pretty girl. As he passed he tipped his hat and said, "hello dere" and she said, "hello dere". As the boy walked on down the street he was thinking that it would be nice to meet the girl and maybe he could ask her for a date. He turned around and went back by the house. As he passed by again he tipped his hat and said, "hello dere" and she said "hello dere". The boy still didn't have the courage to stop and talk with her, he just walked on down the street a short distance but desire got the best of him and so he turned around the third time to go back and speak to the girl. While approaching the house, this thought occurred to him, she may be married and if so he didn't want to get into any difficulty with her, so he decided he had to find out whether she was married or not. He walked by the third time, tipped his hat and said "hello dere" and she said, "hello dere". He then asked her this question, "Is your husband home?" and she said, "yes, he's back there in the room." He said, "well, you just tell him that I said, "hello dere". (laughter).

I want to say "hello dere" to all of you and again say that I am delighted to be here on this occasion, indeed I am honoured, not only am I honoured but my Grand Lodge is honoured. I am privileged to bring you greetings from our M.W. Brother Herbert L. Middleton, Jr., Grand Master, and the more than 65,000 Masons in the Grand Jurisdiction of South Carolina, U.S.A.

I think I can tell you how I feel by telling an incident that happened in my church several years ago. (I have been in the

ministry for more than thirty years). On one occasion in my church, I had to counsel with a young man who was an alcoholic—I want to say right here that that is most unusual in a Baptist Church. (Laughter). If it had happened in some other church you might have expected it, but certainly not in a Baptist Church, but sometimes it happens in the best of families. (Laughter). I counselled this young man for quite some time and felt that I had done a pretty good job. I met the young man in the street one day and he was cold sober. I stopped and talked with him and told him that it made me very happy to see him sober once again. After talking awhile he went on his way and I went on mine. The next day, however, I met him on the street again and he was about as drunk as I had ever seen him. I stopped and talked with him again and let him know that I was very unhappy to see him drunk again. I said, "yesterday I met you on the street and you were cold sober, and that made me very happy indeed; today I meet you on the street again and you are as drunk as I have ever seen you, and that makes me very unhappy. Yesterday I was happy, today I am unhappy." In his drunken voice he said, "well, preacher, that's just the way the ball bounces, yesterday was your day to be happy, today is my day to be happy." (Laughter). Today is my day to be happy to have the privilege of fellowshiping with and the opportunity of speaking to this wonderful audience.

I would like to say that your Program Committee was not very particular in the selection of a speaker for this occasion, and this reminds me of another incident that happened in my ministry. There was a widow woman in my church who was chronically ill and every once in awhile she would be feeling rather low and would call me to come and talk with her. Every time I went to see her I had to listen to the story of her life—I'll bet I listened to the story of her life a hundred times or more—and every time I went she would tell me of all the ailments she ever had and of the operations she had undergone. On this particular occasion when I went to see her, she seemed to be a little more despondent than at other times. She said, "Pastor, I am so glad you could come to see me for I am so very sick today. I am so sick that I feel that I am not long for this world. I don't think it will be long before I'll be crossing over Jordan and I'll be in the other world. In fact, pastor, I don't think it will be long before I'll be laying my head on Lazarus' bosom." I said, "Sister, in the first place I don't think you are that sick and, in the second place, I think you've got your men-folk mixed up. I think you mean Abraham's bosom and not Lazarus'." She said, "Pastor, if you had been a widow woman as long as I have, you wouldn't be particular either." (Laughter).

I think I have never been given the opportunity of speaking but that I have felt inadequate. I probably know about as much as the town half-wit who was standing on the street corner one day when a stranger drove up and asked him this question, "You wouldn't by any chance happen to know a man with one eye

named George Smith would you?" The boy replied, "I ain't believe so mister, what is his other eye named?" (Laughter).

Things happen that make you feel inadequate in this business. Once I returned a week early from vacation. My church gave me a month's vacation each year. On this particular occasion when I had returned a week early, I went over to the church on Sunday morning and an elderly woman, a member of my church, whose eyesight was very poor, she could see the bulk of a person but could not tell who he was, asked if I would be so kind as to help her up the steps. She did not recognize me. I took her by the arm and assisted her up the steps. When we arrived at the top of the steps she asked me this question. "Do you know whether Rev. McAlister is back from his vacation?" I said, "Yes, he is back from his vacation." She then asked, "Do you know whether Rev. McAlister is going to preach today, or not?" I answered, "Yes, I am sure that he is going to preach today." She then said, "Mister, will you please help me back down the steps." (Laughter).

I have often wondered how I got into this business of speaking along with my preaching, but I found that in the Ministry you could never tell what people would ask you to do, or require of you, or what they were going to ask you for. On one occasion I was traveling on a train and as the train went along there came into the coach that I was riding on, a man who had to hold on to the seats as he walked down the aisle. He came to the middle of the coach, stopped, and asked this question, "Is there a Catholic Priest on this train?" Since I was not a Catholic Priest, I didn't say anything. He went back to his coach but later returned to the coach that I was on and asked this question, "Is there an Episcopal Rector on this train?" In that I was not an Episcopal Rector, I still didn't say anything. The man staggered back to his coach and a little while later he returned to the coach that I was on, but before he had a chance to ask for another kind of minister, I stood up and said, "Sir, I am not a Catholic Priest, neither am I an Episcopal Rector, but I am a Baptist Minister and I thought that maybe I could be of help to you. He looked me over from head to toe and said, "Well, I don't know whether you can or not but it won't hurt to try." He then asked, "You wouldn't by any chance have a corkscrew, would you?" (Laughter).

A letter to President Nixon written by a ten year old boy and sent to Hy Gardner, a newspaper columnist, was published in the "State" newspaper. The boy asked Mr. Gardner to ask President Nixon what advice he could give a ten year old boy who wants to grow up to be President some day? Mr. Gardner wondered if he would be imposing on the President's already overworked calendar to ask for an answer. After some thought he did send the question to the President. Mr. Nixon did reply, and this was his answer: "The best advice I can give a ten-year-old boy who wants to grow up to be President can be summed up

in three words: Learn-Love-Laugh. LEARN all you can about the world you live in. Learn the history of your country and the history of other great countries. Learn about other people by reading great works of fiction. Learn about nature, about its wonders and its laws. Most important of all, learn about yourself. If you become President, you will have to know about your own strengths and your own shortcomings.

LOVE God, your parents, your relatives, your friends and your classmates. Love your country and all of its people. Knowing about things is wonderful, but it isn't enough. You have to care and care deeply about the nation and the people you might serve someday. There is no substitute for love of country if you want to be President. In fact, there is no substitute for love in any area of life.

LAUGH. Laughter can help a President—and anyone else—by reminding him that there is a lighter side of life. Laughter is one of mankind's greatest gifts. A President must be able to laugh at some things—and especially at himself—if he is to face other more serious problems.

If you learn, love, and laugh, I can't guarantee that you will be President, but I can assure you that you will grow up to be the kind of man the President should be.

Sincerely,

RICHARD NIXON.

Someone has said that when laughter goes dead in a man, that's the beginning of the end with that man. I wonder if that isn't about right. When a person reaches that point in life when he can no longer laugh, smile, spread sunshine, then I wonder if that individual hasn't just about reached the beginning of the end. Some people think that ministers or deeply religious people are never supposed to enjoy or laugh at a joke or funny story. I want to say that during more than thirty years in the Ministry I have never found any conflict between religion and laughter. It was the writer of Proverbs who said, "A merry heart doeth good like a medicine." The writer of Ecclesiastes said, "There is a time to laugh." I, too, think it is good for us to laugh. If on occasions such as this we would use all the time telling amusing stories and laugh until our sides ache, then go home without a serious word, I do not think our time would have been wasted. I could tell you of many amusing experiences and amusing stories which I am sure you would enjoy but time will not permit.

Let me tell you this, I had some misgivings about retiring from the pastorate, (I have not, and will probably never retire from the ministry) to accept the work as Grand Secretary for I remember with much pleasure my thirty years as a Pastor. In all

the churches that I was privileged to serve, there was a good relationship between pastor and people. I never seemed to have the trouble some of my fellow Ministers had, always being in conflict with the members of my church. The members of my churches always looked after me in a very fine way, and I wondered whether the Masons of my State would look after me in the same fine way. Anyway, I retired from the Pastorate hoping that they would. (They have).

In order to show you how well the members of my church looked after me, I'll tell you this story: I had an old maid in my church who by hook or crook was able to get a date. It was probably the first and only date she ever had. As the time neared for her date she became nervous and felt that she had to talk to someone. Who did she call? She called me, her Pastor, and asked if she could come and talk with me. She came and asked that I give her some advice as to how to act on a date. It had been so long since I had had a date that I wasn't sure I could advise her properly, but I did the best I could. I said, "He will come to see you at the appointed time, you will ask him in and ask him to have a seat. Of course he won't sit down until you are seated. He will then sit down and start talking to you. As he talks he will move closer and closer until he is right side of you. He will then want to hold your hand. There is nothing wrong with that. He will talk awhile longer and will turn your hand loose and put his arm on the back of the sofa and talk awhile longer. Then a little later he will let his arm fall gently around your shoulder. Don't be frightened or nervous for that is permissible. Then, a little later, he will catch you by the shoulder and pull you over close to him and ask that you lay your head on his shoulder. Don't do that, for if you do you will be asking for trouble, and, I as your pastor, if I knew you had your head on his shoulder, I would be awfully worried, and you would not want your Pastor to be worried, would you?" She said, "No, I certainly would not."

After her date she reported to me. She said, "Pastor it happened just like you said, I invited him in. He sat down very close to me and all the while he kept moving closer until he was right up side of me. He then held my hand for awhile. He later put his arm on the back of the sofa and after a short time he let it fall gently around my shoulder. He next caught me by the shoulder and pulled me over to him and said, "Why don't you just lay your head on my shoulder." She then said, "Pastor, do you know what I told him? I said, "What did you tell him?" She said, "I told him, oh, no you don't you lay your head on my shoulder and let your pastor do the worrying." (Laughter).

So much for the amusing side of life. Even though it is good to be entertained, I did not come just for the purpose of entertaining you, but to talk to you in a more serious vein on the subject, "The Pursuit of Excellence."

In 1968 I had the privilege of attending the Annual Communication of the Grand Lodge of the State of Maryland. Plans had been made for the visitors and distinguished guests to visit the Governor's Mansion. Spiro Agnew, Governor at the time, had been elected to the office of Vice-President of the United States, was not at home but was in Washington looking for a place to live. As we entered the Governor's Mansion we were given a pencil and a book of matches as souvenirs. I have the pencil with me and would like to read to you the inscription on it. This is what is written on it: "Spiro T. Agnew—Governor of Maryland, State House, Annapolis, Maryland. "Pursue Excellence". I supposed the two words, "Pursue Excellence" was, and still is his motto. As I read those words this thought occurred to me: We are here attending a masonic meeting and the motto on the pencil given to us, "Pursue Excellence" was a description of the real meaning and purpose of Masonry. We are a group of men pursuing the excellent in life, and Masonry is a tool to help us in that pursuit. I believe that the true value of Masonry can be found only as we use it as a tool to help us in that pursuit. In Masonry we have been given working tools, working tools of the operative mason, to use symbolically of course, in the building of our lives. How often do you use the working tools in the building of your life? How often do you apply the lessons to your daily living?

When you begin to be selfish with your time, using it all for yourself and none for God and your fellow man, do you ever think of the 24 inch gauge and the lessons you learned concerning the division of your time?

When there are things in your life that you know are not right, do you think of the common gavel, a working tool of the operative mason used to break off the rough corners of a stone to better fit for his use in the building he is constructing, and use it symbolically to break off the rough corners to make your life a more perfect building?

When you have leanings toward things which are wrong and unjust, do you think of the Plumb Line and its lessons, and does it admonish you to walk uprightly? How often do you think of the Square which admonishes to square your actions by the square of virtue? How often do you think of the Trowel and use it to spread the cement of brotherly love and affection? I repeat, these are tools to be used by the speculative Mason in his pursuit of excellence.

There is something thrilling about watching a person pursue the excellent, no matter what his profession or occupation. whether it is a boy or girl in school, or contestants on the field of sports, or a man in business, or a man or woman in life, or an organization. I believe there is a great need today for men, women, boys and girls in all walks of life to pursue the

excellent, seek the heights, strive for the best. You and I know, and this gives us an advantage, that in Masonry we have the tools to help us in our pursuit of excellence.

The great Apostle Paul's philosophy of life was the pursuit of excellence. He states it in Philippians 3:13 in these words: "Brethren, I count not myself to have apprehended,"—that is to have reached the goal, the heights the point of excellence—"but this one thing I do, forgetting those things which are behind,"—that is my failures, disappointments, inabilities,—“and reaching forth unto those things which are before,”—that is the heights, the top, the point of excellence,—“I press toward the mark for the prize of the high calling of God in Christ Jesus.”—that is I continually press toward the excellent.

As you study the Bible, The Great Light of Masonry, you find that its teachings admonish you to pursue excellence in life. Many of the parables teach that if the individual is to receive commendation rather than condemnation from the Master he must pursue the excellent, that is, he must do his best. The parable of the Talents and the parable of the Pounds illustrate what I am talking about. The parable of the Goodly Pearls in Matthew 13:45-46 is another illustration. It is as follows: "Again, the kingdom of heaven is like unto a merchant man, seeking goodly pearls; who when he had found one pearl of great price, went and sold all that he had, and bought it." As I think of this parable, this thought comes to mind; this is no ordinary merchant seeking to make a fast buck on shoddy merchandise, rather he is a merchant searching for the finest of pearls, a merchant pursuing the excellent. You can imagine the joy and satisfaction within his heart and soul when he discovers the pearl of great price. He knew that to obtain this pearl he would have to make a sacrifice. He sold all that he had and bought it.

This leads me to say that the pursuit of excellence is not an easy road, it is not a flowery bed of ease, but rather, it is a road of hard work, a sacrificial and demanding road, its a road of dedication to a purpose, to a goal. This is probably the reason why so many Masons fall by the wayside. They found the pursuit of excellence too difficult and demanding. Let us remember, that as Masons, our aim, our goal is the excellent. Whether we reach it or not is another question but we should remember that we are to continually pursue it.

Masonry is a group of men in the pursuit of MORAL EXCELLENCE. Masonry is saturated with teachings on morality and virtue which should help us in the pursuit of moral excellence. You and I know that there is a sag in the morals of this world in which we live. Immorality has become the rule, the sky is the limit, and nothing is wrong anymore. We know that you can't have a country of low morals without people of low morals.

The story is told of a negro minister who was holding a funeral service for one of his members who had passed away. He wanted to say something good about the deceased but could think of nothing good he had ever done. After much thought he came up with this statement, "Brothers and sisters, I can't say that Brother John was what you would call a good Christian but I can say this, he was a respectable sinner. (Laughter).

I sometimes wonder if we haven't reached the point in life where we think we don't have to have excellent morals just so long as we are respectable sinners.

I remember a story, told by someone, of a man who was thrown out of a church for gambling. I suppose that never happens in our day for we never throw anybody out of the church for anything anymore. The man who was thrown out of church didn't think much about it at the time, but as time went on, he thought that he really ought to be a member of some church for almost everybody was a member of a church. He knew he could not go back to the church he was thrown out of, so he looked around for another church that might take him in. He went to the pastor of another church and told him that he would like to join his church. The preacher, without any thought or any questions, said, "That's fine, we'll be glad to have you as a member of our church, you be present next Sunday and we'll be glad to take you into our church." The man said, "Preacher, I think I ought to tell you that I was thrown out of the Church I was a member of for gambling, and maybe you wouldn't want me in your church knowing that." The preacher said, "Oh, we don't mind that, we have lots of people in our church who gamble, but we don't throw them out for that. You be here next Sunday and we'll take you in." The man said, "Preacher, there is something else that I ought to tell you. I drink a lot, in fact you might say that I am an alcoholic. You might take me in your church on Sunday and find me in the gutter on Monday and you wouldn't like that." The preacher said, "Well, we don't think you ought to drink to excess, but we don't think there is anything wrong with drinking, in fact we hold cocktail parties in our church, so its all right with us, you just come on and join our church, we'll be glad to have you." The man said, "Preacher, there's something else I ought to tell you. I am a married man and sometimes I'm not as faithful to my wife as I ought to be. There are times when I run around with other women, and maybe you wouldn't want me in your church." The preacher said, "Well, you shouldn't do that, but we have several men in our church who do that but we don't turn them out of the church for that. You come next Sunday and join up with us." The man said, "Wait a minute preacher, to tell you the truth, I am not sure that I want to join your church." The preacher said, "What do you mean, you don't want to join our church?" The man said, "Well, to tell you the truth, preacher, it sounds to me like you folks would just mess around and let me go to hell." (Laughter).

It should disturb us, yes, and even shock us, to realize that conditions have reached the point where the Church doesn't recognize wrong and immorality any more nor speak out against the evil that's in the world. If this world is ever to be better it will be made better by better people.

Your task—

To build a better world, God said,
And I answered, "How?"
The world is such a large vast place
So complicated now—
And I, so small and useless am;
There's nothing I can do.
But, God, in all of his wisdom said:
Just build a better you.

Masonry is a group of men in the pursuit of SPIRITUAL EXCELLENCE. This is not to say that Masonry is a religion, for it is not. A man must be religious before he becomes a Mason, i.e., he must profess his belief in God, in a Supreme Being, One who is Above All, before he can be made a Mason. Even though Masonry is not a religion, it does have spiritual teachings in that it reminds us of that duty which we have to God. We are also reminded that the Bible, The Great Light of Masonry, should be the rule and guide of our lives.

World conditions reveal that there is a need for men to pursue Spiritual Excellence, for in our day there is a tendency to decision God out of life, even to deny the very existence of God. God is being proclaimed as dead by some men of the Cloth. There are so very few people in the world today who are pursuing Spiritual Excellence. It was Daniel Webster who said that the greatest thought he ever had was that of his own individual responsibility to God. I believe that to be the greatest thought any man ever had. Let me ask you this: What place does God have in your life? Do you put Him first or do you put Him last in your daily living? We are told to "Seek first the Kingdom of God" but we want to reverse the order and seek Him last. We want to give Him the leftovers of our lives. This is not according to the teachings that come to us from the Great Light of Masonry.

In the Old Testament, the book of Isaiah, Chapter 44, verses 14-17, there is a story that is being repeated over and over today in the lives of so many people. It is the story of a man who planted a tree. In due time the tree was cut down and a part of the wood the man used to cook his food with, and a part of the wood he used to warm the body by, but the tragedy of the story is in the 17th verse which states that with the residue thereof he maketh himself a god. The residue, of course, is the part that is left over. He doesn't mind giving God the leftovers. Many people have that same attitude toward God today.

Again, Masonry is a group of men in the PURSUIT OF EXCELLENCE IN BROTHERHOOD. I know of no organization that promotes brotherhood more than the Masonic Fraternity, not even the Church. I've used these lines many times but they illustrate what I am trying to say to you.

THE MEASURE OF A MAN

It's not—"How did he die?" But—"How did he live?"
 It's not—"What did he gain?" But—"What did he give?"
 These are the things that measure the worth
 Of a man, regardless of his birth.
 It's not—"What was his station?" But—"Had he a heart?"
 And, "How did he play his God-given part?"
 Was he ever ready with a word of good cheer,
 To bring back a smile, to banish a tear?
 It's not—"What was his church?" Nor—"What was his
 creed?"
 But—"Had he befriended those really in need?"
 It's not—"What did the sketch in the newspaper say?"
 But—"How many were sorry when he passed away?"
 These are the things that measure the worth
 Of a man as a man, regardless of his birth.

I think it can be summed up in the prayer of Francis of Assisi:

"Lord, Make me an instrument of your peace,
 Where there is hatred—let me sow love,
 Where there is injury—let me sow pardon
 Where there is doubt—let me sow faith
 Where there is despair—let me sow hope
 Where there is darkness—let me sow light, and
 Where there is sadness—let me sow joy.

O Divine Master, Grant that I may not so much seek to
 be consoled as to console.
 To be understood as to understand
 To be loved as to love—
 For it is in the giving that we receive—
 It is in the pardoning that we are pardoned—
 And it is in the dying that we are born to eternal life."
 Somebody might ask, "What is Brotherhood?" I'll tell you
 what it is in the words of another:

"It is the wisdom of Lincoln, the warmth of Gandhi;

It is the compassion and the humility of Jesus, the humbleness of Mohammed, and the humanitarianism of Confucius;

It is Catholic and Protestant and Jew living together in peacefulness and harmony;

It is Italian and Dane and Bulgarian and Pole working side by side on the job and sitting shoulder to shoulder in the union hall searching for ways to advance the common good;

It is the Ten Commandments and the Sermon on the Mount;

It is the Bible, the Talmud, and the Koran;

It is the essence of all wisdom of all ages distilled into a single word; but equally,

It is the understanding of neighbors and friends who sorrow at your misfortunes and rejoice at your triumphs and joys;

You cannot see brotherhood; neither can you hear it or taste it; but you can feel it a hundred times a day;

It is the pat on the back when things look gloomy;

It is the smile of encouragement when the way seems hard;

It is the helping hand when the burden becomes unbearable."

Brethren, that's brotherhood.

Masonry is a group of men in the PURSUIT OF EXCELLENCE IN LIFE. The great Apostle Paul in the 12th chapter, verse 31 of I Corinthians said, "I show you a more excellent way," then follows his great discourse on faith, hope and love in the 13th chapter which he ends with these words: "And now abideth faith, hope, love, these three; but the greatest of these is love."

I believe that God expects us to take the life which He has given to us and make the very best out of it that is possible. The story is told that the great Caruso, at the height of his fame, was asked to sing on a charity program. One of the women on the committee that came to see him said something like this to him, "Mr. Caruso, when you come to sing on our program you don't have to do your best because we are putting this program on for charity and we just want your name on the program as a drawing card, just remember its for charity and you don't have to do your best." The great Caruso, in telling the story, said, "I almost refused to go. I then said to the woman, I'll have you to understand that Caruso never does less than his best."

And so it should be with all of us, always doing our best in the PURSUIT OF EXCELLENCE.

My advice to you, as men, is to PURSUE EXCELLENCE. My advice to you as Brother Masons is, use Masonry in your PURSUIT OF EXCELLENCE. If you do that, then Masonry will again hold that elevated position in the community and the world which it once held, and which it so richly deserves. The world around you will be aware of an organization, a fraternity of men known for their PURSUIT OF EXCELLENCE in all areas of life.

Thank you for the privilege of speaking to you, and for your kind attention. Thank you.
